As I grew up in the 50s we didn t hear anything about Bigfoot Growing up in the timber business and in the woods a lot I saw things that I questioned as to what made or caused them a small tree broke over up to eight to ten feet or trees in a teepee together or rocks piled on top of each other in places where no people would have been and where roots had been dug up and stumps dug up Bears do not do these kinds of things and we didn t have many bears in our area anyhow Then in the 70s the Bigfoot stories started mostly from the Western states and the Rocky Mountains So I stated putting two and two together if it was true a creature in the woods that would do all these things that I saw I started slowly becoming a believer in this creature What else would do all these things I never worried about what people thought of me So I started talking to people about Bigfoot and that I believed in them After a number of years these people started coming to me with these stories about their sightings Many people told me to write about Bigfoot so here it is the true stories of happenings from myself and other people Now do you believe **The Bigfoot Book** Nick Redfern,2015-08-17 The definitive guide to Bigfoot Sasquatch Yeti and other man primates from an established author and respected expert on the unexplained and paranormal Does a hulking hairy 800 pound nine foot tall elusive primate roam the woods and forests throughout North America and the world What should we make of the grainy videos and photos and the thousands of eyewitness reports Audio recordings exist purporting to be the creatures eerie chatter and bone chilling screaming Whether called Sasquatch Yeti Bigfoot or something else bipedal primates appear in folklore legends and eyewitness accounts in every state of the union and many places around the world The fascination with the man beast is stronger than ever in today s pop culture Exploring the history movies and literature the conspiracy theorizing and the world of the supernatural The Bigfoot Book The Encyclopedia of Sasquatch Yeti and Cryptid Primates is a comprehensive resource to the man beast With nearly 200 entries and 120 photographs drawings and illustrations it is the definitive guide to understanding hunting and avoiding the brute as well as discovering the facts behind the sightings and horrifying tales It covers 400 years of folklore mythology history and pop culture including Native American lore the wild men reports in the pages of 19th century era American newspapers Florida s Myakka Skunk Ape Australia s Yowie China s Yeren Himalayas Yeti Russian expeditions Harry and the Hendersons Exists and the countless movies titled Bigfoot as well as specials on the television shows Animal Planet Discovery Channel and National Geographic

Channel scientific reports and findings and much much more Various documentaries and reality television shows have all superficially tackled the subject but Nick Redfern presents a truly complete and comprehensive look at cryptid primates It is a richly researched reference overflowing with fascinating information to make readers think and reconsider their next camping trip

In Search of Giants Thomas Steenburg, 2000 The puzzle of Bigfoot has been ongoing since the first white men settled the West and heard stories from the Native population about strange and elusive large hairy creatures These stories have endured to present day and eyewitnesses continue to come forward Unfortunately no hard physical evidence has been produced In Search of Giants gives accounts of sightings that have occurred over the last twenty years throughout western Canada and the US Many of these encounters have never been written about before and all offer insight into this lasting mystery This book is sure to interest and intrigue even the most skeptical

The Locals Thom Powell, 2003 Bigfoots ARE The Locals They live here They were here before we humans showed up on the continent and they will likely outlast us This is a bigfoot book yet it probes much deeper than a simple treatment of the hackneyed question of Does Bigfoot Exist This book delves into such questions as why bigfoots exist why they behave as they do and why they have not yet been and may never be dragged into the spotlight of science and the media And don't look to science for answers because science is currently unequipped to shed any light on this profound anthropological mystery The author's personal experiences in investigation and experimentation of the bigfoot hypothesis are chronicled Frightening and humorous personal experiences are detailed in the manner of the genre we know of as the bigfoot book We have a lot to learn about The Locals and there is even more we could learn from The Locals

Murphy,2010 Learn about the sasquatch bigfoot from various perspectives The reader will gain from this work an appreciation of the creature far beyond that provided in most other published books on this subject In 2004 the first edition of this work Meet the Sasquatch accompanied a sasquatch exhibit at the Vancouver Museum British Columbia Canada In that same year it won the Anomalist Book of the Year Award in the category of best illustrated book It went on to accompany another major exhibit in 2006 at the Museum of Natural History Pocatello Idaho Over the last four years the book has found its way to thousands of sasquatch bigfoot enthusiasts world wide and has become an acknowledged classic in its field General feedback and comments from numerous researchers together with new findings indicated that the work should not be simply reprinted As a result it has been updated with a considerable amount of new material added and has now become **Know the Sasquatch Bigfoot** For this new edition Chris Murphy again consulted many major sasquatch bigfoot researchers scientists and others The information provided is the latest available and again is highly authoritative The title is intended to convey the message of knowing the sasquatch bigfoot from various perspectives The reader will gain from this work an appreciation of the creature far beyond that provided in most other published books on this subject **Is Bigfoot Real?** Patrick Perish,2013-08 Presents the evidence or lack thereof and stories of both reported sightings and hoaxes of the large hairy man like creature known as Bigfoot or Sasquatch *Know the Sasquatch/Bigfoot* Christopher Leo Murphy,2008 **Bigfoot Sasquatch Evidence** Grover S. Krantz,1999 A scientific look at the evidence surrounding the myth of the legendary beast Science requires solid evidence for the existence of a new species footprints and sightings by local people are never enough A type specimen must be obtained which is then described in a scientific journal and continues to be available for theory experts to examine For modern mammals this normally consists of a skin and skull that show distinctions from all similar specimens In his book Dr Krantz dissects the evidence out there using 1965 as the starting point Using science his discussions center on footprints sightings fossil records and of course the famous Patterson film He looks at the difficulty in faking evidence and explores the mythology of this creature *They Saw Sasquatch* Gary Swanson,Wendy Swanson,2016-09-01 The majority of the encounters in *They Saw Sasquatch* were submitted by residents of the Southern Oregon area where we spent years hiking the beautiful and rugged mountains We personally had several mysterious events which can only be logically attributed to the actual existence of a creature the likes of which is so human like that we now are able to accept the many reports as likely Included are encounters reported by a U S Forestry Service agent two Bureau of Land Management agents a fireman a sheriff s deputy a doctor ranchers rural property owners an accredited Sasquatch hunter hikers and full time goldminers as well as some tourists and river rafters Some of our contributors have chosen to remain anonymous so we have protected their identities We hope you enjoy reading about these

