Saturday Night Fever

Saturday Night Fever:

Fever Margo Donohue, 2025-08-26 The music The dancing The clothes The hair Watch the hair Celebrating almost 50 years of the iconic Saturday Night Fever this first ever complete history includes exclusive interviews rare photographs behind the scenes stories and brand new insights into the cult hit phenomenon that's been stayin' alive for generations Whether you're a brother or whether you're a mother it's impossible to resist the throbbing disco beats and lasting cultural impact of Saturday Night Fever Released in December 1977 the low budget disco movie was the surprise gift that kept on giving It made millions at the box office earned an Oscar nomination for TV actor turned movie star John Travolta catapulted the Bee Gees music career into the stratosphere with a record breaking Grammy winning soundtrack album and ignited a disco inferno that burns to this day From Travolta's iconic white polyester suit and legendary dance moves to the flashing lights and illuminated floor of the 2001 Odyssey disco in Brooklyn Saturday Night Fever captured the era like no other film and launched a phenomenon that changed the world forever Here for the first time is the complete history of Saturday Night Fever From the New York magazine article that inspired the film Tribal Rites of the New Saturday Night by Nik Cohn to the on and off set dramas of Travolta director John Badham and producer Robert Stigwood this deep dive into the making of a movie classic also includes special interviews with actors Donna Pescow and Joseph Cali among others It explores the huge impact of the film on the industry including the Death to Disco backlash as well as on American culture itself With modern day insights into its 1970s era portrayals of gender sex and race this is a richly detailed delightfully entertaining celebration as glittering and multifaceted as a mirrored disco ball It's a must have for every movie and music lover who's ever caught the Fever

Saturday Night Fever, 2002 John Travolta gives a sensual and intelligent performance as the troubled Tony Manero Brooklyn paint store clerk by day and undisputed king of the dance floor by night But in the darkness away from the strobe lights and glitter ball is a tragic story of disillusionment violence and heartbreak box cover note *Saturday Night Fever* Saturday Night Fever ..., 1977 Saturday Night Fever H. B. Gilmour, 1977 **Saturday Night Fever**, 1998

Saturday Night Fever is one of those movies that comes along and seems to change the cultural temperature in a flash After the movie's release in 1977 disco ruled the dance floors and a blow dried member of a TV sitcom ensemble became the hottest star in the country For all that the story is conventional a 19 year old Italian American from Brooklyn Tony Manero John Travolta works in a humble paint store and lives with his family After dark he becomes the polyester clad stallion of the local nightclub Tony's brother a priest observes that when Tony hits the dance floor the crowd parts like the Red Sea before Moses Director John Badham captures the electric connection between music and dance and also the desperation that lies beneath Tony's ambitions to break out of his limited world The soundtrack which spawned a massively successful album is dominated by the disco classics of the Bee Gees including Staying Alive Travolta's theme during the strutting opening and Night Fever The Oscar nominated Travolta plucked from the cast of Welcome Back Kotter for his first starring role is

incandescent and unbelievably confident and his dancing is terrific Oh and the white suit rules Note Saturday Night Fever was cut from its original R rated version after its initial release in order to obtain a PG rating The PG version is 11 minutes shorter and is missing parts of scenes and some street talk Both versions are available on video Saturday Night Fever Norman Wexler,1977 *Saturday Night Fever* Saturday Night Fever,1995 Stayin Alive How Deep is your love Night fever More than a woman If I can t have you A fifth of Beethoven More than a woman Manhattan skyline Calypso Breakdown Night on Disco mountain Open Sesame Jive talkin You should be dancing Boogie shoes Salsation K Jee Disco inferno *Saturday Night Fever* ,1978 'Grease Is the Word' Oliver Gruner,Peter Krämer,2019-11-22 Bringing together a group of international scholars from diverse academic backgrounds Grease Is the Word analyses the cultural phenomenon Grease With essays covering everything from the film s production history political representations and industrial impact to its stars and reception the book shines a spotlight on one of Broadway s and Hollywood s biggest commercial successes By adopting a range of perspectives and drawing on various visual textual and archival sources the contributors maintain a vibrant dialogue throughout offering a timely reappraisal of a musical that continues to resonate with fans and commentators the world over

Saturday Night Fever ,2009 *Disco* Frank Decaro,2024-10-15 This dazzling volume shines new light on the songs styles and enduring pop culture impact of the 1970s musical genre that emerged from Black and Latin queer culture to take the world by storm Half a century after the drug fueled DJ driven glamour drenched musical phenomenon of disco was born at a New York City loft party disco s musical and fashion influences live on in popular culture This is a frolicking entertaining yet serious tribute to the overlooked art form of disco which has never been given its proper due nor taken its true place in the historic struggle for LGBTQ gender and racial equality Painting a vivid portrait of this provocative era DeCaro explores the cultural importance of disco and how the music and dance that originated in queer Black and Latin clubs of the day became a mainstream phenomenon changing our culture along the way With glamorous photos from disco s heyday up through today DeCaro examines disco s pervasive influence on pop culture over the last fifty years exploring disco in film and television as well as in fashion and interior design Through entertaining texts as well as interviews with artists and celebrities of the era such as Donna Summer and Grace Jones among others this book champions the diverse origins of disco while celebrating its influence on today s groundbreaking artists such as Lady Gaga Duo Lipa and Miley Cyrus A must for all lovers of music style and pop culture Blood Money Richard Nowell,2010-12-23 Scholars have consistently applied psychoanalytic models to representations of gender in early teen slasher films such as Black Christmas 1974 Halloween 1978 and Friday the 13th 1980 in order to claim that these were formulaic excessively violent exploitation films fashioned to satisfy the misogynist fantasies of teenage boys and grind house patrons However by examining the commercial logic strategies and objectives of the American and Canadian independents that produced the films and the companies that distributed them in the US Blood Money demonstrates that filmmakers and marketers actually went to extraordinary lengths

