Canuel,2021-07-31 Be Set Free For there s a love a Father s love For there s a hope for all mankind For there s a grace a Gift of grace For there s a Friend He s yours and mine So reach out and take His hand So lift up your eyes to see So lay down all of your sins At His cross and be set free **The Complete Works of C. H. Spurgeon, Volume 40** Spurgeon, Charles H.,

Volume 40 Sermons 2342 2393 Charles Spurgeon 19 June 1834 31 January 1892 is one of the church s most famous preachers and Christianity s foremost prolific writers Called the Prince of Preachers he was one of England s most notable ministers for most of the second half of the nineteenth century and he still remains highly influential among Christians of different denominations today His sermons have spread all over the world and his many printed works have been cherished classics for decades In his lifetime Spurgeon preached to more than 10 million people often up to ten times each week He was the pastor of the congregation of the New Park Street Chapel later the Metropolitan Tabernacle in London for 38 years He was an inexhaustible author of various kinds of works including sermons commentaries an autobiography as well as books on prayer devotionals magazines poetry hymns and more Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration and his oratory and writing skills held his audiences spellbound Many Christians have discovered Spurgeon s messages to be among the best in Christian literature Edward Walford wrote in *Old and New London* Volume 6 1878 quoting an article from the Times regarding one of Spurgeon s meetings at Surrey Fancy a congregation consisting of 10 000 souls streaming into the hall mounting the galleries humming buzzing and swarming a mighty hive of bees eager to secure at first the best places and at last any place at all After waiting more than half an hour for if you wish to have a seat you must be there at least that space of time in advance Mr Spurgeon ascended his tribune To the hum and rush and trampling of men succeeded a low concentrated thrill and murmur of devotion which seemed to run at once like an electric current through the breast of every one present and by this magnetic chain the preacher held us fast bound for about two hours It is not my purpose to give a summary of his discourse It is enough to say of his voice that its power and volume are sufficient to reach every one in that vast assembly of his language that it is neither high flown nor homely of his style that it is at times familiar at times declamatory but always happy and often eloquent of his doctrine that neither the Calvinist nor the Baptist appears in the forefront of the battle which is waged by Mr Spurgeon with relentless animosity and with Gospel weapons against irreligion cant hypocrisy pride and those secret bosom sins which so easily beset a man in daily life and to sum up all in a word it is enough to say of the man himself that he impresses you with a perfect conviction of his sincerity More than a hundred years after his death Charles Spurgeon s legacy continues to effectively inspire the church around the world For this reason Delmarva Publications has chosen to publish the complete works of Charles Spurgeon **365 Ways to Know God** Elmer L. Towns,2015-06-05 365 Ways to Know God provides one devotional reading for each day of the year

including a key verse devotional message prayer Scripture references for further study and a key thought As you read and pray through each devotional exploring a different name of God each day you will learn more about God s character You will begin to know Him more intimately and live closer to Him than ever before When you choose to go deeper and study the suggested Bible reading you will develop even more understanding of the name assigned for that day Get ready to be transformed through this devotional study as you draw near to God Elmer Towns know a lot about the names of God He has lectured on the names of each of the three Persons of the Godhead and has written three best selling books on them to give us information on God s names and to help us understand the nature of God from His names Many people have used them in their Bible studies or Sunday school classes Now in this devotional Dr Towns writes to our hearts so that we can feel and apply God to our everyday living says author Tim LaHaye in the book s Foreward Through the names of God we can touch God each day in a new and different way but most important God can touch us daily

The World's Congress of Religions John Wesley Hanson,1894 *The World's Sixteen Crucified Saviors; Or, Christianity Before Christ* Kersey Graves,2022-05-28 In *The World s Sixteen Crucified Saviors Or Christianity Before Christ* Kersey Graves undertakes a provocative examination of religious history positing that the figure of Jesus Christ shares striking similarities with previous savior figures across various cultures and civilizations Through meticulous comparisons and thorough research Graves delineates the archetype of the crucified savior revealing a tapestry of mythological parallels that question the uniqueness of Christian doctrine His literary style is both analytical and narrative driven presenting a compelling case within the broader context of 19th century religious criticism and emerging secular thought Kersey Graves a 19th century author and freethinker was known for his inquiry into the intersections of religion and rationalism His background as a member of the reformist movement informed his critiques of established religious norms and illuminated his quest for a universal understanding of spirituality Graves s multifaceted exploration of historical texts and religious allegories reflects a profound desire to challenge the dogma of his time and incite intellectual discourse on faith and morality This book is highly recommended for readers interested in theology mythology and the historical evolution of religious motifs Graves provides a thought provoking inquiry that encourages critical examination and dialogue regarding the foundations of belief systems making it essential reading for scholars and laypersons who seek to delve into the complexities of faith across cultures