interesting and sometimes frightening encounters as much as we did **BIGFOOT NATION** David Childress,2018-04-11 Childress takes a deep look at Bigfoot Nation the seemingly real world of bigfoot around us in the United States and Canada Whether real or imagined that bigfoot has made his way into the American psyche cannot be denied He appears in television commercials movies and on roadside billboards In fact bigfoot is everywhere with actors portraying him in variously believable performances and it has become the popular notion that bigfoot is both dangerous and horny Indeed bigfoot is out there stalking lover s lanes and is even more lonely than those frightened teenagers that he sometimes interrupts Bigfoot tall and strong as he is makes a poor leading man in the movies with his awkward personality and typically anti social behavior He doesn t care a skunk s gland how many movies or commercials are made about him without any royalties whatsoever being paid To him Bigfoot Nation is all about style a lifestyle shall we say that keeps bigfoot on the fringes of society gently creeping into our dreams Join David on a wild ride from the very first bigfoot reports in the 1800s to right now Chapters include 1800 to 1899 The Wildmen of the Frontier The Oldest Bigfoot Photo 1900 to 1940 The Pre War Years 1950 to 1990 The Post War Years The Skunk Apes of Swamp Nation Bigfoot in the Southwest 2000 to 2020 Post Millennial Bigfoot more Includes 16 pages of color photos that document Bigfoot Nation *Encounters with Bigfoot* John Green,1994 On the Track of the Sasquatch and Encounters With Bigfoot together give a very full account of what is happening in most of western North America but either book taken by itself tells many fascinating stories Copies left are not in new condition Book One On the Track of the Sasquatch and Two Encounters With Bigfoot replace the old volume of On the Track of the Sasquatch and also Year of the Sasquatch published in 1968 and 1970 making the many revisions and additions that are needed after a decade of activity The two volumes together give a very full account of what is happening in most of western North America but either book taken by itself tells many fascinating stories Sasquatch Bigfoot Thomas Steenburg,1990-03-10 This book concentrates on twenty three sightings in Alberta and British Columbia Was it merely an Indian legend told to early explorers a story characteristic of the native s mythical culture Or were the stories of giant hairy man like apes actual reports of an animal that has managed to mystify its researchers and elude western civilization for nearly 300 years This book concentrates on twenty three sightings in Alberta and British Columbia Sasquatch/Bigfoot and the Mystery of the Wild Man Jean-Paul Debenat,2009 In this remarkable volume Dr Jean Paul Debenat a professor of comparative literature University of Nantes France with a flair for anthropology takes us far beyond the realm of documented research on the Sasquatch Bigfoot phenomenon His extensive travels in North America skillful investigations and years of research on the wild man throughout world history have resulted in this highly authoritative work Dr Debenat s handling of the subject is both unique and exciting as well as being highly factual Rather than a simple presentation of facts and findings we are taken to the very heart of the matter with meaningful insights and knowledgeable interpretations one experiences the full spectrum of learning including emotion Originally published in French the work has been translated modified and enhanced for the

English speaking public It is a classic work that will intrigue readers in all walks of life Bigfoot Tom Burnette, Rob Riggs, 2014-03-08 Our committed search to uncover the truth about Bigfoot Join investigators Tom Burnette and Rob Riggs on their amazing adventure into the wild where the mysterious creature known as Bigfoot dwells Over the past twenty years these two men have dedicated themselves to the search for Bigfoot in the Smoky Mountains of North Carolina and the swamplands of Southeast Texas Drawing on forty plus years of combined field study Tom and Rob present their personal stories ethnographic research and educated theories surrounding Bigfoot Revealing a substantial collection of evidence supporting Bigfoot existence this book provides details of the creature s history habitats and behaviors With thought provoking discussions on Bigfoot s elusiveness and potential psychic powers Bigfoot goes beyond the myth to the reality of this enigmatic ape man Praise If you think that monsters aren t real it s time to think again Tom Burnette and Rob Riggs take us on a roller coaster ride into a world where the wild things lurk Nick Redfern author of Three Men Seeking Monsters The speculations will provide Bigfoot enthusiasts with plenty to contemplate as will Burnette s assertion that he s captured the best Bigfoot picture bar none in the world Publishers Weekly A well written and thrilling account of their work The stories in this book will raise the hair on the back of one s neck and cause sleepless nights especially if one lives near a big woods San Francisco Book Review **Bigfoot Evidence** William Jevning, 2018-05-04 There has been a lot of confusion about evidence of the existence of the Sasquatch Just what is evidence how is determined In this book Evidence will be presented from a different perspective than has been previously considered

Sasquatch And Bigfoot Introduction

In today's digital age, the availability of Sasquatch And Bigfoot books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sasquatch And Bigfoot books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sasquatch And Bigfoot books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sasquatch And Bigfoot versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sasquatch And Bigfoot books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sasquatch And Bigfoot books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sasquatch And Bigfoot books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital

libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sasquatch And Bigfoot books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sasquatch And Bigfoot books and manuals for download and embark on your journey of knowledge?
