Reader's Guide to Literature in English Mark Hawkins-Dady, 2012-12-06 Reader's Guide Literature in English provides expert guidance to and critical analysis of the vast number of books available within the subject of English literature from Anglo Saxon times to the current American British and Commonwealth scene It is designed to help students teachers and librarians choose the most appropriate books for research and study **Restoration Tragedy, 1660-1720** Bonamy Dobrée, 1963 The Social Mode of Restoration Comedy Kathleen Martha Lynch, 1926 *A History of Restoration Drama 1660-1700* Allardyce Nicoll, 1928 **John Dryden** David J. Latt, Samuel Holt Monk, 1976-04-12 John Dryden was first published in 1976 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions This annotated bibliography represents a comprehensive updating of Samuel Holt Monk's earlier work also published by the University of Minnesota Press John Dryden A List of Critical Studies Published from 1895 to 1948 out of print Since the publication of that earlier bibliography the number of studies devoted to Dryden has more than tripled and thus this new bibliography is essential for scholars of Dryden or related aspects of seventeenth and eighteenth century English literature This volume contains four times as many entries as the earlier volume and there is an extensive introduction by Professor Latt which surveys the historical shifts in critical opinion of Dryden The new volume incorporates all of the listings contained in the first one The entries include works that focus directly on Dryden those that discuss Dryden's works in the context of other writers and those that investigate material of general importance to Dryden studies Dissertations from American German English and French universities are included Complete bibliographic information is provided for virtually every entry The listings are grouped in nine categories and there is an additional section which covers festschriften and other collections of essays Works of exceptional value and those which develop new points of view are so designated The publishing history of each item is included along with the standard bibliographic information The index includes topical as well as author entries **The Playgoer's Handbook to Restoration Drama** Malcolm Elwin, 1928 **The Progress of Drama, Through the Centuries**, 1927 **A History of Modern Culture** Preserved Smith, 2014-07-17 Published 1930 4 this two volume work considers the emergence of modern society in the wake of the Protestant reformation **Revival: A History of Modern Culture: Volume II (1934)** Preserved Smith, 2018-01-16 The understanding of history can be advanced only by the combination or alternation of analysis and synthesis Detailed research and generalizing survey are not antiethical but complementary For a long time however the specialist has reigned supreme in our schools The need is now surely for a return to synoptic writing The present work was undertaken to supply the need of a synthesis It is a map of a large region not a geological chart of a square mile or the plan of a single city Its value if any lies in its view of the interrelations of large tracts of social and intellectual life not in the
