Gananath Obeyesekere,2021-07-13 Here Gananath Obeyesekere debunks one of the most enduring myths of imperialism civilization and conquest the notion that the Western civilizer is a god to savages Using shipboard journals and logs kept by Captain James Cook and his officers Obeyesekere reveals the captain as both the self-conscious civilizer and as the person whose mission gone awry becomes a savage himself In this new edition of *The Apotheosis of Captain Cook* the author addresses in a lengthy afterword Marshall Sahlins's 1994 book *How Natives Think* which was a direct response to this work *Transforming Empire in Japan and East Asia*

Robert Eskildsen,2019-01-02 This book examines the history of a military expedition the Japanese government sent to southern Taiwan in 1874 in the context of Japan's subordination to Western powers in the unequal treaty system in East Asia It argues that events on the ground in Taiwan show the Japanese government intended to establish colonies in southern and eastern Taiwan and justified its colonial intent based on the argument that a state must spread civilization and political

authority to territories where it claimed sovereignty thereby challenging Chinese authority in East Asia and consolidating its power domestically The book considers the history of the Taiwan Expedition in the light of how Japanese imperialism began it emerged as part of the process of consolidating government power after the Meiji Restoration it derived from Western imperialism it developed in a dynamic relationship with Western imperialism and it increased Japan's leverage in its competition for influence in East Asia
