Billy G. Smith

Render Them Submissive Responses To Poverty In Philadelphia 1760 1800:

Render Them Submissive John K. Alexander, 1980 , **Buried Lives** Michele Lise Tarter, Richard Bell, 2012 *Buried Lives* offers the first critical examination of the experience of imprisonment in early America. These interdisciplinary essays investigate several carceral institutions to show how confinement shaped identity politics and the social imaginary both in the colonies and in the new nation. The historians and literary scholars included in this volume offer a complement and corrective to conventional understandings of incarceration that privilege the intentions of those in power over the experiences of prisoners. Considering such varied settings as jails, penitentiaries, almshouses, workhouses, floating prison ships, and plantations, the contributors reconstruct the struggles of people imprisoned in locations from Antigua to Boston. The essays draw upon a rich array of archival sources from the seventeenth century to the eve of the Civil War, including warden logs, petitions, execution sermons, physicians' clinical notes, private letters, newspaper articles, runaway slave advertisements, and legal documents. Through the voices, bodies, and texts of the incarcerated, *Buried Lives* reveals the largely ignored experiences of inmates who contested their subjection to regimes of power. Colonization and Its Discontents Beverly C. Tomek, 2012-09-24 Pennsylvania contained the largest concentration of early America's abolitionist leaders and organizations, making it a necessary and illustrative stage from which to understand how national conversations about the place of free blacks in early America originated and evolved and, importantly, the role that colonization supporting the emigration of free and emancipated blacks to Africa played in national and international antislavery movements. Beverly C. Tomek's meticulous exploration of the archives of the American Colonization Society, Pennsylvania's abolitionist societies, and colonizationist leaders, both black and white, enables her to boldly and innovatively demonstrate that in Philadelphia, at least, the American Colonization Society often worked closely with other antislavery groups to further the goals of the abolitionist movement. In *Colonization and Its Discontents*, Tomek brings a much-needed examination of the complexity of the colonization movement by describing in depth the difference between those who supported colonization for political and social reasons and those who supported it for religious and humanitarian reasons. Finally, she puts the black perspective on emigration into the broader picture instead of treating black nationalism as an isolated phenomenon and examines its role in influencing the black abolitionist agenda. *Americans and Their Weather* William B. Meyer, 2014-10-10 This revealing book synthesizes research from many fields to offer the first complete history of the roles played by weather and climate in American life from colonial times to the present. Author William B. Meyer characterizes weather events as neutral phenomena that are inherently neither hazards nor resources but can become either depending on the activities with which they interact. Meyer documents the ways in which different kinds of weather throughout history have represented hazards and resources not only for such exposed outdoor pursuits as agriculture, warfare, transportation, construction, and recreation but for other realms of life ranging from manufacturing to migration to human health. He points out that while the weather and climate by themselves

have never determined the course of human events their significance as been continuously altered for better and for worse by the evolution of American life

Forging Freedom Gary B. Nash, 1988 This book is the first to trace the fortunes of the earliest large free black community in the U S Nash shows how black Philadelphians struggled to shape a family life gain occupational competence organize churches establish social networks advance cultural institutions educate their children and train leaders who would help abolish slavery

Ormond; or, the Secret Witness Charles Brockden Brown, 2009-09-15 As it tells the story of Constantia Dudley from her family's financial collapse to her encounters with a series of cosmopolitan revolutionaries and reactionaries Charles Brockden Brown's *Ormond; or, The Secret Witness* 1799 develops a sustained meditation on late Enlightenment debates concerning political liberty women's rights conventions of sex gender and their relation to the reshaping of an Atlantic world in the throes of transformation This edition of *Ormond* includes Brown's *Alcuin* 1798 an important dialogue on women's rights and marriage as well as his key essays on history and literature along with selections from contemporary writings on women's education and revolution debates that figure in the novel's background and in the charged atmosphere of the late 1790s

