## **Sapphos Leap:**

**Sappho's Leap** Erica Jong, 2013-10-08 The 1 New York Times bestselling author of *Fear of Flying* brings the seductive Greek poet to life in this enormously entertaining tale Booklist As she stands poised at the edge of a precipice in the shadow of the sanctuary of Apollo the greatest love poet who ever was or ever will be recalls the eventful fifty years that have led her to this moment It was love that seduced her at age sixteen into an ill fated plot with the poet Alcaeus to depose the despot of the island of Lesbos It was love that made her trade the unwanted marriage bed of an old despised and drunken husband for a seemingly endless series of lovers both male and female For Sappho life has always been a banquet to be savored to the fullest a strange and sensual odyssey that has carried her to the far corners of the ancient world Devoted to the goddess Aphrodite and granted the gift of immortal song she has followed her magnificent destiny from Delphi to Egypt to the land of the Amazons the realm of the centaurs and into the stygian depths of Hades itself often in the company of her companion and friend the fabulist slave Aesop Through every grand affair and every wild adventure she has remained forever true to her heart her passion and herself right up to this the end of everything Combining evocative and realistic detail with unabashedly outrageous invention Erica Jong's *Sappho's Leap* is a flawless gem of historical fiction boldly imagined by one of America's most enthralling storytellers This ebook features an illustrated biography of Erica Jong including rare photos and never before seen documents from the author's personal collection

**Sappho's Leap** Erica Jong, 2005-12 *Sappho's Leap* is a journey back 2000 years to inhabit the mind of the greatest love poet the world has ever known At the age of 14 Sappho is seduced by the beautiful poet Alcaeus plots with him to overthrow the dictator of the island and is caught and married off to a repellent older man in the hope that matrimony will keep her out of trouble Instead however it starts her off on a series of amorous adventures taking her from Delphi to Egypt and even to the Land of the Amazons and the shadowy realm of Hades

**Womanhood in Anglophone Literary Culture** Robin Hammerman, 2009-03-26 Taken together the fourteen essays in this collection contribute to the discourse of social conditions for literary women The essays examine relevant social intellectual and professional questions about the ways in which women writers contributed to conceptions of womanhood in nineteenth and twentieth century Anglophone literary culture Contributors to this collection describe and examine several nineteenth and twentieth century women writers responses to patriarchal assumptions about literary merit in genres including poetry and fiction *Womanhood in Anglophone Literary Culture* Nineteenth and Twentieth Century Perspectives will be of special interest to students and faculty of women's studies and literature written in the English language

*Sappho* Franz Grillparzer, 1858

**Victorian Sappho** Yopie Prins, 2020-12-08 What is Sappho except a name Although the Greek archaic lyrics attributed to Sappho of Lesbos survive only in fragments she has been invoked for many centuries as the original woman poet singing at the origins of a Western lyric tradition *Victorian Sappho* traces the emergence of this idealized feminine figure through reconstructions of the Sapphic fragments in late nineteenth century England Yopie Prins

argues that the Victorian period is a critical turning point in the history of Sappho's reception what we now call Sappho is in many ways an artifact of Victorian poetics Prins reads the Sapphic fragments in Greek alongside various English translations and imitations considering a wide range of Victorian poets male and female famous and forgotten who signed their poetry in the name of Sappho By declining the name in each chapter the book presents a theoretical argument about the Sapphic signature as well as a historical account of its implications in Victorian England Prins explores the relations between classical philology and Victorian poetics the tropes of lesbian writing the aesthetics of meter and nineteenth century personifications of the Poetess as current scholarship on Sappho and her afterlife Offering a history and theory of lyric as a gendered literary form the book is an exciting and original contribution to Victorian studies classical studies comparative literature and women's studies

**The Shadow of the Parthenon** Peter Green, 2008-12 A lively combination of scholarship and unorthodoxy makes these studies in ancient history and literature unusually rewarding Few of the objects of conventional admiration gain much support from Peter Green Pericles and the democracy of fifth century Athens are treated to a very cool scrutiny but he has a warm regard for the real virtues of antiquity and for those who spoke with an individual voice The studies cover both history and literature Greece and Rome They range from the real nature of Athenian society to poets as diverse as Sappho and Juvenal and all of them without laboring any parallels make the ancient world immediately relevant to our own There is for example a very perceptive essay on how classical history often becomes a vehicle for the historian's own political beliefs and fantasies of power The student of classical history will find plenty in this book to enrich his own studies The general reader will enjoy the vision of a classical world which differs radically from what he probably expects Ecstasy and Terror

