I was born in Lebanon, a land steeped in ancient traditions and deep spiritual currents. In 1977, my family and I immigrated to the United States, and with that journey began a lifelong process of integration of culture, identity, and ultimate meaning. I found myself standing between two seemingly opposing

forces the collective strength and unity of my Lebanese heritage and the fierce individualism of American life Rather than choose between them I learned to weave them together That early experience shaped everything It taught me how to hold complexity how to live in paradox and how to find harmony in contrast My academic path through Paralegal Studies Social Sciences and Political Science reflected my desire to understand the systems that govern both society and the human mind But it was my spiritual search that truly transformed me Over the years I immersed myself in a wide range of spiritual teachings from the esoteric wisdom of Gnosticism Hermeticism and the Kybalion to the heart opening truths of A Course in Miracles the mystical insights of Kabbalah and the sacred texts of Catholicism At first these teachings seemed fragmented and contradictory But over time I began to see the thread that connects them all a shared language of love unity and remembrance This book is the fruit of that journey It is not a doctrine but a distillation It is not meant to convert but to remind It s for the seeker who has explored many truths but longs to understand how they fit together It s for those who know there s something more something whole waiting to be uncovered As a life coach a mother a scholar and a spiritual explorer I offer this work with both humility and hope May it inspire you not only to think but to remember And may it gently guide you home to yourself to each other and to the deeper unity that connects us all

All Set Free Matthew J. Distefano,2015-09-30 What is the ending to the human drama Will all be reconciled to God in the end Does God demand an altar a corpse and blood Or rather is the Christian God set apart from all the other gods throughout history All Set Free sets out to answer some of the more difficult questions Christians today are faced with It will challenge the Augustinian understanding of hell and the Calvinist understanding of the atonement replacing them with a more Christ centered understanding of both doctrines This book will also use the work of Rene Girard in order to reshape how many understand what it means to be human Then and only then should we ask Who is God Come explore what has become Matthew s theological pilgrimage to this point Come discover the God of peace

A Voice of Reason Sherry Petro-Surdell,2013-05-28 What you are about to read began in my heart and found its way to hand written words on 3 ring note book paper These thoughts that turn into the spoken word I call Reasonings The words were often spoken to a small group of seekers Churches often call them sermons or messages but I call them Reasonings in reference to a biblical passage in Isaiah 1 18 Come now and let us reason together saith the Lord This infers to me that it is a co creation experience I also appreciate the Rasta spiritual perspective that calls this co creation process Reasonings to understand or as Rastafarians say to overstand the ways of God

The Return of Christ, a New Perspective Craig Gamble,2011-10-31 I moved from the San Francisco bay area to Riverbank in 2009 I have spent the last 2 years healing both physically and spiritually and have also used this time to finish this writing My relationship with God has been growing and healing since I got here and so I have chosen to open myself up to Gods Love completely and in doing so I have come to accept the path that God has put me on I don t know where this journey will take me but I go forth with the

undying belief that I must start the process with me and then I can freely share it with the world In following this ministry I know that I am doing our Fathers will And so I humbly come before you and ask that you join me in prayer Please pray for this world now more than ever This world needs healing and it can only come from Forgiveness I pray that these words will spread across the planet and touch everyone who hears them I trust in our Lord that in some small way my obedience to this calling will in some small way make a difference in this chaotic world that we live in May the Lord bless and keep you May He make his face shine upon you and give you peace
