

It has been well said that “there comes a time when *the general defilement of a society becomes so great that the rising generation is put under undue pressure* and cannot be said to have a fair choice between the Way of Light and the Way of Darkness.” (Hugh Nibley, *An Approach to the Book of Mormon*, 1957.) (Ezra Taft Benson, *Satans Thrust -- Youth, Ensign*, Dec. 1971, 53)

Satans Thrust:

Religion Satan'S Philosophy of Truth Bubba,2016-11-21 If you have come across this book either by chance by purchase or someone has given it to you I pray you will read it I promise it will be a blessing to your soul We are told by the Word of God to seek Him diligently Without any denominational pull to my understanding Gods Word I have done so for many years I am sixty five years old and a common man in my walk with Christ I was a little slow in the beginning but now after thirty five years I have been running to catch up with Him Why am I running Time is of great importance No matter how young or old we are we just never know how much time we have in this world Please read what I have learned from the Word of God and the knowledge He will give us You may or may not agree with all my views and opinions After all I am just a common man What I do promise you this book will open your eyes and hearts It will give you an incentive to seek God diligently No matter what religion we may follow we must seek Him diligently **Satan** Lewis Sperry Chafer,2016-01-08 Introduction The world has been willing to comply with the wishes and projects of Satan to the extent of ceasing to believe that he really exists this unbelief being most advantageous to his present undertakings Yet the opinions of men have never changed the facts of revelation and according to Scripture Satan exists still possessed with great power and influence over the affairs of men a power and influence to be increasingly dreaded as this present age advances The teachings of Scripture on this important subject are but little understood by Christians and seem to be entirely outside the thought of the world It is therefore to be expected that any attempt to present this truth will seem to many mere folly and fiction The name Satan has by no means been lost It has however been associated with a most unscriptural fancy Without reference to revelation the world has imagined a grotesque being fitted with strange trappings who has been made the central character in theatrical performances and by this relation to the unreality of the theatre the real character of Satan has come to be only one of the myths of a bygone age Scripture reveals a detailed description of the person and career of Satan beginning with his creation his original condition his fall and on to his kingdom with all its developments and his final defeat and banishment It presents a personage so mighty and so prominent in the world to day that the Christian heart would fail were it not for faith in the One who has triumphed over all principalities and powers **Satan's Drummers** Sananda,1995-06 Spiritual Warfare, End Times And The Bible Lynn Myers,2023-10-27 For decades I have been involved in practicing and teaching Spiritual Warfare When God first called me into this ministry in the early 1980 s I was unsure of whether I should engage with this as the subject terrified me and I had previously avoided it God s call to me to enter into this type of service was clear so I began to research the subject All I could find then and now were mostly books regaling the reader with horrific accounts of terrible demonic encounters There was little or nothing in most of the books on How To deal with demonic forces and their influence in the world I must acknowledge that there have been some very good material created on this topic by others but this is not the norm My purpose in writing this book is to provide a guide on how to address and defeat the work of Satan the enemy of

our souls that we see all around us and to help prepare Christians for the work they will be required to do as we progress through the End Time Events I hope this book will replace despair with faith in the power of Jesus Christ at work in the lives of His followers Spiritual Warfare is an absolutely critical component in the life of Christians living in the End Times as I believe we are I believe my book to be a great reference and resource work for you that can serve you well as you enter into your own Spiritual Warfare efforts
