affected by the changes they made to the canon of Scripture over many centuries They will not consider the canons of Orthodox Churches or others because they vary in different regions of the world So is European Christianity based in the Vatican City right about all its holy scriptures while everyone elses church scriptures are false scriptures Ethiopia it seems got most books of scripture right even with their translation into an ancient language      **Girl Warriors** Rachel Sarah,2021-04-06 It gives me true hope to read about the phenomenal young women of Girl Warriors Their fierce commitment to the future of our precious planet is as inspiring as it is vital Kate Schatz New York Times bestselling author of Rad American Women A Z and Rad Women Worldwide 2021 Skipping Stones Honors Book in Nature and Ecology Girl Warriors How 25 Young Activists Are Saving the Earth tells the stories of 25 climate leaders under age 25 They ve led hundreds of thousands of people in climate strikes founded non profits given TED talks and sued their governments These young eco activists present a hopeful picture of the future of environmentalism These fearless girls and young women from all over the world are standing up to demand change when no one else is      **Lilah** Marek Halter,2006 Sarah Abraham s barren wife brought her personal destiny to bear in the creation of a new religion Zipporah Moses wife fought against racism and exclusion By speaking out against religious extremism of which women are the first victims Lilah proves herself a champion of freedom      *The Lady and the Gambler* Leonard Raborn,2013-01-11 Bob woke up from his nap and looked in surprise the girl lying on his bed Then he recalled everything and smiled Gingerly approaching the bed he came and lay done beside her and held her in his arms He resolved that he would save closer intimacies for later and felt amazement that he had found someone other than the loose women that he usually was with In what could either be fate or pure circumstance Bob and Sarah meet in a casino Bob is a gambler and businessman and Sarah is a church going lady In the course of their relationship they change each other s lives Sarah becomes more care free and Bob becomes more responsible and caring They discover what it really means to love
