*Saskatchewan History*, 1984      **Saskatchewan History Along the Highway** Bob Weber, 1998 A traveler's guide to the fascinating facts intriguing incidents and lively legends in Saskatchewan's past Cowboys and fur traders proud Indians and rebel M.T.'s socialist saints spiritual Czars frauds booze kings dilettante party boys resolute homesteaders they all crowd the stage of Saskatchewan History Along the Highway Using the province's major highways as pathways into history Bob Weber points to the when and where of Saskatchewan's vivid past and in the process pens the first new travel history book on the province in more than twenty years      Strangers in the House Candace Savage, 2019-09-24 A renowned author investigates the dark and shocking history of her prairie house When researching the first occupant of her Saskatoon home Candace Savage discovers a family more fascinating and heartbreaking than she expected Napol on Sureau dit Blondin built the house in the 1920s an era when French speakers like him were deemed undesirable by the political and social elite who sought to populate the Canadian prairies with WASPs only In an atmosphere poisoned first by the Orange Order and then by the Ku Klux Klan Napol on and his young family adopted anglicized names and did their best to disguise their foreignness In Strangers in the House Savage scours public records and historical accounts and interviews several of Napol on's descendants including his youngest son to reveal a family story marked by challenge and resilience In the process she examines a troubling episode in Canadian history one with surprising relevance today Published in Partnership with the David Suzuki Institute      *Canadian Books in Print. Author and Title Index*, 1975      The Literary History of Saskatchewan: Volume 1 David Carpenter, 2013-02-01 Saskatchewan's literary history is both colourful and complex It is also mature enough to deserve a critical investigation of its roots and origins its salient features and its prominent players This collection of scholarly essays conceptualized and compiled by well known Saskatchewan novelist essayist and scholar David Carpenter examines the Saskatchewan literary scene from its early Aboriginal storytellers on through to the decades to the burgeoning 1970s The dozen essays preceded by a David Carpenter introduction include such topics as Our New Storytellers Cree Literature in Saskatchewan The Literary Construction of Saskatchewan before 1905 Narratives of Trade Rebellion and Settlement and The New Generation The Seventies Remembered Also included are special topics among them Playwriting in Saskatchewan Feral Muse Angelic Muse The Poetry of Anne Szumigalski and tribute pieces to John V Hicks R D Symons Terrence Heath and Alex Karras Contributing scholars include the likes of Kristina Fagan Jenny Kerber Susan Gingell Ken Mitchell and Martin Winquist      **The Story of Canadian Roads** Edwin C. Guillet, 1968-12-15 From the portage trails snaking their way through the wilderness to superhighways carrying the raw materials and produce of an industrial nation Canada's roads have had a romantic but long neglected history For the first time their development is described in this handsomely illustrated volume by a distinguished Canadian historian Mr Guillet has written a book which is often humorous and always human to be enjoyed by readers of many ages It contains nearly two hundred sketches engravings paintings and

photographs most of them contemporary gathered from archives and libraries across the country and well displayed in the specially chosen large format Few are generally available elsewhere For school and public libraries as well as the general reader this book documents a fascinating aspect of Canada s social history **L. **Challenges Bequeathed** ,2009-01-01 In this thoughtful and provocative collection of essays a group of scholars from varied backgrounds and interests have each taken up the educational challenges bequeathed by Dwayne Huebner in his 1996 essay *Challenges Bequeathed* Huebner encouraged educators to surpass the technical foundations of education affirm the significance of the imagination use the world's intellectual traditions and achievements engage in public discourse about education and speak out for children and youth Each author has extended and in some ways transcended the discussion of these five challenges yet still draw upon the considerable contribution Dwayne Huebner has made to the field of education The writers in this volume grapple with the complexities of teaching and learning as always in process and as always relational of schools as sites of creative and imaginative acts of knowing and being The book begins with Huebner's 1996 essay wherein he delineates the challenges for educators as he perceived them Readers are invited to begin with this chapter However after taking in Professor Huebner's prescience his ability to see years in advance of everyone else what is deeply at work in present times where it is headed and what needs to be done about it Smith this volume we encourage readers to dip into this volume randomly rather than in sequential order While doing so it is important to be mindful that these challenges do not exist in isolation of each other rather they are inextricably linked in myriad ways Each one of these challenges requires consideration of classroom spaces the individuals who occupy these spaces and how these spaces are influenced by external forces Tupper this volume We invite you to take up a challenge

[The Canadian Encyclopedia](#) James H. Marsh,1999 This edition of The Canadian Encyclopedia is the largest most comprehensive book ever published in Canada for the general reader It is COMPLETE every aspect of Canada from its rock formations to its rock bands is represented here It is UNABRIDGED all of the information in the four red volumes of the famous 1988 edition is contained here in this single volume It has been EXPANDED since 1988 teams of researchers have been diligently fleshing out old entries and recording new ones as a result

the text from 1988 has grown by 50% to over 4 000 000 words It has been UPDATED the researchers and contributors worked hard to make the information as current as possible Other words apply to this extraordinary work of scholarship AUTHORITATIVE RELIABLE and READABLE Every entry is compiled by an expert Equally important every entry is written for a Canadian reader from the Canadian point of view The finished work many years in the making and the equivalent of forty average sized books is an extraordinary storehouse of information about our country This book deserves pride of place on the bookshelf in every Canadian Home It is no accident that the cover of this book is based on the Canadian flag For the proud truth is that this volume represents a great national achievement From its formal inception in 1979 this encyclopedia has always represented a vote of faith in Canada in Canada as a separate place whose natural worlds and whose peoples and their achievements deserve to be recorded and celebrated At the start of a new century and a new millennium in an increasingly borderless corporate world that seems ever more hostile to national distinctions and aspirations this Canadian Encyclopedia is offered in a spirit of defiance and of faith in our future The statistics behind this volume are staggering The opening sixty pages list the 250 Consultants the roughly 4 000 Contributors all experts in the field they describe and the scores of researchers editors typesetters proofreaders and others who contributed their skills to this massive project The 2 640 pages incorporate over 10 000 articles and over 4 000 000 words making it the largest some might say the greatest Canadian book ever published There are of course many special features These include a map of Canada a special page comparing the key statistics of the 23 major Canadian cities maps of our cities a variety of tables and photographs and finely detailed illustrations of our wildlife not to mention the colourful informative endpapers But above all the book is encyclopedic which the Canadian Oxford Dictionary describes as embracing all branches of learning This means that with rare exceptions there is satisfaction for the reader who seeks information on any Canadian subject From the first entry A mari usque ad mare from sea to sea which is Canada s motto and a good description of this volume s range to the Zouaves who mustered in Quebec to fight for the beleaguered Papacy there is the required summary of information clearly and accurately presented For the browser the constant variety of entries and the lure of regular cross references will provide hours of fascination The word encyclopedia derives from Greek expressions alluding to a grand circle of knowledge Our knowledge has expanded immeasurably since the time that one mind could encompass all that was known Yet now Canada s finest scientists academics and specialists have distilled their knowledge of our country between the covers of one volume The result is a book for every Canadian who values learning and values Canada
