From Wall Street to Main Street Reginald F. Davis,2013-10-24 From Wall Street to Main Street the moral toxicity in our country is alarming There are frightening signs that America is on the same path to destruction as the Roman Empire was before its fall Since America has embraced secular progressivism and redefined its traditional spiritual values our nation has greatly declined History points to the judgment of God that came upon nations for their moral toxicity Unless America repents returns to God reorders its priorities and sets its financial house in order future generations will ask Why has the mighty fallen America needs to heed Abraham Lincoln who said America will never be destroyed from the outside If we falter and lose our freedom it will be because we destroyed ourselves from within From Wall Street to Main Street is a trumpet blast not only to alert Americans to our spiritual and moral decline but also to encourage our citizens to save this great republic Our struggle is not merely social economic and political it is spiritual There is hope and this hope is in the struggle to make God justice and morality central in our nation once again

Stuckey, 2022-12-23 Spiritual gifts and afflictions are mysterious

and unknown and therefore people can't help but wonder and be intrigued by them. However, *Back from the Abyss* offers much more than insight into spiritual gifts and afflictions. By reading this book with an open mind, readers will gain extraordinary insight into a variety of spiritual matters. *Back from the Abyss* includes a prophetic element to help us understand the times in which we live: Mass shootings, pandemics, inflation, and climate change. What does it all mean? Are we living in the last days? As turmoil in our world increases, so does interest in end-time prophecy. A recent Google search for end-time prophecy yielded over 100,000,000 results. Readers of *Back from the Abyss* will learn the real cause of apostasy and turmoil in this present age and even get a prophetic glimpse of the future. *Satan in America* W. Scott Poole, 2009-11-16. *Satan in America* tells the story of America's complicated relationship with the devil. New light evangelists of the eighteenth century enslaved African Americans, demagogic politicians, and modern American film makers have used the devil to damn their enemies, explain the nature of evil and injustice, mount social crusades, construct a national identity, and express anxiety about matters as diverse as the threat of war to the dangers of deviant sexuality. The idea of the monstrous and the bizarre, providing cultural metaphors that interact with historical change, is not new. Poole takes a new tack by examining this idea in conjunction with the concerns of American religious history. The book shows that both the range and the scope of American religiousness made theological evil an especially potent symbol. Satan appears repeatedly on the political, religious, and cultural landscape of the United States, a shadow self to the sunny image of American progress and idealism.

Trumpocalypse Paul McGuire, Troy Anderson, 2018-01-02. From the authors of the international bestseller *The Babylon Code* comes an explosive exposé of the chilling truth about the fierce opposition to the Trump presidency and why the globalist elite and Deep State will stop at nothing: assassination, military coup, staged economic collapse, or worse, to overthrow him. *Trumpocalypse* It's the media-coined meme inciting panic and fear that America has elected an unstable man who will barge into delicate international affairs like a bull in a china shop and incite nations bent on America's destruction to trigger World War III, an unprecedented nuclear apocalypse ending the world as we know it. But is the media telling us the truth? No, says internationally recognized prophecy expert and Fox News and History Channel commentator Paul McGuire and Pulitzer Prize-nominated investigative journalist Troy Anderson. America's most insidious enemies are not hostile nations; they are elite globalists, the Establishment that is making the 1 percent even richer while working-class and middle-class people watch their incomes and net worth's flatline or plummet. The authors fearlessly expose the globalist elite's secret plan for humanity and campaign of mass deception. Using documentation gleaned from years of journalistic investigation and extensive interviews with over fifty of the world's most respected geopolitical, economic, and military affairs experts, faith leaders, and biblical scholars, McGuire and Anderson unmask these elites as members of secret societies with deep occult connections who have gained control of America's dominant institutions: government, education, entertainment, international banking, and even the media. *Trumpocalypse* explores the enigmatic prophecies and biblical codes involving Trump and asks whether God

raised up President Trump as a fearless leader to guide America and the free world through a series of major crises as the biblical end time narrative unfolds as many people with prophetic gifts are predicting and shows why everyday Americans and evangelicals have rallied around Trump as their last hope of saving America and averting the horrors of the Apocalypse It further reveals why Trump and millions of deplorables are fighting to stop the hidden agenda of the Establishment and how the perplexing chaos enveloping the planet could paradoxically signal the beginning of the great end times awakening that millions are praying for Here is an invitation to join the anti Establishment surge what evangelist Franklin Graham calls the Christian revolution and discover how to fulfill your own destiny in the run up to the Second Coming of Jesus Christ
