Emmanuel,2016-02-08 During its 33 season run Mister Rogers Neighborhood 1968 2001 left an indelible mark on millions of children and their caregivers Perhaps no series in the history of children s television has done more to develop the identity and ethics of the child More than a decade after Fred Rogers death he continues to attract an audience online Yet despite the show s lasting impact it has been largely ignored by scholars This collection of new essays focuses on Rogers contributions to children s lives to the media and to American culture at large The contributors discuss his stance on the individual and the perception of self his ideas about meaningful participation in a community and his use of television Clearly Mr Rogers ideas still strongly resonate Children's Books in Print R R Bowker Publishing,Bowker,1999-12

Adelman, 2018-11-20 In the United States the early years of the war on terror were marked by the primacy of affects like fear and insecurity These aligned neatly with the state's drive toward intensive securitization and an aggressive foreign policy But for the broader citizenry such affects were tolerable at best and unbearable at worst they were not sustainable Figuring Violence catalogs the affects that define the latter stages of this war and the imaginative work that underpins them These affects apprehension affection admiration gratitude pity and righteous anger are far more subtle and durable than their predecessors rendering them deeply compatible with the ambitions of a state embroiling itself in a perpetual and unwinnable war Surveying the cultural landscape of this sprawling conflict Figuring Violence reveals the varied mechanisms by which these affects have been militarized Rebecca Adelman tracks their convergences around six types of beings civilian children military children military spouses veterans with PTSD and TBI Guantánamo detainees and military dogs All of these groups have become preferred objects of sentiment in wartime public culture but they also have in common their status as political subjects who are partially or fully unknowable They become visible to outsiders through a range of mediated and imaginative practices that are ostensibly motivated by concern or compassion However these practices actually function to reduce these beings to abstracted figures silencing their political subjectivities and obscuring their suffering As a result they are erased and rendered hypervisible at once Figuring Violence demonstrates that this dynamic ultimately propagates the very militarism that begets their victimization

Legend of the Celtic Stone (Caledonia Book #1) Michael Phillips, 2016-03-01 When a legendary stone is stolen from Westminster Abbey Great Britain is set astir Both the IRA and the Scottish nationalists are suspected Amid the uproar young politician Andrew Trentham embarks on a personal quest for answers But the more he learns about his Scottish ancestry the more questions he has Farm City Novella Carpenter, 2009-06-11 Urban and rural collide in this wry inspiring memoir of a woman who turned a vacant lot in downtown Oakland into a thriving farm Novella Carpenter loves cities the culture the crowds the energy At the same time she can't shake the fact that she is the daughter of two back to the land hippies who taught her to love nature and eat vegetables Ambivalent about repeating her parents' disastrous mistakes yet drawn to the idea of backyard self-sufficiency Carpenter decided that it might be possible to have it both ways a homegrown vegetable plot as well as museums bars concerts and a twenty-four-hour convenience mart mere minutes away Especially when she moved to a ramshackle house in inner-city Oakland and discovered a weed-choked garbage strewn abandoned lot next door She closed her eyes and pictured heirloom tomatoes a beehive and a chicken coop What started out as a few egg-laying chickens led to turkeys geese and ducks Soon some rabbits joined the fun then two three hundred pound pigs And no these charming and eccentric animals weren't pets she was a farmer not a zookeeper Novella was raising these animals for dinner Novella Carpenter's corner of downtown Oakland is populated by unforgettable characters Lana anal spelled backward she reminds us runs a speakeasy across the

street and refuses to hurt even a fly let alone condone raising turkeys for Thanksgiving Bobby the homeless man who collects cars and car parts just outside the farm is an invaluable neighborhood concierge The turkeys Harold and Maude tend to escape on a daily basis to cavort with the prostitutes hanging around just off the highway nearby Every day on this strange and beautiful farm urban meets rural in the most surprising ways For anyone who has ever grown herbs on their windowsill tomatoes on their fire escape or obsessed over the offerings at the local farmers market Carpenter s story will capture your heart And if you ve ever considered leaving it all behind to become a farmer outside the city limits or looked at the abandoned lot next door with a gleam in your eye consider this both a cautionary tale and a full throated call to action Farm City is an unforgettably charming memoir full of hilarious moments fascinating farmers tips and a great deal of heart It is also a moving meditation on urban life versus the natural world and what we have given up to live the way we do
