No Jesus, No Heaven, No Salvation Jeff Everett,2024-05-31 The title and the contents of the book came to me in the middle of the night I was struggling with the security of the salvation I was tossing and turning losing sleepless nights over salvation I found out there are many believers that struggle with their salvation too So I decided to write a book on the assurance of salvation even if there are many topics on salvation that have been written I decided to embark on writing a book on salvation My inspiration to write a book on salvation came from the Holy Spirit The title of the book was also from the Holy Spirit I was totally guided by the Holy Spirit in writing this book along with references from the Bible The book is mainly about salvation The title of the book is an attention getter The title of the book How Secure Is Your Salvation generates curiosity As the saying goes never judge a book by its cover Engineered for Success Randy Riddell,2022-11-03 We know God works in the spiritual things in our life but what about our work Even when we are not aware God has a plan for the work in our life God has engineered our work for success and He has given us the principles for successful work in His Word Fulfillment in our work and life depends on following God s plan God has engineered you for successful work you just have to seek God s ways to attain it Engineered for Success will help you discover God s design and plan in your work no matter what vocation you have chosen There are seven key truths that are discussed to ensure your work is by God s plan 1 Work aEUR God s plan 2 Working with difficulty 3 Pleasing the boss 4 Rest for work success 5 Work priority aEUR putting work in its place 6 Rewards of work aEUR what to do with the fruit of our work 7 Ultimate purpose in work aEUR the big picture How we work and our attitudes about our work are probably the two biggest areas of our lives that can not only make our time on earth fulfilling but also make our eternity fully rewarding so determine to follow God s way in all that you do especially while you work
