*Adventist Review* ,2004 *Spectrum* ,2004 *The Republicrat* WLBj, 2023-09-28 It is very simple The inhabitants of the earth must band together to change course immediately or the world will plunge into the most terrifying catastrophic destruction the likes of which there is no coming back from There is only one door of opportunity for the world and if we as a planet do not walk through it immediately we are all doomed to suffer a terrible fate Revelation 6 may be upon us but would God grant us a stay of preparation for the horrors to come A watchman civil rights activist self taught section 1983 and Constitutional scholar for over 25 years and a self taught biblical scholar for 34 years in this book WLBj reminds us of Ephesians 6 12 that we wrestle not against flesh and blood but against principalities and powers of darkness With stunning imagery *The Republicrat* goes into great detail to explain why these demonic powers not only want but need the earth to be plunged into nuclear war in order to get the key to the abyss and why competing world powers must avoid taking the bait and being used to facilitate this Tackling some of today s most explosive geopolitical topics such as the latest alleged coup attempt by the Wagner group the Russian Ukraine conflict the Mexican Drug Cartel the LGBT debate North Korea China and the bitter divide between Republicans and Democrats WLBj uses what he coins Biblical Geopolitical Analysis to discuss why we are fighting the wrong enemy as he attempts to break the spell of witchcraft that plots the whole world against itself See what it will take to avoid the horrors at the world s doorstep and why making the right choices could not only avoid the

darkest of world catastrophes but instead usher in the greatest time of peace and prosperity the world has ever known
