The Cambridge History of Latina/o American Literature John Morán González, Laura Lomas, 2018-02-22. The *Cambridge History of Latina/o American Literature* emphasizes the importance of understanding Latina/o literature not simply as a US ethnic phenomenon but more broadly as an important element of a trans-American literary imagination. Engaging with the dynamics of migration, linguistic and cultural translation and the uneven distribution of resources across the Americas that characterize Latina/o literature, the essays in this History provide a critical overview of key texts, authors, themes and contexts as discussed by leading scholars in the field. This book demonstrates the relevance of Latina/o literature for a world defined by the migration of people, commodities and cultural expressions.

The Butterfly's Way Edwidge Danticat, 2003-07-01. In five sections: Childhood, Migration, Half-First Generation, Return and Future, the thirty-three contributors to this anthology write movingly, often hauntingly, of their lives in Haiti and the United States. Their diaspora, much like a butterfly's fluctuating path, is a shifting landscape in which there is much travel between two worlds: between their place of origin and their adopted land. This compilation of essays and poetry brings together Haitian Americans of different generations and backgrounds, linking the voices for whom English is a first language and others whose dreams will always be in French and Kreyòl. Community activists, scholars, visual artists and filmmakers join renowned journalists, poets, novelists and memoirists to produce a poignant portrayal of lives in transition. Edwidge Danticat, in her powerful introduction, pays tribute to Jean Dominique, a sometime participant in the Haitian diaspora and a recent martyr to Haiti's troubled politics, and the many members of the diaspora who refused to be silenced. Their stories, confidently and passionately, illustrate the joys and heartaches, hopes and aspirations of a relatively new group of immigrants belonging to two countries that have each at times maligned and embraced them.
