Fine, 1992 The mouse in the Coke bottle the promiscuous cheerleader the exploding Pop Rocks candy the Kentucky Fried Rat If the ballad and the fairy tale were the archetypal folklore forms of an earlier age such contemporary legends constitute the preferred narrative genre of the late twentieth century In Manufacturing Tales award winning folklorist Gary Alan Fine

presents a major new theory of the creation and diffusion of contemporary legends in modern society While ballad and fairy tale arose in folk communities and spread through trade and migration contemporary legends thrive in societies crosscut by varied communication channels and relatively open networks By looking at the social structural background the performance context the personality of the teller and the content of the text we gain insight into the formation dissemination and disappearance of these modern legends Fine identifies sex and money as key themes in contemporary legends reflecting the public s disguised attempts to deal with major contemporary preoccupations From the AIDS crisis to fears of food contamination in restaurants popular anxieties are reflected in folklore As dramatic moving comic and involving texts contemporary legends build relationships among acquaintances and strangers as depictions of the world that we face every day they provide perspective on potential challenges and as shared information they elaborate a consensual understanding of reality

**The Modern Weird Tale** S.T. Joshi,2015-11-16 This is a critical study of many of the leading writers of horror and supernatural fiction since World War II The primary purpose is to establish a canon of weird literature and to distinguish the genuinely meritorious writers of the past fifty years from those who have obtained merely transient popular renown Accordingly the author regards the complex subtle work of Shirley Jackson Ramsey Campbell Robert Aickman T E D Klein and Thomas Ligotti as considerably superior to the best sellers of Stephen King Clive Barker Peter Straub and Anne Rice Other writers such as William Peter Blatty Thomas Tryon Robert Bloch and Thomas Harris are also discussed Taken as a whole the volume represents a pioneering attempt to chart the development of weird fiction over the past half century

American Book Publishing Record ,2003 **Sex Death Enlightenment** Mark Matousek,2020-09-15 It s hard to know when you re having a breakdown in New York City The symptoms of living here succeeding here and losing your mind here are almost identical So begins Matousek s 1996 breakout memoir about leaving a fast track publishing life working for pop artist Andy Warhol at Interview Magazine and hitting the dharma trail in search of a meaningful life and spiritual wisdom Hailed by Publisher s Weekly as brave beautiful and brilliantly observed Sex Death Enlightenment became an international best seller published in 10 countries Like Elizabeth Gilbert in Eat Pray Love and Paul Monette in Borrowed Time Matousek takes the reader on an insightful rollicking search for answers to life s deepest questions in this landmark memoir Mark Matousek takes you everywhere his title promises and then some Sex Death Enlightenment is the most gripping and elegantly written memoir I ve read in ages It tugged me onward like the best suspense novel though I couldn t help lingering time and again to savor its wisdom Armistead Maupin author of Tales of the City An extraordinarily articulate chronicle of how the sickness of our time can spawn spiritual awakening and compassion Ram Dass author of Be Here Now and Grist For the Mill Brave beautiful and brilliantly observed Publishers Weekly starred review Bodies Gillian Bennett,2009-09-18 Because they are so often told as news contemporary legends force us to reevaluate life as we know it They confront us with macabre fantastic horrific or hilarious characters and events that seem to come straight out of myths and folktales but are

presented as present day events The difficulty is that it is not at all easy to decide whether these often disturbing stories should be treated as reliable or dismissed as fantasy The legends explored in this book are some of the most bizarre gruesome and politically sensitive stories in the contemporary legend canon At any moment a body may be invaded by noxious creatures deliberately infected with deadly disease or raided to provide donor organs for sick foreigners These are winter s tales the stuff of nightmares In this book Gillian Bennett traces the cultural history of six legends well known in Europe and America from medieval times to the present day Appearing in broadsides ballads myths ancient and modern legends novels plays films television shows and stories told in the oral tradition these legends are not just silly tales which can be dismissed as trivial and untrue They reveal much about the concerns and fears of everyday life and demonstrate the limits of knowledge and power in the modern world
