People who go after it as though it were real and tangible, say a person who is trying to earn a hundred- thousand dollars, orient their lives and end up in such a way as to have been significantly changed simply to have reached that goal. They become part of that object and since the object is a dream (a mirage) they become quite different from what they set out to be.
4. Money is a nightmare - in jail, robbery, fears of poverty. I am not expressing a moral judgment. I am making very clear something that
