Savage Kiss:

Savage Kiss Elena M. Reyes,2022-12-29 There s a shift in the warm air It s pleasant and strumming over my nerve endings as the low clack of heels greets my ears I don t turn to face her when she s close Instead I inhale deeply and the sweet scent of freesia overtakes my senses Like a vine wrapping around me it binds my limbs while I throb for the petite beauty with a hunger that s near maddening I want to eat her alive Consume and gorge myself on what s been denied to me for so long My bunny will never leave me again This book contains dark elements that some readers might find triggering These men are brutal and unapologetic please read at your own discretion **Savage's Woman** Loki Renard,2014-02-20

The Trojan legend and the character of Helen form the basis for The Bite of the Night As with all Barker s mythical and historical works it is overlaid and undermined by a contemporary narrative in this instance the search for the origin of the erotic undertaken by the redundant university teacher Dr Savage and his nihilistic student Hogbin Through all twelve Troys Savage and Helen struggle with a passion both intellectual and physical and the idea of beauty is refined to a terrifying degree In Brutopia Barker s controversial portrait of the humanist Thomas More is shaped around his strained relationship with his daughter Cecilia here discovered to be the author of a counter text to her parent s infamous Utopia Cecilia s wit and cruelty mark her out as one of

Barker's least compromising and heroic young women *The Forty* is a significant departure from Barker's dramatic practice his investment in language reduced to a few phrases which punctuate detailed scenes of conflict and solitude Physical movement and intense concentration on gesture show the author's flair for visuality in a new and surprising way The theme of sacrifice features increasingly in Barker's theatre and in *Wonder and Worship in the Dying Ward* it is a mother's refusal to apologize for an act of passion notwithstanding the dire consequence for her own child that is at the heart of the argument Set in a home for terminally ill patients many of whom create a hilarious chorus around the protagonists *Wonder and Worship in the Dying Ward* shows Barker's imagination in its most startling form

Savage Kiss Lena Pierce, *Savage Kiss* is book 1 of the *Shattered Hearts MC* trilogy Books 2 and 3 *Reckless Kiss* and *Burning Kiss* are available everywhere now I took her unprotected just to keep her safe I'm holding her here under the president's orders But the fiery mystery that drove Meghan into my arms has hidden layers I never expected She doesn't want my help but she's getting it anyways We'll find the answers she wants Then I'll pin her down and take what I want too DIRK When your MC president gives you a job you do it No questions No dallying Just get the sh*t done But when the job turns out to be snatching up his baby sister and keeping her under my eye things get a little more interesting It doesn't hurt that Meghan is a stone cold fox with the temper to match She's feisty I like that in a woman It makes it all the more fun when I break them But what was supposed to be a simple bodyguard job turned into exile and war as we run from the men who seem to want her dead Protecting your mark is never easy but it's even harder when I'm dying inside to get my hands on her curvy little frame Every time she smiles at me I feel emotions bubbling to the surface Things I haven't felt in years Things that make me want to break all the rules to make her mine F*ck it all I've decided I want her in my arms And I don't care what I have to do to keep her there MEGHAN I left behind everything to make a life for myself The biker world has long since receded in my rearview mirror Now all I want is piece in my little corner of the city No war no choppers no dead bodies Just quiet Calm Gratitude But I soon learn that it's not so easy to escape the outlaw lifestyle My brother the one who refused to give up his biker ways when I left calls me out of the blue His voice is different than I remember Darker Deeper More haunted and cruel He tells me I'm in danger Whether I like it or not he's pulling me back into the world of the *Shattered Hearts MC* He says it's for my own good But the man he sends to collect me doesn't seem good at all In fact he's the definition of a bad boy Dirk Dvorak is everything I ran away from Massive muscled tatted and terrifying But he keeps making me react to his presence in ways I never anticipated He takes what he wants And gives me only what I beg for I'm forced to watch from within the MC clubhouse as my little store goes up in flames No one seems to give a d*mn about finding out who wanted to hurt me so bad Not even my dear brother No one that is except for Dirk And the longer I spend on the hunt for answers with the biker bad boy by my side the more I find out about the man he truly is And the more I fall deeper and deeper down the rabbit hole I tried so desperately to claw my way out of
