Reminiscences of Tolstoy Ilya Tolstoy, George Calderon, 2001-06-01 **Reminiscences of Tolstoy** , 1999

Reminiscences of Tolstoy Graf Ilia Lvovich Tolstoi, 1914-01-01 IN one of his letters to his great aunt Alexandra Andreyevna Tolstoy my father gives the following description of his children The eldest Sergei is fair haired and good looking there is something weak and patient in his expression and very gentle His laugh is not infectious but when he cries I can hardly refrain from crying too Every one says he is like my eldest brother I am afraid to believe it It is too good to be true My brother s chief characteristic was neither egotism nor self renunciation but a strict mean between the two He never sacrificed himself for any one else but not only always avoided injuring others but also interfering with them He kept his happiness and his sufferings entirely to himself Ilya the third has never been ill in his life broad boned white and pink radiant bad at lessons Is always thinking about what he is told not to think about Invents his own games Hot tempered and violent wants to fight at once but is also tender hearted and very sensitive Sensuous fond of eating and lying still doing nothing Tanya Tatyana is eight years old Every one says that she is like Sonya and I believe them although I am pleased about that too I believe it only because it is obvious If she had been Adam s eldest daughter and he had had no other children afterward she would have passed a wretched childhood The greatest pleasure that she has is to look after children Reminiscences of Tolstoy Maksim Gorky, 1966 **Reminiscences of Tolstoy** Count Tolstoy, 2017-11-23 *Reminiscences of Tolstoy* by his Son Count Ilya Tolstoy Count Lev Nikolayevich Tolstoy 9 September 1828 20 November 1910 usually referred to in English as Leo Tolstoy was a Russian writer who is regarded as one of the greatest authors of all time Born to an aristocratic Russian family in 1828 he is best known for the novels *War and Peace* 1869 and *Anna Karenina* 1877 often cited as pinnacles of realist fiction He first achieved literary acclaim in his twenties with his semi autobiographical trilogy *Childhood Boyhood and Youth* 1852 1856 and *Sevastopol Sketches* 1855 based upon his experiences in the Crimean War Tolstoy s fiction includes dozens of short stories and several novellas such as *The Death of Ivan Ilyich* *Family Happiness* and *Hadji Murad* He also wrote plays and numerous philosophical essays IN one of his letters to his great aunt Alexandra Andreyevna Tolstoy my father gives the following description of his children The eldest Sergei is fair haired and good looking there is something weak and patient in his expression and very gentle His laugh is not infectious but when he cries I can hardly refrain from crying too Every one says he is like my eldest brother I am afraid to believe it It is too good to be true My brother s chief

characteristic was neither egotism nor self renunciation but a strict mean between the two He never sacrificed himself for any one else but not only always avoided injuring others but also interfering with them He kept his happiness and his sufferings entirely to himself

Reminiscences of Tolstoy Ilya Tolstoy,2020-12-08 This is an encouraging book in which Tolstoy explains the events that led to the development of the author over the years Every indispensable part of life plays a role in shaping one s character and this is true for Tolstoy as well but what is incomprehensible is the way this book is written These words resounded as if they were telling a deep story with deep meaning It has an exciting effect on you Must read

Reminiscences of Tolstoy graf Il'ia L'vovich Tolstoi,1914 **Reminiscences of Tolstoy, by His Son** graf Tolstoy,2016-08-10 Leo Tolstoy was a Russian writer who is considered to be one of the greatest authors in history Tolstoy wrote many classics in different genres such as War and Peace Anna Karenina and The Kingdom of God is Within You and much of his work was based off of his life experiences in the Crimean War and his spiritual awakening This book written by Tolstoy s son provides an excellent in depth look at the legendary writer as a family man and as a person who struggled with his spiritual convictions

Reminiscences of Leo Tolstoy His Contemporaries,2002-12 Never before had such a voice sounded in Europe It is little to say that we were thrown into raptures by the creative genius of Tolstoy It became part of our life became our very own wrote Romain Rolland one of Tolstoy s greatest contemporaries This book is neither a biography nor a literary portrait It is the voice of the times in which Tolstoy lived These reminiscences contributed by people from widely different circles by Tolstoy s wife and children whose contributions give us a true picture of the great writer s private life by writers artists and actors who were his friends by comrades who accompanied him on the military campaigns in which he took part by the doctors who tended him by people who served as prototypes of characters from his novels by teachers in his school at Yasnaya Polyana by peasants of Yasnaya Polyana representing that human ocean whose flux and flow Tolstoy followed with such rapt attention all of them taken together present the total impression that Tolstoi made upon his generation In a word the pages of this book reveal to the reader the wisdom and inner conflict of the man whom Gorky has called a one man orchestra the most complicated of all great men of the 19th century *Reminiscences of Tolstoy* Ilya Tolstoi,1914

Ilya Lvovich Graf Tolstoy (1866-1933; Calderon, George), 1997 *Reminiscences of Tolstoy (Classic Reprint)* Ilya Tolstoy, 2018-01-20 Excerpt from Reminiscences of Tolstoy Ilya the third has never been ill in his life broad boned white and pink jovial bad at lessons Is always thinking about What he is told not to think about Invents his own games Hot tempered and violent 1 wants to fight at once but is also tender hearted and very sensitive Sensuous fond of eating and lying still doing nothing When he eats currant jelly and buck wheat kasha 2 his lips itch Independent minded in everything When he cries is vicious and horrid at the same time when he laughs every one laughs too Everything forbidden delights him he recognises it at once When he was quite a mite he overheard some one saying that a pregnant woman feels the child moving inside her for a long time afterwards his favourite game was to put any round thing he could find under his jacket and stroke it with tense fingers whispering with a smile This is baby He used to stroke all the bumps where the springs had gone wrong in the arm chairs and furniture murmuring Baby About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
