**The Formula** Marjorie Barcomb, 2010-10 Many books have been written about goal setting and making your dreams come true however just setting and writing your goals and objectives is not enough You must be forward looking anticipating roadblocks and challenges This book gives you the ammunition to prepare a strategy to mitigate challenging events as they unfold Are you ready to achieve your dreams We have all seen dream peddlers promising an easy answer to the problem of achieving health wealth and happiness Yet many of these alleged secrets of success end up amounting to nothing more than wishful thinking for a better life If you are tired of wishing for your life to get better it s time to build a solid foundation for your future The Formula Transform Your Dreams into Reality will supply you with the concrete strategies tips and techniques required to achieve your goals and dreams The step by step method employed in The Formula Transform Your Dreams into Reality will make you realize that the only thing standing between you and achieving your dreams is you and you are the person in charge of making things happen in your life Nancy Blitz Director of the Center for Teaching Effectiveness Arizona Western College *Electrical West* ,1921 The Investigation of the Soldiers' Home at Leavenworth, Kans United States.
