Satan's Strategic Command Jeffery Lee Owen, 2009-06-02 The word of God presents to humanity our pathway of reconciliation to our Heavenly Father Holy Writ also presents to mankind the origins of evil its effects on the human condition down through the centuries and finally its ultimate isolation and eradication from the universe Eternal or absolute truth is our pathway of reconciliation to our Heavenly Father As the Christian brethren seek to follow our lord and savior Jesus Christ growing in the spirit breaking the bonds of slavery to Satan and sin the carnal man is trapped in the darkness of his ignorance to the spirit of death and the wages of his sin The light of Gods word reveals the natural manifestation of evil and its impact on the condition of the human soul Thus the noblest of men can perceive the effects of evil and the benevolence of father God in the inner man as the effects of transgression impact our natural world The spirit of rebellion and its work is revealed in our natural world via the transgression of Gods commandments enslaving the masses to its power as the unaware continue in the blindness of their hearts The word of God has warned men to beware of the existence of evil as the condemned angels and the arch rebel Satan work to escape the judgments of Almighty God building an army of rebellious and Satanic adherents marked by the seal of their master Satan as revealed in the work of their hands and the pleasures of their hearts thus perfecting rebellion for the human race as the manifestation of the personification of evil evinces itself for the crowning of Satans throne as the rebel of Almighty God **A Race Diminished** Maria

Kasonda, 2006-04 The original text of the Bible is most definitely the inspired Word of God It s most sacred pages offer to us instructions to accomplish two things How to 1 conquer our mortal human life and 2 enhance our relationship with God Unfortunately due to man s selfishness and greed the text was changed to cater to the desire of some to gain control over the wealth of this planet with woman being the most sought after treasure The changed version is being used to manipulate us into helping those in control of the wealth keep it The book A Race Diminished as told by an African Tribal Historian named Mama Quena offers an African Folklore version of the Creation Story of which she claimed is the truth about what really happened between God Adam Eve Cain Able Lucifer Homo erectus and Homo sapiens Humans and the angels I met Mama Quena while being stranded in a jungle located in Malawi Central Africa I am American and from Milwaukee Wisconsin The

story Mama Quena shared with me has changed my life My faith in God is even stronger I have come to realize that God is so much more real and relevant in all our lives

**The Devil's Cathedral** David Fairer,2021-10-08 The second in the Chocolate House Mysteries series The Devil s Cathedral captures all the energies of the early eighteenth century stage with its ruthless ambitions and jealousies The book weaves its classic whodunit plot around the actual events of April May 1708

**Satan's Counterfeit Prophecy** Heidi Heiks,2013 This study is more about what the fifth and sixth trumpets of Revelation are not rather than what they are After all it is premature to speak of what they are when the generally accepted view is built upon a platform of error It is this fog of error that must first be lifted before we as a church can move forward united in our message to the world as we rightly present the warning messages of the trumpets of Revelation to a dying world This study comes at a critical time as the sixth trumpet of Revelation has its application in force in this present period of earth s history and will continue so until the close of probation as we will prove The seventh trumpet of Revelation as will be shown is when Jesus receives His kingdom The administration of the seven last plagues will follow climaxing with the second coming of Christ in the clouds of heaven

**Satan's Trojan Horse** Norman R. Gulley,2004 Eons ago a revolt broke out in the throne room of heaven against the King of the universe To understand the issues involved in this conflict is to have a road map to the future Expelled from heaven Lucifer kidnapped earth This book reveals his dark plans for this planet It demonstrates the cosmic terrorist s behind the scenes strategy from Creation through the cross the Crusades and down to the events of September 11 2001 that changed the world and catapulted America into