to make early teen slashers attractive to female youth to minimize displays of violence gore and suffering and to invite comparisons to a wide range of post classical Hollywood s biggest hits including Love Story 1970 The Exorcist 1973 Saturday Night Fever 1977 Grease and Animal House both 1978 Blood Money is a remarkable piece of scholarship that highlights the many forces that helped establish the teen slasher as a key component of the North American film industry s repertoire of youth market product Saturday Night Fever ,1977 **The Bee Gees** David N. Meyer,2013-07-09 The long overdue biography of the Bee Gees by an acclaimed author The Billboard Book of Number One Hits Fred Bronson,2003 Provides lists of hit songs by date with information on the artist songwriter producer label and offering interviews with popular artists

The Seventies Bruce J. Schulman,2001-08-07 Most of us think of the 1970s as an in between decade the uninspiring years that happened to fall between the excitement of the 1960s and the Reagan Revolution A kitschy period summed up as the Me Decade it was the time of Watergate and the end of Vietnam of malaise and gas lines but of nothing revolutionary nothing with long lasting significance In the first full history of the period Bruce Schulman a rising young cultural and political historian sweeps away misconception after misconception about the 1970s In a fast paced wide ranging and brilliant reexamination of the decade s politics culture and social and religious upheaval he argues that the Seventies were one of the most important of the postwar twentieth century decades The Seventies witnessed a profound shift in the balance of power in American politics economics and culture all driven by the vast growth of the Sunbelt Country music a southern silent majority a boom in enthusiastic religion and southern California New Age movements were just a few of the products of the new demographics Others were even more profound among them public life as we knew it died a swift death The Seventies offers a masterly reconstruction of high and low culture of public events and private lives of Jonathan Livingston Seagull Evel Knievel est Nixon Carter and Reagan From The Godfather and Network to the Ramones and Jimmy Buffett from Billie Jean King and Bobby Riggs to Phyllis Schlafly and NOW from Proposition 13 to the Energy Crisis here are all the names faces and movements that once filled our airwaves and now live again The Seventies is powerfully argued compulsively readable and deeply provocative **American Film in the Crisis of Confidence** John P. McCombe,2024-12-23 American Film in the Crisis of Confidence Hollywood Malaise 1976 1983 examines how Hollywood films depict and respond to what U S President Jimmy Carter deemed a national crisis of confidence in the late 1970s and what Carter s political opponents referred to as the Malaise Over the course of five thematic chapters as well as an introduction and conclusion John McCombe explores how a wide range of films from various genres reflect cultural anxieties central to Carter s crisis of confidence including those surrounding depleted energy resources calls for fiscal austerity the broken American family and the decreasing visibility of people of color in popular culture Scholars of film studies cultural studies American studies and history will find this book of particular interest **Blondie's Parallel Lines** Kembrew McLeod,2016-03-24 Blondie s Parallel Lines mixed punk disco and radio friendly FM rock with nostalgic influences from 1960s pop and girl group hits This 1978 album kept one foot

planted firmly in the past while remaining quite forward looking an impulse that can be heard in its electronic dance music hit Heart of Glass Bubblegum music maven Mike Chapman produced Parallel Lines which was the first massive hit by a group from the CBGB punk underworld By embracing the diversity of New York City s varied music scenes Blondie embodied many of the tensions that played out at the time between fans of disco punk pop and mainstream rock Debbie Harry s campy glamor and sassy snarl shook up the rock n roll boy s club during a growing backlash against the women s and gay liberation movements which helped fuel the disco sucks battle cry in the late 1970s Despite disco s roots in a queer black and Latino underground scene that began in downtown New York punk is usually celebrated by critics and scholars as the quintessential subculture This book challenges the conventional wisdom that dismissed disco as fluffy prefab schlock while also recuperating punk s unhip pop influences revealing how these two genres were more closely connected than most people assume Even Blondie s album title Parallel Lines evokes the parallel development of punk and disco along with their eventual crossover into the mainstream

Saturday Night Fever Introduction

In today's digital age, the availability of Saturday Night Fever books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Saturday Night Fever books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Saturday Night Fever books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Saturday Night Fever versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Saturday Night Fever books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Saturday Night Fever books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Saturday Night Fever books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of

America, which provides a vast collection of digitized books and historical documents. In conclusion, Saturday Night Fever books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Saturday Night Fever books and manuals for download and embark on your journey of knowledge?
