Arrington, From studying Paul's letter to the Romans we can learn the content of the Christian faith like nowhere else in the New Testament Paul's words are loaded with divine truth and require careful study and thought Indeed the letter to the Romans is a theological jewel but Paul's discussions in the letter are sensible and practical As the name of the letter indicates Paul wrote it to a church in a city known as Rome At the same time without knowing it he wrote it to the whole world and for all the ages supporting the efforts of cross cultural ministry and providing a key to understanding the Bible So even though this great letter was addressed to the saints in Rome during the first century its message is eternal and its mandates are universal French L. Arrington Romans Andrew B. Spurgeon, 2020-05-31 In a world torn by racial social economic political and gender tensions the message of Romans is deeply relevant and needed It is a message both powerful and simple Christ loved us while we were enemies of God Can we then not follow his example and love those who are different than us Romans will prepare us to do so The Asia Bible Commentary Series empowers Christian believers in Asia to read the Bible from within their respective contexts Holistic in its approach to the text each exposition of the biblical books combines exegesis and application The ultimate goal is to strengthen the Body of Christ in Asia by providing pastoral and contextual exposition of every book of the Bible *Romans 1-16 MacArthur New Testament Commentary Two Volume Set* John MacArthur, 1994-05-09 This package includes the complete two volume set of the Book of Romans from the MacArthur New Testament Commentary series Romans 1 8 and Romans 9 16 The MacArthur New Testament Commentary series continues to be one of today's top selling commentary series In the volume one and two of the Book of Romans MacArthur gives verse by verse analysis in context and provides points of application for passages illuminating the biblical text in practical and relevant ways The series has been praised for its accessibility to lay leaders and is a must have for every pastor's library **Paul and the Ancient Letter Form** Stanley E. Porter, Sean A. Adams, 2010 Throughout the last century there has been continuous study of Paul as a writer of letters Although this fact was acknowledged by previous generations of scholars it was during the twentieth century that the study of ancient letter writing practices came to the fore and began to

be applied to the study of the letters of the New Testament This volume seeks to advance the discussion of Paul s relationship to Greek epistolary traditions by evaluating the nature of ancient letters as well as the individual letter components These features are evaluated alongside Paul s letters to better understand Paul s use and adaptations of these traditions in order to meet his communicative needs *Complete Jewish Bible-PR-Cjb/NIV* Hendrickson Publishers,2011-08 Introducing an exciting volume featuring the Messianic Complete Jewish Bible and the newly revised New International Version side by side For the first time readers who seek to compare the Evangelical Christian and Messianic Jewish Bibles need not buy them separately The CJB and the 2011 NIV version may both be read in this one of a kind parallel Bible Bible study and small group study participants will enjoy the particular characteristics of both translations Special Features The books of the CJB will appear in the same canonical order as the NIV Features the new NIV 2011 Presentation page CJB Preface NIV Preface

**Romans 1-8 MacArthur New Testament Commentary** John MacArthur,1991-04-01 Romans speaks to Christians today just as powerfully as it spoke to believers of the first century It speaks to moral intellectual social and spiritual issues But most important of all it lays the theological foundation for the Christian faith that holy God has made it possible through Christ for sinners to be made right before Him Join John MacArthur as he explains each verse in a way that is both doctrinally precise and intensely practical *Exploring Romans* George R. Knight,2010 Romans is one of the few books in the New Testament that was not composed as a pastoral response to specific localized problems Instead this letter was written primarily to challenge and ultimately correct widespread misunderstandings about Christianity held by mid first century believers Some of these beliefs are embraced even now Paul s central focus in Romans is the means of obtaining salvation Point by point he systematically builds his case by articulating who needs salvation and why the role of the law God s response to the sin problem resolution of the legal issues presented by sin and the effect each has on the Christian s life This devotional commentary divides the entire text into short passages that are followed by a detailed user friendly exegetical explanation and practical application to everyday life The lives of such men as Martin Luther and John Wesley whose writings helped shape Western history were changed by the study of Romans It will change your life as well Book jacket
