

# The SEVEN CITIES of the APOCALYPSE and GRECO-ASIAN CULTURE

ROLAND H. WORTH JR.

# Seven Cities Of The Apocalypse And Greco Asian Culture

**David A. deSilva**

## **Seven Cities Of The Apocalypse And Greco Asian Culture:**

**The Seven Cities of the Apocalypse and Greco-Asian Culture** Roland H. Worth, 2019-05-07 The companion to The Seven Cities of the Apocalypse and Roman Culture this study explores the social world in which early Christians functioned in Asia providing a comprehensive picture of life in this eastern province of the Roman Empire and focusing on how the local environment affects the interpretation of the book of Revelation The history population local culture economies and cults of each city are examined in detail Including data from hundreds of sources this volume should prove useful to students of both the Bible and Roman history as it bridges the gap between the two specialties and provides many details that enable the reader to imagine what life would really have been like in those ancient cities As such this study provides a valuable supplement to the broader question of Rome's general impact upon the region traced in the Roman Culture volume Although there are many works on the subject this is the only place where all the information is pulled together It is a useful resource for Scripture scholars nonprofessionals with an interest in Bible study professors and students of Scripture and historians specializing in the first century CE

**The Seven Cities of the Apocalypse and Roman Culture** Roland H. Worth, 2019-05-07 To understand the immediate cultural and societal background of the cities to which John wrote in Revelation 1 and 2 we must first understand the broader background of Roman civilization and its impact upon Asian province writes Roland H. Worth in the introduction to this fascinating information packed work It is an in depth study of the history culture society economics and environment of early Christians living in Roman Asia Drawing on a multitude of resources from diverse disciplines Worth surveys Roman life and attitudes in general and demonstrates how Roman power developed and was exercised in Asia He describes life in Roman Asia what it was like to live in that province how the imperial cult grew and prospered there as well as the nature of official governmental persecution in the first century A second book The Seven Cities of the Apocalypse and Greco Asian Culture will fill in the details of the local background of the Christians for whom the mini epistles in the book of Revelation were written

*The Pith of the Apocalypse* Paul A. Rainbow, 2008-10-15 To serve God and Christ faithfully in the midst of a pagan society that exalts power wealth and pleasure is the tenor of the prophetic summons to the church in the book of Revelation Unfortunately this simple message as potent today as it was at the end of the first century is often obscured by misguided if sincere interpreters The present book explores the background issues and lays out the principles that inform a sound approach to this enigmatic writing its historical and cultural setting its literary structure its symbolic code its core theological concepts its scheme of last things and its preachable and teachable points In dialogue with dispensationalism on the one hand and with the skeptical criticism of it on the other The Pith of the Apocalypse derives clues for cracking the Apocalypse from the book itself viewed against the sweep of the biblical prophetic tradition that flowed into it through the lens of methods widely accepted in mainstream New Testament scholarship Readers will return to the book of Revelation itself with enhanced confidence penetration and understanding

**The End of the**

**World as You Know It** Matthew L. Halsted, 2024-02-07 Thinking about the end times isn't supposed to terrify you Christians rightly turn to the Bible to make sense of our times But so often we get the wrong answers because we ask the wrong questions In *The End of the World as You Know It* Matthew L Halsted challenges common end times assumptions and points us back to Scripture Each chapter reevaluates a popular question in light of the Bible's own concerns Will Christians be raptured What is the mark of the beast When we let Scripture direct our questions we get better and more hopeful answers The Bible was written for us but not to us We must bridge the gap between Scripture's ancient context and our own Reading end times texts in their ancient context helps us understand our present and future And when we do we find that God's word brings peace not fear and confusion [Handbook of Early Christianity](#) Anthony J. Blasi, Paul-André Turcotte, Jean Duhaime, 2002 Visit our website for sample chapters

**The Sermons to the Seven Churches of Revelation** Jeffrey A. D. Weima, 2021-07-20 A top New Testament scholar preacher and tour guide to the lands of the New Testament offers an informed commentary on this challenging portion of Scripture with an eye toward preaching the text Jeffrey Weima explains the meaning of the seven sermons of Revelation 2-3 and provides sample sermons that show how these ancient messages despite their subtle Old Testament allusions and perplexing images are relevant for the church today The book includes photos maps and charts and is of interest to preachers students teachers and Bible study groups [The Throne Motif in the Book of Revelation](#) Laszlo Gallusz, 2013-12-05 This book argues that the throne motif constitutes the major interpretive key to the complex structure and theology of the book of Revelation In the first part of the book Gallusz examines the throne motif in the Old Testament Jewish literature and Graeco Roman sources He moves on to devote significant attention to the throne of God texts of Revelation and particularly to the analysis of the throne room vision chs 4-5 which is foundational for the development of the throne motif Gallusz reveals how Revelation utilizes the throne motif as the central principle for conveying a theological message since it appears as the focus of the author from the outset to the climax of the drama The book concludes with an investigation into the rhetorical impact of the motif and its contribution to the theology of Revelation Gallusz finally shows that the throne what it actually represents is of critical significance both to Revelation's theism and to God's dealing with the problem of evil in the course of human history [Revelation](#) Ben Witherington, 2003 Table of contents

