Saving Faith Oeb:

Dearest Father Ann Davis, 2024-07-19 Dearest Reader The most difficult part of life these days has been the ongoing battles between family and friends once united on so many fronts now unable to speak civilly to one another Perhaps you've had a similar experience with your loved ones and have been left speechless The hope is that you can find some answers within this book about why your relationships have changed During the past few years it has been hard to hear the spread of untruths and wonder if name calling blaming threatening or isolation is eroding conversations with members of your inner circle And while our journeys through the past few years may not be exactly the same surely we can agree that the days and months leading into 2022 have been filled with anguish Praying that our Dearest Father brings you some comfort and that his messages help you find your personal truth
