Seven Hands Seven Hearts:

Seven Hands, Seven Hearts Elizabeth Woody, 1994 *Seven Hands Seven Hearts* includes the entirety of Elizabeth Woody's highly acclaimed first book of poems *Hand into Stone* winner of the American Book Award as well as new poems stories and essays The work is united by common themes a rootedness in the Northwest landscape the histories of her ancestors and the ongoing struggle to define what it means to be a tribal member an American and a woman at the end of the twentieth century *New Directions in Ecofeminist Literary Criticism* Andrea Campbell, 2009-03-26 As ecofeminism continues to gain attention from multiple academic discourses the field of literary criticism has been especially affected by this philosophy social movement Scholars using ecofeminist literary criticism are making new and important arguments concerning literature across the spectrum and issues of environment race class gender sexuality and other forms of oppression The essays in *New Directions in Ecofeminist Literary Criticism* highlight the intersections of these oppressions through the works of different authors including Barbara Kingsolver Ruth Ozeki Linda Hogan and Flora Nwapa and demonstrate the expansion of ecofeminist literary criticism to a more global scale as well as important connections with the field of environmental justice This collection offers fresh insight and expands the important discussion surrounding the field of ecofeminism and literature

Speaking for the Generations Simon J. Ortiz, 2022-02-08 Now it is my turn to stand At Acoma Pueblo meetings members rise and announce their intention to speak In that moment they are recognized and heard In *Speaking for the Generations* Acoma Pueblo poet Simon Ortiz brings together contemporary Native American writers to take their turn Each offers an evocation of herself or himself describing the personal social and cultural influences on her or his development as a writer Although each writer's viewpoint is personal and unique together they reflect the rich tapestry of today's Native literature Of varied backgrounds the writers represent Indian heritages and cultures from the Pacific Northwest to the northern plains from Canada to Guatemala They are poets novelists and playwrights And although their backgrounds are different and their statements intensely personal they share common themes of their relationship to the land to their ancestors and to future generations of their people From Gloria Bird's powerful recounting of personal and family history to Esther Belin's vibrant tale of her urban Native homeland in Los Angeles these writers reveal the importance of place and politics in their lives Leslie Marmon Silko calls upon the ancient tradition of Native American storytelling and its role in connecting the people to the land Roberta J Hill and Elizabeth Woody ponder some of the absurdities of contemporary Native life while Guatemalan Victor Montejo takes readers to the Mayan world where a native culture had writing and books long before Europeans came Together these pieces offer an inspiring portrait of what it means to be a Native writer in the twentieth century With passion and urgency these writers are speaking for themselves for their land and for the generations *The Diné Reader* Esther G. Belin, Jeff Berglund, Connie A. Jacobs, Anthony K. Webster, 2021-04-20 2022 Before Columbus Foundation American Book Award Winner *The Diné Reader* An Anthology of Navajo Literature is unprecedented It showcases the breadth depth and

diversity of Din creative artists and their poetry fiction and nonfiction prose This wide ranging anthology brings together writers who offer perspectives that span generations and perspectives on life and Din history The collected works display a rich variety of and creativity in themes home and history contemporary concerns about identity historical trauma and loss of language and economic and environmental inequalities The Din Reader developed as a way to demonstrate both the power of Din literary artistry and the persistence of the Navajo people The volume opens with a foreword by poet Sherwin Bitsui who offers insight into the importance of writing to the Navajo people The editors then introduce the volume by detailing the literary history of the Din people establishing the context for the tremendous diversity of the works that follow which includes free verse sestinas limericks haiku prose poems creative nonfiction mixed genres and oral traditions reshaped into the written word This volume combines an array of literature with illuminating interviews biographies and photographs of the featured Din writers and artists A valuable resource to educators literature enthusiasts and beyond this anthology is a much needed showcase of Din writers and their compelling work The volume also includes a chronology of important dates in Din history by Jennifer Nez Denetdale as well as resources for teachers students and general readers by Michael Thompson The Din Reader is an exciting convergence of Navajo writers and artists with scholars and educators

Encyclopedia of American Indian Literature Jennifer McClinton-Temple, Alan Velie, 2015-04-22 Presents an encyclopedia of American Indian literature in an alphabetical format listing authors and their works

Speak to Me Words Dean Rader, Janice Gould, 2003-11 Although American Indian poetry is widely read and discussed few resources have been available that focus on it critically This book is the first collection of essays on the genre bringing poetry out from under the shadow of fiction in the study of Native American literature Highlighting various aspects of poetry written by American Indians since the 1960s it is a wide ranging collection that balances the insights of Natives and non Natives men and women old and new voices

