Sara Lidman I Liv Och Text:

Sara : i liv och text Birgitta Holm, 2016-10-03 I snart ett halvt sekel har Sara Lidman haft en central ställning i det intellektuella och kulturella livet i Sverige som litterär språknyare och som gnistrande och färgelseväckande kvinna med egen och ljudande röst. Det är en händelse när vi nu nämligen får läsa den första samlade framställningen om hennes liv och verk. Birgitta Holm har haft tillgång till hela det rika källmaterialet och till författarens egna minnen och kommentarer. Hennes bok är ett porträtt av Sara Lidman i helfigur. Med utgångspunkt i en av de fattigaste folkgrupperna i Sverige i en västerbottnisk småbrukarby gjorde Sara Lidman rhundradets debut 1953 med romanen Tjurdalen karakteriserad som en stilistisk eruption. Därför tog hon steget ut i världen för att lägga fram med Jernbaneeposet komma tillbaka till byn. Birgitta Holm följer denna tredelning av hennes liv och hennes bok blir på så vis också en skildring av svensk nittonhundratals historia ur sociala, ideologiska och kulturella aspekter. Men framför allt skärker den en fascinerande inblick i den konstnärliga tillkomstprocessen, hur intryck och idéer förnas med privata bejler och skapar den väv som en text är. Birgitta Holm är docent i litteraturvetenskap och har länge verkat som essäist och kritiker. Tidigare böcker har behandlat Gösta Oswald Fredrika Bremer och Selma Lagerlöf.

Sara Lidman - i liv och text Birgitta Holm, 2005 True North B.J. Epstein, 2014-06-02 True North Literary Translation in the Nordic Countries is the first book to focus solely on literary translation from to and between the Nordic tongues. The book is divided into three main sections: These are novels, children's literature and other genres encompassing drama, crime fiction, sagas, cookbooks and music, although naturally there are connections and overlapping themes between the sections. Halldor Laxness, Virginia Woolf, Selma Lagerlöf, Astrid Lindgren, Mark Twain, Henrik Ibsen, Henning Mankell, Janis Joplin and Jamie Oliver are just some of the authors analysed. Topics examined include particular translatorial challenges, translating for specific audiences or influencing audiences through translation, the functions of translated texts, the ways in which translation can change a genre, the creation of identity through translation and more. As is clear from this list, many of the theories proposed and findings discussed here are also relevant to the wider field of translation studies as well as to literary studies more generally. It is time for the world's growing Nordicmania to influence the field of translation studies and for translation to take its place as a relevant and essential issue in our understanding of the Northern countries. The varied chapters in this book will contribute to these stimulating and critical conversations.

Stieg Larsson Jan-Erik Pettersson, 2011-09-06 Stieg Larssons former publisher reveals the real man behind the mega bestselling Millennium Trilogy: a man who fought heroically for human rights and who brought that same political and moral passion to his writing. Until the trilogy's posthumous publication, Larsson was best known for his devotion to left-wing causes and as a tireless anti-fascist activist. Horrified by the rise of far-right extremism in Sweden, he dedicated himself to exposing these often shadowy and violent groups at great personal risk, gaining international respect for the depth of his commitment and knowledge. Jan-Erik Pettersson shows how Stieg's energetic championing of social justice and women's