The Lord Jesus Christ Jack Van Impe Ministries,1974 **The God Who Loves** John F. MacArthur,2008-07-06 God is love It s the most basic definition of God in Scriptures but so profound that it s often misunderstood In this probing book a brilliant Bible expositor brings us into the very heart of God by answering such questions as If God is love how could He send anyone to hell What s the difference between the loving God of the New Testament and the angry God of the Old Testament If God is love why did He require His Son to die such a cruel death on the Cross How can God be both loving and jealous The author argues against the two polar views of God as a sentimental grandfather whose doting love could not bring him to

punishment of the disobedient and God as an angry tyrant who would rule by threats Both extremes paint a distorted picture of God and further confuse the issue of understanding God's love Dr MacArthur writes He insists that what God loves is actually defined by what He hates and that neither His love nor His wrath can be understood in isolation from the other Although the author is clearly aware of the way great men have grappled with these issues in the history of the Church his doctrinal presentations arise more from the biblical text than from dogmatic theology He examines in detail the way John the apostle of love treats love in his First Epistle then fleshes out the doctrine of God's love in vivid representations of real people interacting with divine love *The World's Best Essays, from the Earliest Period to the Present Time* David Josiah

Brewer, Edward Archibald Allen, William Schuyler, 1900 **A Semiotic Christology** Cyril Orji, 2021-03-04 This book details how semiotics furthers an understanding of the science of Christology In the light of the trend towards evolutionary worldview the book goes beyond description and critically engages the sign system of C S Peirce which it sees as a conceptual tool and method for a better understanding of some of the basic issues in Christology **The Primitive**

Kersey Graves, 1876 Press Forward in Christ: Finding Greater Access to the Savior's Grace in Troubled Times Christopher R. Greenwood, Mark D. Mason, 2023-03-04 What does it mean to be truly converted to Jesus Christ To endure to the end Mortal life is full of trials and temptations that can challenge our faith and impede our progress to return to our Heavenly Father's presence It's easy to become discouraged frustrated or unmotivated when faced with what can feel like an impossible journey But it's important to remember that the Lord does not demand or expect perfection in this life All He asks is that we press forward in His name and find the strength to take the next step Drawing from the teachings of the Savior revelation from modern prophets and personal anecdotes authors Christopher R Greenwood and Mark D Mason guide you through gospel resources to strengthen your resolve and empower your understanding of Christ's Atonement In *Press Forward in Christ* you will find the strength to continue the struggle toward God even when faced with adversity overcome mortal failings and continue forward with your faith intact become truly converted in the Lord and willingly accept His guidance The way may be strait and narrow but through trust in our Savior's glory and the determination to press forward we can endure life's challenges faithfully and find lasting eternal joy **Sacra Pagina: 1, 2, and 3 John** John

Painter, 2023-05-30 The Johannine Epistles are today read as an important part of the Johannine literature Yet the meaning of the text is often unclear Part of the problem arises because although 1 John is called an Epistle it lacks the formal marks of an Epistle In 1 2 and 3 John John Painter illuminates the relationship 1 2 and 3 John have to each other and to the Gospel

Painter explains the historical context of the Johannine Epistles using a socio rhetorical approach The writings are shown to reflect a situation of conflict and schism within the Johannine community they seek to persuade the readers of the truth of the writer s message In this truth the readers are encouraged to abide if they would have the assurance of eternal life Painter also examines the inseparable connection between belief and ethical life in active love for one another Through the socio rhetorical approach Painter brings to light the continuing relevance of these writings 1 2 and 3 John is divided into two parts Chapters under 1 John are Introduction to the Exegesis of 1 John Outline of 1 John First Presentation of the Two Tests 1 6 2 27 Excursus Sin and Sinlessness Excursus Love of the Brother Sister of One Another Excursus The Antichrist Second Presentation of the Two Tests 2 28 4 6 Third Presentation of the Two Tests 4 7 5 12 Conclusion 5 13 21 and Excursus A Sin Unto Death Chapters under 2 and 3 John are 2 John Introduction to the Exegesis of 2 John Outline of 2 John Prescripti 2 John 1 3 Body of the Letter 4 11 Notice of Intention to Visit 12 and Final Greetings 13 3 John Introduction to the Exegesis of 3 John Outline of 3 John Prescript 3 John 1 2 Body of Letter 3 12 and Final Greetings 13 15
