The Blackhorse in Vietnam Donald Snedeker, 2020-04-14 This military history chronicles the combat operations of the

Blackhorse Regiment which paved the way for armored cavalry tactics in the Vietnam War South Vietnam September 1966 When the 11th Armored Cavalry Regiment came ashore at Vung Tau it faced a number of challenges In addition to the threat of the Viet Cong and the North Vietnamese Army the terrain and weather posed their own dangers adversely affecting the use of bulletproof vehicles and helicopters The dearth of doctrine and tactics for the employment of armored cavalry in a counterinsurgency was equally challenging especially during pre deployment training and initial combat operations But despite all this the leaders of Blackhorse Regiment found a way to accomplish their mission Within a year of their arrival in Vietnam Blackhorse troopers overcame ambushes that featured anti tank weapons numerous landmines and coordinated assaults They not only defeated an enemy division twice their size but also demonstrated how to succeed while operating on and off the roads in the jungle and during both the wet and dry seasons By the spring of 1967 army leaders were beginning to realize the value of troops stationed in Vietnam And with the Blackhorse Regiment leading the way armor came to be considered an essential part of the combat team Written by a Blackhorse veteran this regiment history features firsthand accounts from soldiers who served in Vietnam and Cambodia

The Twins Platoon Christy W. Sauro,2006-03-20 In the evening of June 28 1967 150 young Americans were sworn into the Marine Corps as part of the pre game ceremonies of a Minnesota Twins baseball game Before the end of the fourth inning these volunteers were being hustled on to buses on their way to boot camp It was a journey that would take them from a boyhood of baseball in the American heartland to manhood on the killing fields of Vietnam Christy Sauro was one of the Twins Platoon and in this book he tells what it was like from the pomp and ceremony of induction to the all too real initiation by fire that would shortly follow in mere months he and most of the Twins Platoon were on the ground in Vietnam and promptly faced with some of the toughest fighting of the war the Siege of Khe Sanh and the Tet Offensive including the brutal Battle for Hue From baseball to boot camp to brutal combat his is a firsthand story of American life being lived at the limits and changed forever

War Paint Robert E. Mallory,2021-10-25 This is my story as an American Indian leaving the reservation enlisting in the U S Army in 1967 and going to war in Vietnam as so many other American Indians did The Indians came from all the nations We enlisted to become warriors like so many of our ancestors As a young Indian boy who had never left the reservation before I saw many similarities to my home in this strange and beautiful country in the trees the creeks and the rivers These are my recollections of the firefights I participated in and the day to day life we infantrymen endured It was said that Company C also known as Charlie Company was given the name Bandido when a commander was flying over a group of soldiers as they waited in a landing zone to be picked up Looking down at the men he said Those men look like Bandidos And from that time on they became Bandido Charlie Today Bandido Charlie still rides with the 1st Infantry Division not as an infantry company but as an armored company The story of Firebase Cudgel is one of many battles and firefights that the 5th Battalion 60th Infantry 3rd Brigade 9th Infantry Division were participants in during their combat time in Vietnam
