Sarah's Journey of Faith Sarah Liu, 2014-03 Life abounds with crises disappointments mundane routines and some very joyful moments Everything that happens has a cause We often don't take time to reflect on purposes or we simply explain events away with simplistic explanations of either good or bad luck Totally unaware of real causes behind life events we easily move on to the next day the next week and the next year In a gentle way Sarah Liu leads the reader on a walk through events from her childhood in China and shows the handprint of God on these vignettes of her life As she reflects on what God accomplished through joys crises disappointments and ordinary family life she invites readers to reflect on their own life experiences to detect the hand of God Her conviction that God selects and covers with grace regardless of man's perceptions runs throughout her stories and provides encouragement and inspiring faith and trust This book provides encouragement for anyone praying for a loved one to come to God but also provides rich inspiration for those with pressing questions about the meaning and purpose of life's crises and disappointments Parents pastors ministers teachers and leaders would be inspired by this devotional written from a genuine passion to explore God's present action in life's daily events