Creative Alliances Molly McGlennen, 2014-08-04 Tribal histories suggest that Indigenous peoples from many different nations continually allied themselves for purposes of fortitude mental and physical health and creative affiliations Such alliance building Molly McGlennen tells us continues in the poetry of Indigenous women who use the genre to transcend national and colonial boundaries and to fashion global dialogues across a spectrum of experiences and ideas One of the first books to focus exclusively on Indigenous women's poetry *Creative Alliances* fills a critical gap in the study of Native American literature McGlennen herself an Indigenous poet critic traces the meanings of gender and genre as they resonate beyond nationalist paradigms to forge transnational forms of both resistance and alliance among Indigenous women in the twenty first century McGlennen considers celebrated Native poets such as Kimberly Blaeser Ester Belin Diane Glancy and Luci Tapahonso but she also takes up lesser known poets who circulate their work through social media spoken word events and other nonliterary forums Through this work McGlennen reveals how poetry becomes a tool for navigating through the dislocations of urban life disenrollment diaspora migration and queer identities McGlennen's Native American Studies

approach is inherently interdisciplinary Combining creative and critical language she demonstrates the way in which women use poetry not only to preserve and transfer Indigenous knowledge but also to speak to one another across colonial and tribal divisions In the literary spaces of anthologies and collections and across social media and spoken word events Indigenous women poets are mapping cooperative alliances In doing so they are actively determining their relationship to their nations and to other Indigenous peoples in uncompromised and uncompromising ways *Bridge For Dummies* Eddie

Why Indigenous Literatures Matter Daniel Heath Justice,2018-03-08 Part survey of the field of Indigenous literary studies part cultural history and part literary polemic *Why Indigenous Literatures Matter* asserts the vital significance of literary expression to the political creative and intellectual efforts of Indigenous peoples today In considering the connections between literature and lived experience this book contemplates four key questions at the heart of Indigenous kinship traditions How do we learn to be human How do we become good relatives How do we become good ancestors How do we learn to live together Blending personal narrative and broader historical and cultural analysis with close readings of key creative and critical texts Justice argues that Indigenous writers engage with these questions in part to challenge settler colonial policies and practices that have targeted Indigenous connections to land history family and self More importantly Indigenous writers imaginatively engage the many ways that communities and individuals have sought to nurture these relationships and project them into the future This provocative volume challenges readers to critically consider and rethink their assumptions about Indigenous literature history and politics while never forgetting the emotional connections of our shared humanity and the power of story to effect personal and social change Written with a generalist reader firmly in mind but addressing issues of interest to specialists in the field this book welcomes new audiences to Indigenous literary studies while offering more seasoned readers a renewed appreciation for these transformative literary traditions

That Dream Shall Have a Name David L.

Moore,2020-04-01 The founding idea of America has been based largely on the expected sweeping away of Native Americans to make room for EuroAmericans and their cultures In this authoritative study David L Moore examines the works of five well known Native American writers and their efforts beginning in the colonial period to redefine an America and American identity that includes Native Americans *That Dream Shall Have a Name* focuses on the writing of Pequot Methodist minister William Apess in the 1830s on Northern Paiute activist Sarah Winnemucca in the 1880s on Salish M tis novelist historian and activist D Arcy McNickle in the 1930s and on Laguna poet and novelist Leslie Marmon Silko and on Spokane poet novelist humorist and filmmaker Sherman Alexie both in the latter twentieth and early twenty first centuries Moore studies these five writers stories about the conflicted topics of sovereignty community identity and authenticity always tinged with irony and often with humor He shows how Native Americans have tried from the beginning to shape an American narrative closer to its own ideals one that does not include the death and destruction of their peoples This compelling work offers keen insights into the relationships between Native and American identity and politics in a way that is both accessible to newcomers and compelling to those already familiar with these fields of study

Here First Arnold Krupat,Brian Swann,2000-06-13 *Here First* is an important new collection of essays by Native American writers compiled by Arnold Krupat and Brian Swann the

editors of *I Tell You Now Autobiographical Essays by Native American Writers* In Here First authors such as Sherman Alexie Greg Sarris and Elizabeth Woody tell the stories of their lives and their art Each essay demonstrates the breadth of experience of twenty seven individuals united in the creative expression of a Native American heritage Each has a different relation to that heritage and in describing it through personal and family history with verse and in anecdotes the writers give a strong image of the different cultures that have shaped them This is living history and the kind of collective memoir that makes for fascinating and rewarding reading one of the most vivid and diverse portraits of Native American culture available today

Death of Celilo Falls Katrine Barber, 2011-07-01 For thousands of years Pacific Northwest Indians fished bartered socialized and honored their ancestors at Celilo Falls part of a nine mile stretch of the Long Narrows on the Columbia River Although the Indian community of Celilo Village survives to this day as Oregon's oldest continuously inhabited town with the construction of The Dalles Dam in 1957 traditional uses of the river were catastrophically interrupted Most non Indians celebrated the new generation of hydroelectricity and the easy navigability of the river highway created by the dam but Indians lost a sustaining center to their lives when Celilo Falls was inundated *Death of Celilo Falls* is a story of ordinary lives in extraordinary circumstances as neighboring communities went through tremendous economic environmental and cultural change in a brief period Katrine Barber examines the negotiations and controversies that took place during the planning and construction of the dam and the profound impact the project had on both the Indian community of Celilo Village and the non Indian town of The Dalles intertwined with local concerns that affected the entire American West treaty rights federal Indian policy environmental transformation of rivers and the idea of progress