Daniel Mendelsohn, 2019-10-08 The role of the critic Daniel Mendelsohn writes is to mediate intelligently and stylishly between a work and its audience to educate and edify in an engaging and preferably entertaining way His latest collection exemplifies the range depth and erudition that have made him required reading for anyone interested in dissecting culture The Daily Beast In *Ecstasy and Terror* Mendelsohn once again casts an eye at literature film television and the personal essay filtering his insights through his training as a scholar of classical antiquity in illuminating and sometimes surprising ways Many of these essays look with fresh eyes at our culture's Greek and Roman models some find an arresting modernity in canonical works *Bacchae* the *Aeneid* while others detect a Greek DNA in our responses to national traumas such as the Boston Marathon bombings and the assassination of JFK There are pieces on contemporary literature from the aesthetics of victimhood in Hanya Yanagihara's *A Little Life* to the uncomfortable mixture of art and autobiography in novels by Henry Roth Ingmar Bergman and Karl Ove Knausgård Mendelsohn considers pop culture too in essays on the feminism of *Game of Thrones* and on recent films about artificial intelligence a subject he reminds us that was already of interest to Homer This collection also brings together for the first time a number of the award winning memoirist's personal essays including his critic's manifesto and a touching reminiscence of his boyhood correspondence with the historical novelist Mary Renault who

inspired him to study the Classics     A Classical Dictionary: containing an account of the principal proper names mentioned in ancient authors ... Together with an account of coins, weights and measures, etc Charles ANTHON (LL.D.),1841     A Classical Dictionary Charles Anthon,1847     Sappho Marguerite Johnson,2013-10-16 This series of short incisive books introduces major figures of the ancient world to the modern general reader including the essentials of each subject's life works and significance for later western civilisation In the newly created tradition of the Ancients in Action series Marguerite Johnson has written a fascinating and accessible account of what remains of the life and works of the Greek poet Sappho Sappho's ancient biography is covered in addition to the post classical accounts of her life which continue to appear in a variety of creative and non creative contexts in contemporary literature and art Sappho's poetry essentially preserved in tantalising fragments is discussed in a series of thematic chapters that include her religious writings particularly directed to the goddess of love Aphrodite personal interpretations of mythological themes marriage hymns and love songs to female companions     **Sappho and Her Influence** David Moore Robinson,1924     *A hand-book for travellers in the Ionian islands, Greece, Turkey, Asia minor, and Constantinople* ,1845     *A Hand-book for Travellers in the Ionian Islands, Greece, Turkey, Asia Minor, and Constantinople* John Murray (Firm),John Murray,1845     *A Handbook for Travellers in the Ionian Islands, Greece, Turkey, Asia Minor and Constantinople* Murray,1845     *Reminiscences of Athens and the Morea, extr. from a journal of travels in Greece in 1839, by the late earl of Carnarvon, ed. by his son* Henry John G. Herbert (3rd earl of Carnarvon.),1869     Fictions of Sappho, 1546-1937 Joan DeJean,1989-10-18 Considering Sappho as a creature of translation and interpretation a figment whose features have changed with social mores and aesthetics Joan DeJean constructs a fascinating history of the sexual politics of literary reception The association of Sappho with female homosexuality has made her a particularly compelling and yet problematic subject of literary speculation and in the responses of different cultures to the challenge the poet presents DeJean finds evidence of the standards imposed on female sexuality through the ages She focuses largely though not exclusively on the French tradition where the Sapphic presence is especially pervasive Tracing recreations of Sappho through translation and fiction from the mid sixteenth century to the period just prior to World War II DeJean shows how these renderings reflect the fantasies and anxieties of each writer as well as the mentalit of his or her day     *The Academy and Literature* ,1890     The academy ,1890     **On the Track of Ulysses** William James Stillman,1888     *Saffo - testimonianze e frammenti* Camillo Neri,2021-10-04 A fine tuning of Sappho was necessary after new papyrus acquisitions have integrated the poetess corpus dated glorious editions and updated a critical debate that introduced new views in the study of ancient poetry and forced to rethink the productive dynamics performative occasions contexts and social functions literary dimension of archaic Greek lyric Therefore Camillo Neri does not limit himself to update previous works since Sappho is in the singular position of object a of good although partial critical editions but without translation and commentary b of good translations but without critical text and often without commentary c of good commentaries but