Ship of Death Billy G. Smith, 2013-11-28 It is no exaggeration to say that the *Hankey* a small British ship that circled the Atlantic in 1792 and 1793 transformed the history of the Atlantic world This extraordinary book uncovers the long forgotten story of the *Hankey* from its altruistic beginnings to its disastrous end and describes the ship's fateful impact upon people from West Africa to Philadelphia Haiti to London Billy G Smith chased the story of the *Hankey* from archive to archive across several continents and he now brings back to light a saga that continues to haunt the modern world It began with a group of high minded British colonists who planned to establish a colony free of slavery in West Africa With the colony failing the ship set sail for the Caribbean and then North America carrying as it turned out mosquitoes infected with yellow fever The resulting pandemic as the *Hankey* traveled from one port to the next was catastrophic In the United States tens of thousands died in Philadelphia New York Boston and Charleston The few survivors on the *Hankey* eventually limped back to London hopes dashed and numbers decimated Smith links the voyage and its deadly cargo to some of the most significant events of the era the success of the Haitian slave revolution Napoleon's decision to sell the Louisiana Territory a change in the geopolitical situation of the new United States and spins a riveting tale of unintended consequences and the legacy of slavery that will not die

Executing Democracy Stephen John Hartnett, 2012-01-01 *Executing Democracy Capital Punishment the Making of America 1683 1807* is the first volume of a rhetorical history of public debates about crime violence and capital punishment in America This examination begins in 1683 when William Penn first struggled to govern the rowdy indentured servants of Philadelphia and continues up until 1807 when the Federalists sought to impose law and order upon the New Republic This volume offers a lively historical overview of how crime violence and capital punishment influenced the settling of the New World the American Revolution and the frantic post war political scrambling to establish norms that would govern the new republic By presenting a macro historical overview

and by filling the arguments with voices from different political camps and communicative genres Hartnett provides readers with fresh perspectives for understanding the centrality of public debates about capital punishment to the history of American democracy

Down and Out in Early America Billy G. Smith, 2010-11-01 It has often been said that early America was the best poor man's country in the world. After all, wasn't there an abundance of land and a scarcity of laborers? The law of supply and demand would seem to dictate that most early American working people enjoyed high wages and a decent material standard of living. *Down and Out in Early America* presents the evidence for poverty versus plenty and concludes that financial insecurity was a widespread problem that plagued many early Americans. The fact is that in early America only an extremely thin margin separated those who required assistance from those who were able to secure independently the necessities of life. The reasons for this were many: seasonal and cyclical unemployment, inadequate wages, health problems including mental illness, alcoholism, a large pool of migrants, low pay for women, abandoned families. The situation was made worse by the inability of many communities to provide help for the poor except to incarcerate them in workhouses and almshouses. The essays in this volume explore the lives and strategies of people who struggled with destitution, evaluate the changing forms of poor relief, and examine the political, religious, gender, and racial aspects of poverty in early North America. *Down and Out in Early America* features a distinguished lineup of historians. In the first chapter, Gary B. Nash surveys the scholarship on poverty in early America and concludes that historians have failed to appreciate the numerous factors that generated widespread indigence. Philip D. Morgan examines poverty among slaves, while Jean R. Soderlund looks at the experience of Native Americans in New Jersey. In the other essays, Monique Bourque, Ruth Wallis Herndon, Tom Humphrey, Susan E. Klepp, John E. Murray, Simon Newman, J. Richard Olivas, and Karin Wulf look at the conditions of poverty across regions, making this the most complete and comprehensive work of its kind.

