Savage Desire Constance O'Banyon,1982-12-01 **The Woman Beyond the Attic** Andrew Neiderman,2023-06-13 Best known for her internationally multi million copy bestselling novel *Flowers in the Attic* Cleo Virginia Andrews lived a fascinating life Born to modest means she came of age in the American South during the Great Depression and faced a series of increasingly challenging health issues Yet once she rose to global literary fame she prided herself on her intense privacy This eye opening look at the life of Virginia Andrews reveals a new side of the enigmatic woman behind one of the most important novels of the twentieth century Featuring family photographs interviews with close family members personal letters a partial manuscript of an unpublished novel and more *The Woman Beyond the Attic* is perfect for V C Andrews fans who pick up every new novel or those wanting to return to the favorite novelist of their adolescence *Luna's Secret The Alpha's Undoing* Aquah Goddess,2025-08-28 Laretta tried to fight her growing attraction to Alpha Marcus but some battles were never meant to be won His touch ignited her his kisses a temptation too dangerous to resist In a moment of reckless surrender she gave him the one thing she had clung to her virginity After all she was less than an omega and it would be a cruel fate to die untouched or worse to have her innocence stolen by someone she did not want One night of passion she told herself One night to silence the hunger But what she never expected was the ache that followed the way her body longed for him the way she craved him with a desperation that thrilled and terrified her in equal measure Deep down she knows they can never truly belong to each other Once she might have been his equal Now she is broken a wolf without a wolf something less than even an omega The shame of it shatters her leaving only her thirst for revenge to keep her alive And the pack whispers To them she is nothing more than a curse the Alpha's whore a plaything destined to be discarded Hungry eyes watch her every move waiting for Marcus to cast her aside so they can claim what remains Worse still enemies circle closer His obsessive ex will stop at nothing to destroy her Others plot her death in the shadows But with danger tightening its grip and desire burning hotter than reason Laretta must decide is surrendering to the Alpha worth the ruin it will bring or will loving him be the final mistake of her life *Pathologies of Desire* Gerald Doherty,2008 Discussions of the self in James Joyce's *A Portrait of the Artist as a Young Man* traditionally have a generic or a generalized quality the self is modernist or

postmodernist essential or processive unified or fragmented etc Pathologies of Desire takes a different tack it shifts the ground of discussion locating the self in relation to particular dispositions or traits of the subject Stephen Dedalus More specifically it foregrounds three pathological states autoerotic paranoia and the shame guilt syndrome as primary modes of self aggregation the unique power of painful inner splits and divisions to precipitate self awareness and to make the self self reflexive As challenges to self understanding anxiety autoeroticism persecution paranoia and humiliation shame guilt are prime catalysts of those multi layered linguistic resources that fortify Stephen s self with the means of comprehending its own angst The fact that each particular self dissolves to make way for another underscores its purely contingent and transitional quality it functions as a defense against the singularity of the pain that it generates Stephen s ultimate prospect of creating new future selves is thus contingent on his power to liberate himself from the old ones oppressive conditioning

Deconstructing Postmodernist Nietzscheanism: Deleuze and Foucault Jan Rehmann, 2022-04-11 It is often asserted that postmodernism emerged from leftist Nietzsche interpretations but it is rarely explored This book investigates how Deleuze and Foucault read Nietzsche and apply a hermeneutics of innocence to his philosophy that erases the elitist anti democratic and anti socialist dimensions This misreading also affects their own theory and impairs the claim to develop a radical critique The late Foucault s turn to self care techniques merges a neo Nietzschean approach with the ideologies of neoliberalism Rehmann s critique is not directed against the endeavor to take suggestions from some of Nietzsche s astute intuitions but rather against the conformism to use him as a symbolic capital without revealing his hierarchical obsession This book is an updated and extended version of Postmoderner Links Nietzscheanismus Deleuze Foucault Eine Dekonstruktion originally published in German by Argument Verlag GmbH 2004 978 3 88619 298 4 **Thinkers of the Indian Renaissance** S A

Johnson, 2009-05-28 If a man is to write A Panegyrick he may keep vices out of sight but if he professes to write A Life he must represent it really as it was In the last of his major writings Samuel Johnson looked back over the previous two centuries of English Literature in order to describe the personalities as well as the achievements of the leading English poets The major Lives of Milton Dryden Swift and Pope are memorable cameos of the life of writing in which Johnson is as attentive to human frailty as to literary prowess The shorter Lives preserve some of Johnson s most piercing critical judgements Unsensational opinionated and quotable The Lives of the Poets continues to influence the reputations of the writers concerned It is one of the greatest works of English criticism but also one of the most humanly diverting This selection of the Lives of ten of the most important poets draws its text from Roger Lonsdale s authoritative complete edition ABOUT THE SERIES For over 100 years Oxford World s Classics has made available the widest range of literature from around the globe

Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more
