

Horace
Satires and Epistles

A new translation by John Davie

OXFORD WORLD'S CLASSICS

Satires And Epistles Of Horace

Horace

Satires And Epistles Of Horace:

Satires and Epistles Horace, 2011-04-14 What is the harm in using humour to put across what is true? Gluttony, lust, and hypocrisy are just a few of the targets of Horace's Satires. Writing in the 30s BC, Horace exposes the vices and follies of his Roman contemporaries while still finding time to reflect on how to write good satire and, along the way, revealing his own persona to be as flawed and bigoted as the people he attacks. Alongside famous episodes such as the fable of the town mouse and the country mouse, the explosive fart of Priapus, and the grotesque dinner party given by the nouveau riche Nasidienus, these poems are stuffed full of comic vignettes, moral insights, and Horace's pervasive humanity. They influenced not only Persius and Juvenal but the long tradition of English satire from Ben Jonson to W. H. Auden. These new prose translations by John Davie perfectly capture the ribald style of the original. In the Epistles, Horace uses the form of letters to his friends, acquaintances, foremen, and even the emperor to explore questions of philosophy and how to live a good life, and in *The Art of Poetry* (the *Ars poetica*) he gives advice on poetic style that informed the work of writers and dramatists for centuries. ABOUT THE SERIES For over 100 years, Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

The Satires and Epistles of Horace Horace, 1848 [Satires and Epistles of Horace](#) and [Satires of Persius](#) Horace, Persius, 2005-09-29 The Satires of Horace (65-8 BC) written in the troubled decade ending with the establishment of Augustus' regime provide an amusing treatment of men's perennial enslavement to money, power, glory, and sex. Epistle I, addressed to the poet's friends, deals with the problem of achieving contentment amid the complexities of urban life, while Epistle II and the *Ars Poetica* discuss Latin poetry, its history, and social functions, and the craft required for its success. Both works have had a powerful influence on later Western literature, inspiring poets from Ben Jonson and Alexander Pope to W. H. Auden and Robert Frost. The Satires of Persius (AD 34-62) are highly idiosyncratic, containing a courageous attack on the poetry and morals of his wealthy contemporaries, even the ruling emperor Nero.

The Satires and Epistles of Horace Quintus Horatius Flaccus, 2024-09-01 Reprint of the original first published in 1838 *Horace: the Odes, Epodes, Satires, and Epistles* Horace, 1889 [Horace: Satires and Epistles](#) Horace, 1901 [The Satires, Epistles, and Art of Poetry of Horace](#) Horace, 2023-03-06 Reproduction of the original **The Satires and Epistles of Horace** Horace, 1893 **The Works of Horace** Horace, 1815 [The Satires, Epistles, and Art of Poetry of Horace](#) Horace, 2019-11-21 In *The Satires, Epistles, and Art of Poetry of Horace*, the esteemed Roman poet Horace presents a remarkable exploration of human nature, ethics, and the art of poetry through a masterful blend of wit, philosophical introspection, and vivid imagery. Written in a distinctive conversational style, these works employ elegant lyrical devices and incisive social commentary reflecting the cultural milieu of Ancient Rome during the rise of Augustan literature. Horace

adeptly navigates themes of morality friendship and the pursuit of a virtuous life positioning his observations within a nuanced literary framework that engages both the intellect and the senses Horace born in 65 BCE was not only a poet but also a public figure who served as a spokesperson for the blossoming Roman literary tradition His formative experiences including his education in the Hellenistic cultural sphere and his connections to influential patrons like Maecenas profoundly shaped his perspectives on art society and the responsibilities of the poet With a unique voice Horace's reflective musings offer invaluable insights into the societal and personal dilemmas of his time illustrating the timeless relevance of his work This collection is highly recommended for both scholars and casual readers who seek to engage with the philosophical underpinnings of art literary form and the role of the poet in society Horace's deft combination of humor and profound wisdom fosters a dialogue that continues to resonate throughout centuries making this book an essential read for anyone interested in the origins of Western literature
