The Existence Theodore Ihejieta,2018-12-21 *The Existence* By Theodore Ihejieta *The Existence* is a book of love and life that talks about the world as the existence of human beings and tells human beings to understand that the world is the love and the life It is a book of Planet Earth which the Planet Earth gave to the author because the author asked the Planet Earth for the book of the world The author is a human being who lost faith in God and called on Planet Earth to do work and save human beings from evil and death in the world This is a book of a human being who was challenged by evil and death in the world and the human being called on his existence for help and protection The author did not like to die in the world and told his existence that he did not want to die because the author believed that Planet Earth has the power to save human beings in the world *The Existence* is the faith the hope and the charity that God challenged human beings to find and tell the mountain of evil and death to move away from human beings

Wilkins,2019-05-22 If you desire your portion from God then you must ask like Agur did with a spirit of sincerity seeking only what you need Agur realized that there is a possibility that too much wealth could create a prideful memory lapse causing him to forget the source of his riches He knew that would be disastrous for his spiritual health He also knew the greatest wealth consists of having the presence of God the power of God and the peace of God prevalent in one's life Agur was confident God would give him exactly what he needed He let it be known to God however In the process of giving me my portion don't let it be too small where I would be forced to steal and bring disgrace to your holy name There's nothing wrong in letting God know that it is not your desire to be filthy rich and neither is it your desire to be filthy poor It is however your desire that he will meet your every need in such a manner that you will be able to please Him in all that you do so that His name will be glorified in you and through you Every page of Receiving My Portion is written to assist you in a daily devotion of encouragement and thanksgiving knowing that you have a Heavenly Father who delights in giving you your portion exactly what you need to walk in the victory that He has provided **Shine Love, Joy, and Peace!** Evangeline Mendez