rights characterized his life as well as his work finally animating the Millennium Trilogy and particularly the character of the unforgettable Lisbeth Salander Throughout the book Pettersson explores the issues people and places who inspired Larssons portrayal of Salander and her champion journalist Michael Blomkvist Sweden and National Liberation in Southern Africa Tor Sellström,1999 In 1969 the Swedish parliament endorsed a policy of direct assistance to the liberation movements in Southern Africa Sweden thus became the first Western country to enter into a relationship with organizations that elsewhere in the West were shunned as Communist or terrorist This book the first in a two volume study on Sweden the regional struggles for majority rule national independence traces the background to the relationship Presenting the actors factors behind the support to MPLA of Angola FRELIMO of Mozambique SWAPO of Namibia ZANU ZAPU of Zimbabwe ANC of South Africa it addresses the question why Sweden established close relations with the very movements that eventually would assume state power in their respective countries The second volume later this year will discuss how the support was expressed covering the period from 1970 until the democratic elections in South Africa in 1994 **Socio-Spatial Theory in Nordic Geography** Peter Jakobsen,Erik Jönsson,Henrik Gutzon Larsen,2022-05-30 This open access book is about socio spatial theory in and the nature of Nordic geography From both historical and contemporary perspectives the book engages with theorisations of geography in the Nordic countries Including chapters by geographers from Denmark Finland Iceland Norway and Sweden it reflects how theories about the relations between the social and the spatial have been developed adopted and critiqued in Nordic human geography in relation to a wide range of themes concepts and approaches The book also traces institutional developments distinct geographical traditions and intellectual histories as well as authors own experiences as geographers in and beyond the Nordic area The chapters together introduce and engage with debates and discussions that permeate Nordic geography and allows readers a glimpse of geographical thinking and the role of socio spatial theory in the Nordic countries By providing insights into how geographical ideas emerge travel and are translated and adapted in specific contexts the book contributes to debates about historical geographical situatedness and theorisations of geography Om Bära mistel av Sara Lidman Maria Zennström,2015-05-12 Nyskrivet f rord av f rfattaren och kritikern Maria Zennstr m till Sara Lidmans B ra mistel Om B ra mistel B ra mistel r en roadmovie med mestadels norrbottnisk fond Nattajaure Sitarangi Nattspr nget och ett n stan Felliniskt persongalleri Det r ber ttelsen om den om jluga aldrig f rverkligade sm rtsamma k rleken mellan dragspelsdrottningen Linda St hl och den homosexuelle Bj rn Ceder M nniskorna r heta exalterade storslagna De drivs av sexualitet skuld sm rta B ra mistel r en av de vackraste k rleksromaner som skrivits p svenska SARA LIDMAN 1923 2004 f ddes i Missentr sk J rn i V sterbotten Hon debuterade 1953 med romanen Tj rdalen och fick ett omedelbart genombrott B ra mistel 1960 var hennes fj rde roman **The Historical Novel, Transnationalism, and the Postmodern Era** Susan Brantly,2017-02-17 This book explores the genre of the historical novel and the variety of ways in which writers choose to represent the past demonstrating how histories can communicate across national borders

often by invoking or deconstructing the very notion of nationhood It traces how concerns of the postmodern era such as critiques of historiography colonialism identity and the Enlightenment have impacted the genre of the historical novel and shows this impact has not been uniform throughout Western culture Historical novels from England America Germany and France are compared and contrasted with historical novels from Sweden testing a variety of theoretical perspectives in the process

litteraturhistoria belyses Birgitta Birgersdotter på 1300-talet och slutpunkt för Birgitta Stenberg på 1900-talet. Däremellan kommer författare som Agneta Horn, Hedvig Charlotta Nordenflycht, Märta Helena Reenstierna, Victoria Benedictsson, Elin Wägner. Metoden är att ligga nära texterna men förstå länken mellan tillvaron och samhällets grundvalar. Vad har det skrivna ordet att säga om vår värld mot föreställningarna och folkslag emellan. I följande bok berättar Birgitta Holm om att en av de stora litteratursupplevelserna i hennes liv var när hon på 50-talet läste Erich Auerbachs *Mimesis*. Verklighetsframställningen i den västerländska litteraturen. Auerbachs undersökning gäller de tillfällena i Västerlandets historia där man gör annat. Visar sig de tillfällena i det vardagliga praktiskt enkla i livet blir för en allvarlig problematisk och tragisk behandling. Auerbach följer den västerländska litteraturen från den episod i *Odysséen* där Odysseus på ett sätt på hans ben till det ögonblick där Mrs Ramsay möter den bruna strumpan mot sonens ben i Virginia Woolfs *To the Lighthouse*. Två vardagliga episoder där det är karaktären som kvinnans blick som gäller. Men är karaktären bara så undrar förstås kvinnolitteraturforskaren Birgitta Holm. Finns det inte snarare goda skäl att misstänka att kvinnor verkar ha kunnat stå för sådana ögonblick. Har inte kvinnorna genom historien varit överdödade i det vardagliga. Nog kan man förstå sig att kvinnor erbjuder ett nytt tilltal och en ny blick på ting som inte kommer till tals i litteraturen. Det har varit Birgitta Holms dröm att följa Auerbach i spåret. Att liksom han göra nedslag i texter som hon är kär på eller tycker om. Att på svensk botten undersöka var och hur en ny verklighet bryter in och en ny verklighetsgestaltning tar form. Men med fokus på kvinnorna.
