Enough John C. Maxwell, 2007-04-01 It's what you add to your talent that makes the greatest difference. With authentic examples and time-tested wisdom, Maxwell shares thirteen attributes you need to maximize your potential and live the life of your dreams. New York Times best-selling author John C. Maxwell has a message for today's corporate culture fixated on talent above all else: It's not enough just to be talented. You have to learn how to use that talent. Some talented people reach their full potential while others self-destruct or remain trapped in mediocrity. What makes the difference? Maxwell, the go-to guru for business professionals across the globe, insists that the choices people make, not merely the skills they inherit, propel them onto greatness. Among other truths, successful people know that Belief lifts your talent, Initiative activates your talent, Focus directs your talent, Preparation positions your talent, Practice sharpens your talent, Perseverance sustains your talent, Character protects your talent, and more. You can have talent alone and fall short of your potential. Or you can have talent plus and really stand out.