unprecedented global leadership where it is poised to fulfill its prophetic role in last day events Book jacket **Sanctuary of the Soul** Richard J. Foster, 2011-07-11 Richard Foster weaves together stories from the mothers and fathers of the faith plus powerful encounters with God from his own life to describes the riches of meditative prayer Here s the biblical teaching and step by step help you need to begin this time honored prayer practice A Renovar Resource *Then Shall That Wicked Be Revealed* Henry Gagne, 2014-01-31 The book of Revelation is unlike any other book in scripture filled with symbols and apocalyptic language It has become a magnet for some and confusion for others while still others ignore it altogether There are many today who believe and hold that the book of Revelation is not about the future but rather the past fulfilled with the destruction of the Jewish Temple and city of Jerusalem in 70 A D by the Roman armies While many others hold that the book of Revelation is prophetic and was written for a future time beyond the judgment that fell on the Jewish nation in 70 A D and continues to be debated today between these two Christian camps the Preterists and Futurists It is vital that the people of God are given the truth about prophetic scripture Today it is a fact that false teachers are everywhere in the body of Christ and have all but snuffed out the light of Christ s prophetic truth We of the body of Christ cannot continue to sit on the sidelines and remain silent We must as good soldiers in Christ arise and go forth in battle to defeat our Lord s enemies wherever they may be found As soldiers of Christ we do this with the weapons at our disposal that God gave us the Sword of Christ the Sword of Truth the Holy Scriptures Many times the question has arisen What difference does it make Our response is a proper view of eschatology a study of end of the age times is important because God has revealed his truth to us and it is our responsibility to be diligent students in understanding that truth Disregarding or minimizing any part of it is poor stewardship It is never acceptable to say I could be wrong but I remain comfortable on my views and don t want to bother with other views It is a fact today that someone has to be wrong and is teaching error And it certainly is not the Holy Spirit teaching those errors of scripture in the body of Christ Therefore if one view is correct the others are wrong The failure to study this issue and others forces us to hold one position or another that is one s doctrines as a matter of tradition rather than the Inspired Doctrine of Scripture While a lot of people go to church very few actually know the Bible and take Jesus Christ our Lord seriously Secular Christianity has been watered down especially in the area of God s Word and its meaning resulting in great division and confusion concerning many passages seen throughout scripture The New Testament authors did write about prophecy but a good percentage of their prophetic messages dealt with the immediate fate and future of national Israel Thus when they wrote prophetically they wrote primarily about Israel s last days i e end of OC age while writing prophecy about the early Church s end of the age to come for them as we read in Hebrews So Christ was once offered to bear the sins of many and unto them that look for him shall he appear a second time without sin unto salvation Heb 9 28 The last days are different from the end times The last days refer to the last days age of Old Covenant Israel as the body of Christ was being brought in during that 40 year transition period It was to be the last days for national Israel but not for

the New Covenant Church its age had just begun because of God's Grace and the Blood of Jesus Christ our Lord brought about for the salvation of mankind In our day there have come many scoffers both inside and outside of the church saying that the return of Christ is many many years away and others doubt or even deny his coming at all At present to most in the world they do not appear to be threatened by the return of Christ despite the world's present condition in its moral standing with God Despite the war in Afghanistan and Iraq as well as the Israeli Palestinian conflict despite North Korea and Iran's nuclear stance a world economy in a near total collapse many in the secular media proclaim

**Satan's Strategy to Curse Christ's Congregation** Andy Woods, Keith A. Sherlin, 2010-10-01 Dr Sherlin has worked diligently to show the importance of elder rule What he has done is restore us to sound principles that come straight from the Bible His book is a must for every assembly that wants to remain strong rather than go the way of the culture I cannot recommend his book enough Dr Mal Couch In this work the author sets out the biblical case for congregations being ruled by a plurality of Godly men known as elders This work is meticulously footnoted and documented making it an invaluable resource for the layman and scholar alike Dr Andy Woods Keith writes in a manner that is precise and with a fluidity of understanding of current day church leadership The tone of his writing is shared in love and there are no judgmental undertones that permeate his thoughts I would wholly recommend this reading to all who profess Christ as their Lord Pamela Rogers Dr Keith has presented a solid case for authoritative leadership in the church His book is a call for us to return to biblical leadership and be presbyters instead of politicians Dr C V Varnado Do you believe that your local assembly is full of conflict confusion and or compromise Are you familiar with the strategy of Satan and his methods to undermine the grace love and truth of Christ's body This work makes a clear and convincing case that many problems in congregations occur because the body has adopted a flawed foundation of church government and doctrine that is more political than biblical How much or to what degree has Satan made inroads into your spiritual family and leadership body Read and judge for yourself and if necessary seek to apply the prescribed remedy to the problem

**Flight 316** Maurita Chalice Burgett, 2024-07-04 Adam never died He ate from the Tree of Life before God could ban him from the Garden of Eden He has witnessed every major event in history and experienced in full measure the pain suffering and guilt for the devastation he and Eve unleashed into the world Yet over time with help from God and friends like Samuel John the Baptist Peter and Jesus he eventually finds forgiveness and reclaims Paradise He now lives and works in Texas building bridges determined each of his offspring find their individual Edens Suddenly without explanation God disappears from his life On an overnight flight he meets Grace a beautiful highly successful yet despondent psychologist who abandoned the God of her youth Adam shares God's disappearance with her desperate for insight Skeptical yet anxious to help Grace believes that God probably no more than a collective consciousness has disassociated from an entire world filled with so much conflict and headed towards disaster Revealing his past Adam challenges her beliefs by providing an updated perspective on creation and the Fall and gives Grace fresh insight on relationship versus religion and God's plans for his