Rum Maniacs Matthew Warner Osborn, 2020-03-04 This important study explores the medicalization of alcohol abuse in the 19th-century US and its influence on American literature and popular culture. *Choice* In *Rum Maniacs*, Matthew Warner Osborn examines the rise of pathological drinking as a subject of medical interest, social controversy, and lurid fascination in 19th-century America. At the heart of that story is the disease that afflicted Edgar Allan Poe: *delirium tremens*. Poe's alcohol addiction was so severe that it gave him hallucinations such as his vivid recollection of standing in a prison cell, fearing for his life as he watched men mutilate his mother's body, an event that never happened. First described in 1813, *delirium tremens* and its characteristic hallucinations inspired sweeping changes in how the medical profession saw and treated the problems of alcohol abuse. Based on new theories of pathological anatomy, human physiology, and mental illness, the new diagnosis established the popular belief that habitual drinking could become a psychological and physiological disease. By midcentury, *delirium tremens* had inspired a wide range of popular theater, poetry, fiction, and illustration. This romantic fascination endured into the twentieth century, most notably in the classic Disney cartoon *Dumbo*, in which a pink pachyderm, marching

band haunts a drunken young elephant Rum Maniacs reveals just how delirium tremens shaped the modern experience of alcohol addiction as a psychic struggle with inner demons The Culture and Commerce of the Early American Novel Stephen Shapiro, 2010-11 Taking his cue from Philadelphia born novelist Charles Brockden Brown's *Annals of Europe and America* which contends that America is shaped most noticeably by the international struggle between Great Britain and France for control of the world trade market Stephen Shapiro charts the advent decline and reinvigoration of the early American novel That the American novel sprang so unexpectedly into published existence during the 1790s may be a symptom of the beginning of the end of Franco British supremacy and a reflection of the power of a middle class riding the crest of a new world economic system Shapiro's world systems approach is a relatively new methodology for literary studies but it brings two particularly useful features to the table First it refines the conceptual frameworks for analyzing cultural and social history such as the rise in sentimentalism in relation to a long wave economic history of global commerce second it fosters a new model for a comparative American Studies across time Rather than relying on contiguous time a world systems approach might compare the cultural production of one region to another at the same location within the recurring cycle in an economic reconfiguration Shapiro offers a new way of thinking about the causes for the emergence of the American novel that suggests a fresh way of rethinking the overall paradigms shaping American Studies From Empire to Humanity Amanda B. Moniz, 2016-06-01 *From Empire to Humanity* explores the shift from an imperial to a universal approach to humanitarianism as American and British compatriots adjusted to becoming foreigners to each other after the American Revolution **Taming Democracy** Terry Bouton, 2007-07-12 The narrative that has been passed down through the centuries is that the war was a triumph for ordinary people and their ideas of liberty and freedom In this highly provocative book Terry Bouton challenges this received wisdom about what was achieved in 1776 He argues that the American Revolution did not produce the democracy that was hoped for by the American people when they joined the Revolutionary movement Bouton looks at rich and poor urban and rural patriots and loyalists Revolutionary leaders and founding Fathers merchants and artisans farmers and laborers This economic and political analysis examines the effects of British taxation changes in global trade currency crises and how they impacted ordinary people who resisted the new federal Constitution and formed their own democratic initiatives **Arthur Mervyn; or, Memoirs of the Year 1793** Charles Brockden Brown, 2008-03-15 Set during the epic Philadelphia yellow fever epidemic of 1793 Charles Brockden Brown's classic gothic novel *Arthur Mervyn or Memoirs of the Year 1793* connects the outbreak with the upheavals of the revolutionary era and the murderous financial networks of Atlantic slavery This edition of *Arthur Mervyn* offers selections from key contemporary texts as well as excerpts from Brown's own writings on slavery race and the uses of history in fiction *Sensibility and the American Revolution* Sarah Knott, 2009 In the wake of American independence it was clear that the new United States required novel political forms Less obvious but no less revolutionary was the idea that the American people needed a new

