Yoho,2020-05-22 The West Virginia and Colorado Coal Mine Wars of the early twentieth century was a tumultuous and violent time in our nation s history At the center of this saga is Charles Everett Lively perhaps one of the deadliest of the undercover agents of the Baldwin Felts Detective Agency Although it s been almost one hundred years since the bloodshed in La Veta Ludlow Matewan and Welch the names of William G Baldwin Thomas L Felts and Charles E Lively can still stir an extraordinary level of hatred among those same coal mining communities From the record it s clear that Lively killed no fewer than three men in his lifetime one in Colorado and two in West Virginia It also appears that killing was something that came easy for him The Baldwin Felts Detective Agency was one of several private detective agencies like Pinkerton that performed many freelance security and detective tasks including strike breaking Among the agency s best clients were the owners of the coal mines of West Virginia and Colorado The dirty and dangerous work in the coal mines was accompanied by low pay This led to strife and labor organizing To combat this mine owners hired detective agencies to disrupt labor organizing and break up strikes through espionage and strong arm tactics Lively s blue collar coal mining roots allowed him to move quietly among the miners but his brief stint working the mines held little allure for him Lively became one of Baldwin Felts most effective undercover operatives and among their deadliest men His activities included running a popular restaurant within which he gathered valuable intelligence Local union leadership even held meetings in his establishment Lively once did jail time in Colorado so that he could infiltrate miners who were locked up at the time R G Yoho scoured every known source to bring this figure out of the shadows and provide a valuable piece to this fascinating yet overlooked period of American history and shines a light for the first time into the intrigue surrounding this controversial figure **The Devil Is Here in These Hills**

James Green,2018-09-01 The most comprehensive and comprehensible history of the West Virginia Coal War I ve ever read

John Sayles writer and director of *Matewan* On September 1 1912 the largest most protracted and deadliest working class uprising in American history was waged in West Virginia On one side were powerful corporations whose millions bought armed guards and political influence On the other side were fifty thousand mine workers the nation s largest labor union and the legendary miners angel Mother Jones The fight for unionization and civil rights sparked a political crisis that verged on civil war stretching from the creeks and hollows of the Appalachians to the US Senate Attempts to unionize were met with stiff resistance Fundamental rights were bent then broken The violence evolved from bloody skirmishes to open armed conflict as an army of more than fifty thousand miners finally marched to an explosive showdown Extensively researched and vividly told this definitive book about an often overlooked chapter of American history gives this backwoods struggle between capital and labor the due it deserves Green tells a dark often despairing story from a century ago that rings true today *Pittsburgh Post Gazette* **Mother Jones** Elliott J. Gorn,2015-06-02 Her rallying cry was famous Pray for the dead and fight like hell for the living A century ago Mother Jones was a celebrated organizer and agitator the very soul of the modern American labor movement At coal strikes steel strikes railroad textile and brewery strikes Mother Jones was always there stirring the workers to action and enraging the powerful In this first biography of the most dangerous woman in America Elliott J Gorn proves why in the words of Eugene V Debs Mother Jones has won her way into the hearts of the nation s toilers and will be lovingly remembered by their children and their children s children forever **A Savage Thunder** Jim Murphy,2009-07-07 In September 1862 two great armies faced each other across Antietam Creek The outnumbered Confederate forces were led by General Robert E Lee The Union army was led by General George B McClellan Jim Murphy uses archival photographs maps and firsthand accounts to recreate one of America s most important battles [The Dial](#) Francis Fisher Browne,Waldo Ralph Browne,Scofield Thayer,Marianne Moore,1924 [Soyala's Saga](#) Richard Donahue,2015-03-31 Author House Review The Sixth Coming is set within an original mythology to fascinating results It combines vividly realized characters with spiritual themes and elements of Aztec lore There is an incredible array of exciting sequences that could provide great material for adapting this work into another medium Due to the nontraditional structure and storytelling style live theater could be an interesting option Film is another option perhaps animation could make the most of the impressive locations creatures and spectacles There are several elements that are very well suited for a film or theater piece Because both these mediums usually feature the interactions between characters the strong personalities of The Sixth Coming are essential to capture Soyala is a great heroine from her borderline petulance over the Builders gift to her reluctant and confused acceptance of her destiny She isnt perfect which makes her all the more compelling as she overcomes overwhelming odds Kajika Buriilgi and the Minstrel are wonderful supporting characters Each of these brothers has his own distinct personality and their squabbling provides comic relief Buriilgi and the Minstrel in particular provide humor Kajika could bring in sex appeal for female audiences while Soyala and Xochiquetzal could do so for males

Xochiquetzal Tona teotl is a fascinating villain Her sinister sexuality when welcoming Soyala and Kajika could play very well in a film The later scenes on the Barge are thrilling due to Tona teotls increasingly evident madness These scenes would provide terrific moments for an actor to really chew up the scenery The Shield Maidens story begins with the reader being introduced to her loved ones Each character is well developed and had distinctive characteristics When bad things happen to them we also feel her loss We also learn more about how she came to be and how important loyalty is to her survival The places that this story takes us to are either incredibly beautiful or eerily foreboding The creatures in it are also very uniquely described and incredibly different from the mundane realm that we currently inhabit **Global Africans** Toyin
