Moore, 2015-01-24 The hard boiled private detective is among the most recognizable characters in popular fiction since the 1920s a tough product of a violent world in which police forces are inadequate and people with money can choose private help when facing threatening circumstances Though a relatively recent arrival the hard boiled detective has undergone steady development and assumed diverse forms This critical study analyzes the character of the hard boiled detective from literary antecedents through the early 21st century It follows change in the novels through three main periods the Early roughly 1927 1955 during which the character was defined by such writers as Carroll John Daly Dashiell Hammett and Raymond Chandler the Transitional evident by 1964 in the works of John D MacDonald and Michael Collins and continuing to around 1977 via Joseph Hansen Bill Pronzini and others and the Modern since the late 1970s during which such writers as Loren D Estleman Liza Cody Sara Paretsky Sue Grafton and many others have expanded the genre and the detective character Themes such as violence love and sexuality friendship space and place and work are examined throughout the text

[Saratoga Hexameter](#) Stephen Dobyns, 2013-08-01 Everyman detective Charlie Bradshaw lands deep trouble in his sixth mystery in Saratoga Springs. Three puzzles revolving around poems come together in a perplexing case: an octogenarian in a nursing home writes a strange verse about the death of one of the carers; robberies at the Bentley Hotel are accompanied by a rhyme left by the burglar; and a poetry critic is attacked. Into this mess stumble Charlie and his ineffectual companion Victor Plotz. One terrible disguise and some very suspect sleuthing later, and our heroes are in trouble again. **Dance in Saratoga Springs** Denise Warner Limoli, 2013-05-14 Known to aspiring dancers and ballet enthusiasts worldwide, Saratoga Springs is much more than the home of the National Museum of Dance. The arts have always been nurtured in the Spa City, and in 1964 the world famous founder of the New York City Ballet, George Balanchine, decided to make the new Saratoga Performing Arts Center his company's summer home. The company has brought some of the world's most famous dancers and choreographers to Saratoga ever since. Skidmore College offered one of the best dance programs in the nation, and several prestigious academies and summer programs have made Saratoga their home, helping young people from Lake Avenue and around the world achieve that illustrious dream of dancing professionally. Skidmore dance professor Denise Warner Limoli narrates this beautiful history from turn of the century floral fetes to today's vibrant dance community.
