Christians Together A. Christian van Gorder, Gordon Fuller, 2020-08-06 Rabbi Gordon Fuller and Dr Christian van Gorder are committed to helping people of both faith traditions gain as far as is possible a participant s appreciation of those from the other community This means addressing misconceptions and misrepresentations as well as challenging widely held assumptions Jews and Christians Together delves into the strained relationship between these two faith communities and exposes why these communities need to come to a better understanding and appreciation of the other Events such as the attack on the Tree of Life Synagogue in Pittsburgh Pennsylvania demonstrate why society must address and foil anti Semitism and anti Judaism wherever and whenever such views appear The efforts of Fuller and van Gorder to explore these issues with their own faith communities can provide a helpful starting point to confront trends of increasing hate and bigotry towards Jews today Fuller and van Gorder ask us to acknowledge the marred history of Christianity and anti Semitism so that we can explore healthy Jewish Christian dialogue and gain a shared and constructive mutual respect *Authenticity* Brett Eastman, Dee Eastman, Todd Wendorff, Denise Wendorff, 2009-09-13 What does it take to build character How do you instill godly qualities inside yourself that are displayed consistently through words actions and attitudes that reflect what Jesus himself is like Building Character Together takes you and your small group inside the Bible to learn character building lessons from some of its most compelling figures In six enjoyable interactive sessions each volume in this six volume series helps you deeply explore the complex issues of developing Christian character Combining study discussion and shared experiences here is a pathway to growth both individually and as a group Explore the lives of David Mary Magdalene Jacob and other men and women of the Bible Learn lessons from their successes and failures and from their relationships with God and other people that you can readily link to yourself and your own life circumstances Enjoy frank discussions that draw you and other group members deeper into each others lives And put it all into action in a one day group retreat a service project a mini mission work and other experiences that help you make the leap from good words to good works *Surrendering to Christ* Brett Eastman, Dee Eastman, Todd Wendorff, Denise Wendorff, Karen Lee-Thorp, 2005 Surrendering to Christ Together teaches students that submission to God really is the best way to live Six small group sessions help kids learn the challenges and benefits of extreme faith and deep worship More Would You Rather...? It's amazing what can happen when you ask a silly question. Most of the time a student's answer has a story behind it. Explore the answers as you learn about students' values, fears, and faith. And the book's convenient size makes it easy to stick in your pocket, your backpack, or your car's glove compartment. Intercultural Discipleship (Encountering Mission) W. Jay Moon, 2017-12-05 This addition to an acclaimed series brings cutting edge research to bear on a topic of perennial interest: making disciples. The book looks at disciple making from multiple cultures to help readers discover contextual approaches that are culturally relevant and biblically faithful. It emphasizes methods that are especially effective with contemporary converts and includes practical examples from around the world. Each chapter includes sidebars, discussion questions, an activity for discipling, and a case study. An appendix contains further suggestions and exercises for instructors.

Creative Bible Lessons on the Prophets Crystal Kirgiss, 2009-08-30 12 insightful sessions on the prophets for youth workers, small group leaders, and Sunday school teachers. These 12 insightful sessions delve into the lives and missions of Old Testament prophets in ways that will pique kids' interest and imagination. Students will learn about ordinary individuals with evergreen, extraordinary messages about faithfulness, idolatry, self-centeredness, integrity, passionate faith, knowledge of God, a just society, and God's mighty hand in the history of all humankind. The prophets offer 2 indispensable gifts to teenagers: a window into the heart and mind of God and a recurring reminder that human beings matter immeasurably to God. The prophets talk to God and to people. But best of all, God responds. He speaks to people and to teenagers today.

Creative Bible Lessons in Revelation Randy Southern, 2009-08-08 Was the book of Revelation penned by the crazy uncle in the family of Bible writers? You try to convince yourself that the apostle John is just another New Testament writer: kindly, gentle, loving. You know, normal. But he's just so weird. Most of the time you have no idea what John is talking about in his revelation. When you must interact with his wild, otherworldly book, you escape as soon as you can to familiar, saner Bible texts. Like Matthew's Gospel or one of Paul's letters, after all, they straight up tell you what Jesus did and what you should do. Yet *Creative Bible Lessons in Revelation* will quickly convince you and your students that St. John wasn't so much a crazy guy as he was a visionary, inspirational, and worshipful guy. And you don't have to subscribe to any pre- or post-eschatology theory in order to learn all sorts of good stuff from the apostle. So while these 12 sessions complete and ready to teach won't help your students identify who the antichrist is or give them the coordinates of Armageddon's opening salvos, they will, however, acquaint your youth group with the mysterious nature of Revelation, then demonstrate how these apocalyptic principles actually provide practical application for us today. Here's what's inside every session: Detailed overviews for clear, convenient prepping; Intriguing activities and games with a

point that introduce that session's topic Hardcore Bible studies and provocative questions that trigger dialogue in both large and small groups Application exercises that translate John's visions into practical attainable actions and attitudes for students' daily lives Plus you'll get these bonuses Let's Get Theological lite intros to the various interpretations of the reactions to the events Revelation predicts More More More helpful supplements to activities and discussions Worthy of Worship top drawer suggestions for turning ordinary youth meetings into extraordinary times of praising God Questions about the future lurk in everyone's minds especially in the minds of teenagers Now is your chance to explore the book of Revelation with your students to glimpse at the never ending worship to come to grab hold of God's promises and his mercy and to bring some ease to troubled hearts
