**SaskScandal** Gerry Jones, 2000 SaskScandal is the story of dirty politics fraud and abuse of public trust in Saskatchewan's Conservative government between 1982 and 1991 More than one million dollars in taxpayer's money went missing twenty one people were charged many of them former cabinet ministers from the Grant Devine government and fifteen have been convicted so far including former Deputy Premier Eric Bernstson Their legacy has been one of wide scale public disillusionment tainting the province's faith in the political system for years to come CBC investigative reporter Gerry Jones takes readers into the back rooms where dishonest politicians and party people schemed to defraud the public He follows the story through the courtroom right up to former Premier Grant Devine's doorstep exposing the levels of corruption numbered companies false expense claims and secret safety deposit boxes along the way Saskatchewan Premiers of the Twentieth Century Gordon L. Barnhart, 2004 From the optimism associated with provincial status in 1905 through the trials of Depression and war the boom times of the post war period and the economic vagaries of the 1980s and 1990s the twentieth century was a time of growth and hardship development challenge and change for Saskatchewan and its people And during the century twelve men from a variety of political parties and from very different backgrounds led the government of this province The names of some like T C Douglas and Roy Romanow are still household names while others like Charles Dunning and William Patterson have been all but forgotten Yet each in his unique way for better or for worse helped to mould and steer the destiny of the province he governed These are their stories *The Rise of the New West* John F. Conway, 2014-05-30 This one volume history chronicles a 150 year history of dramatic changes in fortune and attitudes in western Canada From the Riel Rebellions and the Winnipeg General Strike to the founding of the CCF Social Credit and Reform parties Canada's West has always been a hotbed of political social and economic change In the early twentieth century those calls for change emanated from the left as farmers and workers fought for social and economic justice In the past two decades the protests and calls for change emanated from the right as the region gained a new role for itself in Canada This history chronicles the rise and fall of such figures as Grant Devine Bill Vander Zalm Glen Clark Roy Romanow Stockwell Day and Lorne Calvert and the emergence of Stephen Harper and the federal Conservatives It describes how the West the political wellspring of progressive changes over the years has been transformed into the bastion of the right culminating in the virtual annihilation of the NDP in Saskatchewan the cradle of social democracy in Canada This is the updated fourth edition of John Conway's classic book originally published under the title *The West* Minding the Public Purse Janice MacKinnon, 2003 Janice MacKinnon became minister of Finance for the province of Saskatchewan in 1993 under NDP Premier Roy Romanow just as the province became the first casualty of the debt and deficit crises that dominated both provincial and federal politics throughout the decade Minding the Public Purse is a unique mixture of political memoir and policy analysis An insider's account of how Saskatchewan avoided fiscal catastrophe it reveals the dynamics of the federal

provincial finance ministers meetings that saw the rise of Paul Martin and his radical transformation of Canada's finances MacKinnon Canada's first female finance minister provides keen observations on how personalities and shared regional perspectives cut across party affiliations in the evolution of federal provincial deliberations on managing the debt crisis Although initially opposed to the radical cuts and downloading unilaterally imposed by the federal minister of Finance in his 1995 budget she now argues that they were essential and analyses how they have irrevocably transformed the Canadian federation MacKinnon provides a timely analysis of the implications of the fiscal crisis for the future of medicare and Canada's other social programs and shows why politicians must involve the Canadian public in an open and frank debate about the challenges and choices facing the nation *Canadian Book Review Annual* Joyce M. Wilson, 2001 Saskatchewan W. A. Waiser, Bill Waiser, 2005 In Saskatchewan A New History award winning author and historian Bill Waiser presents a fresh entertaining account and interpretation of Saskatchewan's unique and captivating history Writing with clarity candor and compassion Waiser describes in detail his province and its people through the stimulating often tumultuous years since joining Confederation in 1905 A gift to the province from the University of Saskatchewan written in commemoration of the province's centennial celebrations in 2005 Saskatchewan A New History tells above all the engaging stories of the people of Saskatchewan Their wisdom foresight bravery toil and eternal optimism gave birth to one hundred years of extraordinary history Waiser leaves no stone unturned as he records the events and stories of the people who experienced them from the province's earliest days when anything seemed possible through the years of the Great Depression when the prospect of greatness seemed all but lost to the second half of the century when an intense at times bitter debate raged over how best to govern Saskatchewan Relying on the most up to date historical research available he offers new perspectives on traditional views and tackles previously neglected often difficult concepts and events What is most striking about these images aside from the richness of their color and the skillful use of light are the happy smiling faces He could see things like no one else with a camera He had an uncanny skill to set the scene He caught people in everyday life and everyday activities and people wanted to have their picture taken by him Generously illustrated with carefully selected archival images and two sixteen page color inserts of commissioned photographs by Saskatoon's John Perret Saskatchewan A New History also pays a stunning visual tribute to the historical urban and natural splendour of Saskatchewan and its people Includes two 16 page color photo inserts by John Perret 205 Black and White photographs and illustrations 20 reference tables 15 maps and more Saskatchewan Book Award for Non Fiction nominee 2005 Saskatchewan Book Award for Scholarly Writing nominee 2005 Canadian Books in Print.
