Reilly, 2001 Sarah Jane Foster of Gray Maine was one of the hundreds of northerners who went South to teach the freedmen after the Civil War Armed with missionary zeal and formidable courage they set forth to attend to the souls as well as the minds of the former slaves Like Foster they often faced privation and occasionally danger from local whites in the politically charged atmosphere of the Reconstruction era South Here for the first time is Sarah Jane Foster s account of her teaching experiences in Martinsburg and Harper s Ferry West Virginia There her devotion to the principle of living according to her belief in the equality of the races led to her public disgrace and the loss of her teaching position with the Freewill Baptist Home Mission Society Her determination to teach the freedmen yielded another commission with the American Missionary Association a year later Exiled to a black operated farm in a rural corner of Charleston South Carolina she contracted yellow fever at the end of the school year and died upon returning to her home in Maine at the age of twenty eight In addition to seven months of her 1866 diary the volume includes twenty three letters she wrote to a Portland Maine newspaper during 1865 68 from West Virginia and South Carolina and some samples of her published fiction and poetry Page 4 of cover

argues were embedded in the passionate individualism exuberant expressive forms and profound faith of believers in the region Harvey explains how black and white religious folk within and outside of mainstream religious groups formed a southern evangelical counterculture of Christian interracialism that challenged the theologically grounded racism pervasive among white southerners and ultimately helped to end Jim Crow in the South Moving from the folk theology of segregation to the women who organized the Montgomery bus boycott from the hymn inspired freedom songs of the 1960s to the influence of black Pentecostal preachers on Elvis Presley Harvey deploys cultural history in fresh and innovative ways and fills a decades old need for a comprehensive history of Protestant religion and its relationship to the central question of race in the South for the postbellum and twentieth century period