understanding of the self Sensibility was a cultural m

Sensibility and the American Revolution Sarah

Knott,2012-12-01 In the wake of American independence it was clear that the new United States required novel political forms Less obvious but no less revolutionary was the idea that the American people needed a new understanding of the self Sensibility was a cultural movement that celebrated the human capacity for sympathy and sensitivity to the world For individuals it offered a means of self transformation For a nation lacking a monarch state religion or standing army sensibility provided a means of cohesion National independence and social interdependence facilitated one another What Sarah Knott calls the sentimental project helped a new kind of citizen create a new kind of government Knott paints sensibility as a political project whose fortunes rose and fell with the broader tides of the Revolutionary Atlantic world Moving beyond traditional accounts of social unrest republican and liberal ideology and the rise of the autonomous individual she offers an original interpretation of the American Revolution as a transformation of self and society *Life After Death* Lisa

Wilson,1992 Lisa Wilson traces the experiences of widows in a society that was developing a new ideology of proper female behavior Using wills court records almshouse registers correspondence and diaries to explore the lives of widows during this period Wilson alters our understanding of the diversity of women s experiences and adds a new dimension to the separate spheres explanation of gender roles For this group of early American women family concerns rather than the dictates of femininity lay at the core of their lives

Liberty's Prisoners Jen Manion,2015-10-29

Liberty s Prisoners examines how changing attitudes about work freedom property and family shaped the creation of the penitentiary system in the United States The first penitentiary was founded in Philadelphia in 1790 a period of great optimism and turmoil in the Revolution s wake Those who were previously dependents with no legal standing women enslaved people and indentured servants increasingly claimed their own right to life liberty and happiness A diverse cast of women and men including immigrants African Americans and the Irish and Anglo American poor struggled to make a living Vagrancy laws were used to crack down on those who visibly challenged longstanding social hierarchies while criminal convictions carried severe sentences for even the most trivial property crimes The penitentiary was designed to reestablish order both behind its walls and in society at large but the promise of reformatory incarceration failed from its earliest years Within this system women served a vital function and Liberty s Prisoners is the first book to bring to life the experience of African American immigrant and poor white women imprisoned in early America Always a minority of prisoners women provided domestic labor within the institution and served as model inmates more likely to submit to the authority of guards inspectors and reformers White men the primary targets of reformatory incarceration challenged authorities at every turn while African American men were increasingly segregated and denied access to reform Liberty s Prisoners chronicles how the penitentiary though initially designed as an alternative to corporal punishment for the most egregious of offenders quickly became a repository for those who attempted to lay claim to the new nation s promise of liberty

Historical Dictionary of the Early American

Republic Richard Buel Jr., Jeffers Lennox, 2016-12-20 The drafting and ratification of the federal constitution between 1787 and 1788 capped almost 30 years of revolutionary turmoil and warfare The supporters of the new constitution known at the time as Federalists looked to the new national government to secure the achievements of the Revolution But they shared the same doubts that the Anti federalists had voiced about whether the republican form of government could be made to work on a continental scale Nor was it a foregone conclusion that the new government would succeed in overcoming parochial interests to weld the separate states into a single nation During the next four decades the institutions and precedents governing the behavior of the national government took shape many of which are still operative today This second edition of Historical Dictionary of the Early American Republic contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 500 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about American history

Render Them Submissive Responses To Poverty In Philadelphia 1760 1800 Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Render Them Submissive Responses To Poverty In Philadelphia 1760 1800 PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making

research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Render Them Submissive Responses To Poverty In Philadelphia 1760 1800 PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Render Them Submissive Responses To Poverty In Philadelphia 1760 1800 free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Render Them Submissive Responses To Poverty In Philadelphia 1760 1800 Books

What is a Render Them Submissive Responses To Poverty In Philadelphia 1760 1800 PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Render Them Submissive Responses To Poverty In Philadelphia 1760 1800 PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Render Them Submissive Responses To Poverty In Philadelphia 1760 1800 PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Render Them Submissive Responses To Poverty In Philadelphia 1760 1800 PDF to another file format?** There are multiple ways to convert a

PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Render Them Submissive Responses To Poverty In Philadelphia 1760 1800 PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
