The Seventh-Day Sabbath and Its Redemptive Function in God's Everlasting Covenant of Grace A.M. Simataa, 2012-05 This special and remarkable book The Seventh day Sabbath and its Redemptive Function in God's Everlasting Covenant of Grace by A M Simataa addresses topical issues in the Bible quite pertinent to the 21st Century Christianity The author takes a defensive approach of the gospel and brings to the surface some of the least understood teachings of the Bible Although written from a Seventh day Adventist's perspective people of differing religious background and persuasions will find this book very instructive If you have been looking for a

book that pains takingly discusses the Gospel seriously and biblically this is the book you have been searching for Some of the topics featured in the book include The Truth about the Bible Sabbath The Judgment of the Living Heavenly New Jerusalem The Marriage Supper of the Lamb and the Rapture The Remnant Church in the Parables Mr A M Simataa teaches at a High School in Windhoek Namibia He likes sharing the Gospel with others and spends some of his spare time witnessing to others The central role of the Seventh day Sabbath in the Redemption of our race is the least understood topic in the Bible today Most believers have even dismissed its relevance to today s Christianity However the truth is that the Sabbath is at the heart of Christ s work to save human beings in accordance with God s plan The Sabbath is so central to the work of atonement that Christ is referred to in the Bible as the Lord of the Sabbath The issue of the Sabbath will become pertinent as we near the End and every human being will be required to take a stand in the conflict involving the Sabbath question This book will plant your feet on a solid foundation *The Seventh-Day Sabbath and the Christian Doctrine of Redemption* A. M. Simataa, 2015-06-30 The Seventh Day Sabbath and the Christian Doctrine of Redemption is a book every Christian must have in their home library The author tackles the biblical doctrine of redemption in a convincing manner and drives home the centrality of the Sabbath in redemption Over the past hundred years the witness of the sciences such as physics and biochemistry including mathematics as well as the testimony of archaeology and history has put the skeptics of the Bible on the defensive To this overwhelming testimony the author adds the witness of recent fulfilled Bible prophecy The author proceeds to show persuasively how recent fulfilled prophecies have proved once again that the Bible is truly the Word of God In the book the closing work of the gospel on the planet is shown to have a prophetic edge that no one person on the globe can afford to ignore *The Seven Angels of Peace* Sarah Anne Barker, 2019-12-05 The 7 Angels of Peace is a living breathing teaching from the heart This book lifts the veil on the world of the Essenes and their angels and the gifts of peace they have to offer us A complete peace which embraces the seven aspects of our lives our body and mind relationships work beliefs the Earth and our Divinity Sarah Anne Barker brings to life this ancient teaching from the fresh perspective of the angels As a spiritual teaching which is relevant for the modern world This teaching is two thousand years old that of the ancient Essenes and their angels There have often been teachers of peace but few have spoken of angels of peace as the Essenes did It offers a new vista to the eyes and hearts of those who read it One of peace joy and hope for new beginnings One which empowers us to know we can each make a positive contribution to peace with the angels Based on the ancient Essene scrolls which were discovered last century it is a handbook for peace We are given the seven angel meditations which we can practise to create peace A simple daily meditation practice in which we can invite the angels into our lives for the purpose of peace **The Seven Days** Claire Wilcox, 2021-12-15 Anyone who has ever found the configuration of the Bible to be confusing will enjoy The Seven Days Making Sense of the Bible s Structure Claire Wilcox asks If all Scripture is God breathed then wouldn t the Bible s structure also be divinely inspired For both veteran and new readers of the Bible this book

provides a thought provoking look at the creation that reveals God's plan for salvation woven throughout the structure of the Bible. Its canonical sequence of sixty six books finally makes sense. Rather than a stand alone narrative the first creation story of Genesis can be read as the thematic key to the God breathed structural organization of the Bible. By correlating sense and structure to the entire biblical canon for each of the seven days of creation the author breaks new ground. Discover great and hidden things that go far beyond anything you've ever known by using structural analysis to understand the Bible. *I Talk to Angels* Beverley Densham, 2020-02-29 This book will help you to develop your relationship with angels surrounding you in your life to the highest level with practice and guidance. It will show you how you can harness their guidance in your personal family and business life business helping you fulfil your life's purpose. More than anything learning to talk to your angels and welcoming them in your life will show you how they can help you receive love happiness and success in abundance. **Seventh-day Adventist Christian: Do You Know Who You Are?**, 2016-02-17 Do you know who you are? Of course I know who I am I am Professor John Smith of Someplace USA born to Bob and Patty Smith. But I'm not talking about your name your profession where you live or who your parents are. Let me reword the question. Do you know who you are in terms of your religious beliefs and relationship with God? Of course I know who I am I am a Seventh day Adventist. OK but what does that mean? Dr Max Hammonds proposes that it goes beyond simply saying that we obey ALL of the Ten Commandments and that Jesus is coming back to take His followers home to heaven. Presented in this book is a carefully reasoned and biblically sound exploration of familiar topics that we always thought we understood. With warm personal stories told in the style of a private conversation at a quiet retreat Dr Hammonds works through the basic fundamentals of what it means to be a Christian and a Seventh day Adventist in the real world living for God during the Time of the End. This is not just another book about Adventist doctrines. This book gets at the heart of Christianity while focusing on the special calling we have as Adventists. On The Seventh Day Mark Wilson, 2021-03-07 God is furious. He has run out of patience with humans and decided that our time is over. We've had our chance and it's back to the drawing board. Mo and Jay best friends who've screwed up in the past beg him for one more chance to get the humans back on track. Alongside Mr Salazar the head of a global charity foundation and Nick The Fallen Angel they hurtle towards Armageddon and their one chance to prove God wrong. They have seven days to save us. Praise for *On The Seventh Day*. I don't know any other writer with the diversity of Mr Wilson when it comes to putting his stories on paper the only guarantee is they're Scottish. Amazon reader. A strange mix of book. It made me howl with laughter in places and in others made me consider my place in the universe sometimes immediately after each other. I thoroughly enjoyed it and recommend it. A very funny and very clever book. Mark Tilbury author of *The Abattoir of Dreams*. Wilson seems to be revelling in his native North Lanarkshire's new confidence and swagger. Although he has never shied away from writing in his native tongue this book flows beautifully despite the subject matter. Des McNulty author of *Life is Local In American*

Gods Neil Gaiman humanized the Gods wonderfully In this book Mark Wilson humanizes God and the supernaturals terribly awe fully and disgustingly And it is brilliant Colette Brown author of *The Prescription Rise and Progress of the Seventh-day Adventists* John Norton Loughborough,1892 **A Meteorological Study of Radar Angels** V. G. Plank,1956
