Unseen (with bonus novella "Busted") Karin Slaughter,2013-07-02 NEW YORK TIMES BESTSELLER Detectives lovers and enemies face off in an unforgettable battle between righteous courage and deepest evil from one of the best crime novelists in America The Washington Post WATCH WILL TRENT ON ABC Compelling Slaughter balances a complex plot with believable twists while sensitively exploring her realistic characters emotions and problems South Florida Sun Sentinel With the bonus story Busted Will Trent is a Georgia Bureau of Investigation agent working undercover in Macon Georgia posing as Bill Black a scary ex con who trails an air of violence wherever he goes The cover has worked and he has caught the eye of a wiry little drug dealer who thinks he might be a useful ally But there s a problem Cut off from the support of the woman he loves Sara Linton Will finds his demons catching up with him Although she has no idea where Will has gone or why Sara herself has come to Macon because of a cop shooting Her stepson Jared has been gunned down Suddenly without even knowing it Sara finds herself involved in the same case that Will is working with danger swirling around both of them A novel of fierce intensity shifting allegiances and shocking twists Unseen is an electrifying thriller and a piercing study of human nature what happens when good people face the unseen evils in their lives *Rock-Bottom Blessings* Karen

Beattie,2013-01-01 What does it mean to live an abundant life Some might say living abundantly means living comfortably having the family you always dreamed of receiving accolades from your peers in short living a life that is commonly accepted by many as blessed But what if having an abundant life is more than the good life Can we actually be blessed in the midst of serious disappointments and setbacks In *Rock Bottom Blessings* Karen Beattie makes the case that true abundance is found

in the transformation that happens when we experience God's presence during periods of grief, loss and disappointment. With the help of her friends and her newfound Catholic faith, she learns to trust that God's plan is better than hers. Beattie began to see life's challenges as gifts to be accepted like all other gifts with reverence and gratitude. Beattie's story makes abundantly clear it is the suffering, death and resurrection of Christ, the paschal mystery, that can inspire us not only to find blessings in every season of our lives but to be utterly transformed by God's riches. *Living with the Monks* Jesse Itzler, 2018-05-29 Equal parts memoir and road map to living a less stressful and more vibrant life, bestselling author Jesse Itzler offers an illuminating, entertaining and unexpected trip for anyone looking to feel calmer and more controlled in our crazy, hectic world. Entrepreneur, endurance athlete and father of four, Jesse Itzler only knows one speed: Full Blast. But when he felt like the world around him was getting too hectic, he didn't take a vacation or get a massage. Instead, Jesse moved into a monastery for a self-imposed time out. In *Living with the Monks*, the follow-up to his New York Times bestselling *Living with a SEAL*, Jesse takes us on a spiritual journey like no other. Having only been exposed to monasteries on TV, Jesse arrives at the New Skete religious community in the isolated mountains of upstate New York with a shaved head and a suitcase filled with bananas. To his surprise, New Skete monks have most of their hair. They're Russian Orthodox, not Buddhist, and they're also world renowned German shepherd breeders and authors of dog training books that have sold in the millions. As Jesse struggles to fit in amongst the odd but lovable monks, self-doubt begins to beat like a tribal drum. Questioning his motivation to embark on this adventure and missing his family and phone, Jesse struggles to balance his desire for inner peace with his need to check Twitter. But in the end, Jesse discovers the undeniable power of the monks and their wisdom and the very real benefits of taking a well-deserved break as a means of self-preservation in our fast-paced world. *Sara, Whenever I Hear Your Name* Jack Weyland, 1987 A fifteen-year-old Mormon falls in love with a pregnant teenager who has moved into a foster home after being sexually abused by her stepfather. *I'm Watching You* Mary Burton, 2017-04-25 A Virginia detective's estranged wife is targeted by an obsessive killer in this psychological thriller by the New York Times bestselling author. The first kill was easy. The second much easier. No guilt, no remorse, just a rush of adrenaline surging through him as each life drains away and the pleasure of knowing their deaths help his beloved Lindsay. And there are so many more who deserve to die. Lindsay O'Neil's secret past is suddenly coming back with a vengeance. When she receives a twisted gift hidden in a bouquet of flowers, the detective assigned to the case is also her estranged husband. Only Zack knows the dark secret she lives with or so she thinks. Now nothing can prepare her for the nightmare to come. Because everything Lindsay's stalker does is for her. And spurning his gifts will only unleash the rage of a madman who's far closer than she imagines. Creepy and terrifying, it will give you chills. RT Book Reviews
