Belsinger,2022-06-29 What is the perfect bite When I cook or eat I look for a balance of flavor in a dish or in a combination of foods It might combine all of the aspects together sweet sour salty bitter umami and sometimes pungent or aromatic The perfect bite is how I describe profound flavor a balance of tastes on the palate many of these are traditional dishes or family comfort foods These might include herbs or spices which add flavor I am passionate about this approach to cooking and eating I grow many of my own vegetables herbs and greens buy locally eat seasonally and organically this is the way that I like to eat Anyone who likes to eat good food will appreciate this book with over 200 recipes that feature flavor at its best The stories surrounding them create a kind of comfort food flavortherapy story Flavortherapy is a term I coined to describe how each recipe satisfies me in a different way some make me feel happy while others stimulate me or make me want to take a nap Just as aroma works in aromatherapy flavor works in flavortherapy There are specific foods that we desire because they make us feel good Each individual can use flavortherapy to make their own perfect bites      *Pacific Northwest Recipes*
