Back to Where We Came From B. Lising,2020-05-21 What on earth are we doing here Why are we on this planet We would normally try to understand things by seeing their origin If we could know their beginning then we would know their purpose But how about humankind what is our starting point The Gospel is the one and only connection we have from Eternity This means that the only way we can know our origin and purpose is to see the whole account of the Gospel The author believes in the perfect consistency of the Scripture that all books of the Bible hold only a single message He is also convinced that the last book is the summary of the whole Bible the book of Revelation will connect all the dots and will reveal to us the big picture This manuscript will give readers a clear understanding about the origin of mankind before the beginning of time our foretold journey on earth and our new beginning after the ending of time This is the Big Picture of Our Great Restoration **Remains of the late Reverend Alexander Nisbet ... consisting of Essays, Lectures and Sermons. With a memoir of his life, by the Rev. John Taylor** Alexander NISBET (Minister of the Secession Church, Portsburgh.),1835 *Stellar Dust* P. A. Graves,1896 *A Biblical and Theological Dictionary* Richard Watson,1842 *The Bible, Rocks and Time* Davis A. Young,Ralph F. Stearley,2008-08-18 Davis A Young and Ralph Stearley seek to convince readers of the vast antiquity of the Earth They point out the flaws of young Earth creationism and counter the impression by many scientists that all Christians are young Earth creationists *Assyrian Echoes of the Word* Thomas Laurie,2020-11-30 This volume does not claim to march in the front ranks of Assyrian scholars The writer has not excavated mounds hitherto unknown and interpreted the tablets he found there His has been the humbler aim of making a larger number acquainted with the work that has been done and with some at least of the results obtained He has sought to gather up the fragments that nothing be lost so that humble believers who have been startled by the noise of the battle now raging round the Word may have their hearts reassured by the corroborations of the truth that lie stored up in every ancient mound and are brought to light by the pick of the explorer *A Biblical and Theological Dictionary* Richard Watson (Wesleyan Minister.),1831
