Sarah's Christmas Rebekah Choltus, 2012-06-21 Told in the voice and with the wonder of a little girl finding the family Christmas tree Sarah's Christmas is a story about a girl who loves Christmas time and all of the wonders that go along with it Sarah will take you along for a ride with her family tobogganing down the snowy hills of Oregon and through the woods just to find that special Christmas tree Come and see what Christmas time is all about with Sarah Rebekah L Choltus grew up in the beautiful Oregon country side Without a television set in her family home imagination was and still is what she thrives on Rebekah loves life with her husband and two boys without whom this book would not have been written Their support and love and family times have inspired Rebekah to write this second children's story hence the birth of Sarah's Christmas

Sarah's Christmas Crown Marty Grimes, 2020-06-19 It's Christmas Eve and four year old Sarah is in for a lovely life changing surprise Sarah's Christmas Crown documents the awe and wonder reflected in her reaction to an explanation of the Christmas story that reaches her open innocent heart Sarah's grandmother was there that special night to draw inspiration for this story Illustrator Judy Findley brings the storyline beautifully to life with a Sarah whose radiant smile will win many hearts May Sarah's Christmas Crown be a delightful read for young and old alike And may the truth of Jesus birth story bring joy and wonder to Sarah's readers all through the year

The Last Year of Being Married Sarah Tucker, 2012-03-15 Breaking up is hard to do A tipsy confession of infidelity during their engagement hadn't been the best start to Sarah's marriage Blurting it out on their honeymoon wasn't exactly the best timing either Still how could he complain It had taken Paul O Brian five years to propose and even then he'd made only occasional guest appearances in Sarah's bed Briefly aroused by a luxury holiday he'd since managed to father their adorable son now three years old otherwise the ring on Sarah's finger signified little more than a shrewd purchase But now Paul had decided it was time to cut their losses With a divorce What had happened to them Weren't they once the perfect couple Surely her savvy city guy husband hadn't fallen prey to that humiliating cliché the seven year itch Thrown into a state of denial then self doubt followed by determination not to go under without a fight Sarah is catapulted into an unforgettable last year of being married Outrageously sexy bitinglly witty uncompromisingly truthful Sarah pulls no punches as she explodes the myth of happily ever after once and for all