*Controversy Between Christ and Satan* Ellen Gould Harmon White, 2020-09-28 Before the entrance of sin Adam enjoyed open communion with his Maker but since man separated himself from God by transgression the human race has been cut off from this high privilege By the plan of redemption however a way has been opened whereby the inhabitants of the earth may still have connection with heaven God has communicated with men by His Spirit and divine light has been imparted to the world by revelations to His chosen servants Holy men of God spake as they were moved by the Holy Ghost 2 Peter 1 21 During the first twenty five hundred years of human history there was no written revelation Those who had been taught of God communicated their knowledge to others and it was handed down from father to son through successive generations The preparation of the written word began in the time of Moses Inspired revelations were then embodied in an inspired book This work continued during the long period of sixteen hundred years from Moses the historian of creation and the law to John the recorder of the most sublime truths of the gospel The Bible points to God as its author yet it was written by human hands and in the varied style of its different books it presents the characteristics of the several writers The truths revealed are all given by inspiration of God 2 Tim 3 16 yet they are expressed in the words of men The Infinite One by His Holy Spirit has shed light into the minds and hearts of His servants He has given dreams and visions symbols and figures and those to whom the truth was thus revealed have themselves embodied the thought in human language The ten commandments were spoken by God Himself and were written by His own hand They are of divine and not of human composition But the Bible with its God given truths expressed in the language of men presents a union of the divine and the human Such a union existed in the nature of

Christ who was the Son of God and the Son of man Thus it is true of the Bible as it was of Christ that the Word was made flesh and dwelt among us John 1 14 Written in different ages by men who differed widely in rank and occupation and in mental and spiritual endowments the books of the Bible present a wide contrast in style as well as a diversity in the nature of the subjects unfolded Different forms of expression are employed by different writers often the same truth is more strikingly presented by one than by another And as several writers present a subject under varied aspects and relations there may appear to the superficial careless or prejudiced reader to be discrepancy or contradiction where the thoughtful reverent student with clearer insight discerns the underlying harmony As presented through different individuals the truth is brought out in its varied aspects One writer is more strongly impressed with one phase of the subject he grasps those points that harmonize with his experience or with his power of perception and appreciation another seizes upon a different phase and each under the guidance of the Holy Spirit presents what is most forcibly impressed upon his own mind a different aspect of the truth in each but a perfect harmony through all And the truths thus revealed unite to form a perfect whole adapted to meet the wants of men in all the circumstances and experiences of life God has been pleased to communicate His truth to the world by human agencies and He Himself by His Holy Spirit qualified men and enabled them to do this work He guided the mind in the selection of what to speak and what to write The treasure was intrusted to earthen vessels yet it is none the less from Heaven The testimony is conveyed through the imperfect expression of human language yet it is the testimony of God and the obedient believing child of God beholds in it the glory of a divine power full of grace and truth

**Lucifer - How Art Thou Fallen?** Ellen G. White, 2007 This compilation from the Spirit of Prophecy the writings of Ellen G White covers the history of Lucifer from his creation to his fall thru his warfare on earth down to his final destruction The purpose of this book is not to exalt Satan but rather to show his character works and methods as he wars against God Christ and the Church As the Apostle Paul warned Lest Satan should get an advantage of us for we are not ignorant of his devices 2 Corinthians 2 11 we are vulnerable in our ignorance God s people need to be aware of the serpent s cunning so as not to fall under his power and influence That knowledge alone however will not keep us safe We must Put on the whole armour of God that ye may be able to stand against the wiles of the devil Ephesians 6 11 The tremendous amount of material on this subject presented a challenge in compiling that which could tell the high points of the history provide the best possible lessons and warnings for God s people extend hope and encouragement for these last days when Satan and his hosts are making war with the remnant while keeping it within the confines of the cover of this small volume Our hope and prayer is that we have succeeded in this challenge presenting the reader with a priceless aid in preparation for earth s final conflict as well as the day to day trials and struggles with the powers of darkness The Lord be magnified