**Biblical Studies on the Internet** Roland H. Worth, Jr., 2008-09-18 The new edition includes more than 4 800 resources available at more than 10 000 Internet sites that provide information on a range of biblical study topics including Bible translations in English and other languages audio translations of the Bible in English and other languages commentaries dictionaries and other resource materials including ones in Greek Hebrew and other ancient languages The author also has adopted a new method of referencing and cataloging the most widely used web pages to facilitate a major expansion of resources without increasing the physical length of the book itself In cases when ten or more resources are listed on a single web page the author has assigned the web page a three digit code The code is used to identify this web

page as a major resource within the main text while any needed instructions for use of the site are cross referenced separately in the final chapter In adopting this concise method the author was able to add hundreds of additional or updated web resources a surprising number of which can be downloaded onto a hard drive for immediate and continued use From Patmos to the Barrio David A. Sánchez, Sanchez s subject is the power of imperial myths and the subversive power unleashed when resistance movements take over those myths for their own purposes Moving from John of Patmos s inversion of Roman imperial mythology in Revelation 12 to the indigenous appropriation of Spanish symbolism and mythology drawn from Revelation 12 in 17th century Mexico Sanchez then explores the continuing power of the Virgin of Guadalupe La Guadalupea to inspire movements for a better society in our own day From Patmos to the Barrio reveals new insights into the biblical Apocalypse of John and the enduring power of its legacy down to the present day as well as translations of two important 17th century documents concerning La Guadalupea Luis Laso de la Vega s Huei tlamahuiacoltica and Miguel Sanchez s Imagen de la Virgen Maria Also included are images of La Guadalupea in the murals of East Los Angeles *Woman, Mother, and Bride* Felise Tavo, 2007 Over the past fifty years studies pertaining to the reality of the church in the Apocalypse have for the most part tended to be either selective or sketchy in their treatment of the relevant material of the book Yet in all fairness to the seer of Patmos his portrayal of the church as a reality decidedly complex and at once profound can only be attained in a thoroughgoing study of the principal ecclesial narratives of his work so as to allow for that indispensable synoptic overview of such intentionally correlated material Woman Mother and Bride is such a study It re examines the relevant imagery of the Apocalypse but from the perspective of the seer s ecclesial thought world and on the basis of his overriding pastoral concerns for the seven churches without which his work will continue to puzzle and trouble at every page The ensuing outlook on the church is panoramic in its scope yet compelling in its appeal which further goes to confirm the Apocalypse as one of the most significant theological achievements of early Christianity *Secularism and the Pursuit of Transcendence, Volume I* Stanley E. Porter, Wendy J. Porter, 2025-02-20 We live in a secular age or so we have been told Nevertheless the Christian church strongly believes that we still experience and in fact are surrounded by acts of transcendence encounters with God that often defy imagination and explanation And yet we do try to explain such phenomena whether theologically experientially biblically historically philosophically literarily or even or especially artistically These two volumes are more than just papers from a major conference on secularism and the pursuit of transcendence held at McMaster Divinity College in Hamilton Ontario They contain genuine attempts by people deeply engaged with their secular surroundings to explain what we mean by transcendence Transcendence has been a longstanding topic among the best thinkers of this and previous ages and the same is true for these volumes which include contributions by Charles Taylor Robert Wuthnow Merold Westphal and Christina Gschwandtner but also by a wide range of others who address the question from divergent vantage points The responses vary as much as the orientations of those involved in the pursuit of defining not only what it means to live in our secular age

but to be involved in the pursuit of transcendence or even to perceive the Transcendent's pursuit of us      *From Pentecost to Patmos, 2nd Edition* Craig L. Blomberg, Darlene M. Seal, 2021-07-01 Pairing depth of scholarship with contemporary application the authors of *From Pentecost to Patmos* have produced a unique introductory New Testament textbook Craig Blomberg and Darlene Seal provide the context and clarity that readers need to better understand Acts through Revelation showcasing the historical linguistic and theological implications found in each book This second edition includes expanded footnotes and a lengthier up to date introduction to Paul Newly added review questions maps and diagrams enhance the scholarship and make the resource truly user friendly      **From Every People and Nation** David M. Rhoads, A diverse group of New Testament scholars and theologians offer myriad paths to a better understanding of the Book of Revelation They discuss topics such as Hispanic Cuban American and African American perspectives ecological issues postcolonial themes and liberation theology The book also provides a set of guidelines for intercultural Bible study The volume's contributors include Brian K Blount Justo Gonz lez Harry O Maier Clarice J Martin James Okoye Tina Pippin Pablo Richard Barbara R Rossing V tor Westhelle Khiok Khng Yeo      **Discovering Revelation** David A. deSilva, 2021-04-29 The book of Revelation has been received over the past several centuries with both fascination and aversion but one thing is certain it has profoundly shaped Christian history and culture And the way it has shaped history and culture has been determined in large part by how the book has been variously and sometimes irresponsibly interpreted David A deSilva addresses the interpretation and reception history of Revelation in this compact up to date and student friendly introduction to the book of Revelation focusing on its structure content theological concerns key interpretive debates and historical reception *Discovering Revelation* draws on a range of methodological approaches author text and reader centered as complementary rather than mutually exclusive ways of interpreting the text DeSilva pays special attention to defining features of Revelation such as its use of sequences of seven as a major structuring device its nonlinear plotline and its deployment of contrast and parody As deSilva writes A text as rich and multidimensional as Revelation calls for its readers to adopt a rich and multidimensional approach that draws upon a variety of interpretative angles and skills      **Sacra Pagina: Revelation** Wilfrid J. Harrington, OP, 2023-06-13 More than any other New Testament writing the Book of Revelation demands commentary Its often bewildering text is easily open to less than scholarly interpretation      *From Every People and Nation* J. Daniel Hays, 2016-02-10 With this careful nuanced exegetical volume in the *New Studies in Biblical Theology* J Daniel Hays provides a clear theological foundation for life in contemporary multiracial cultures and challenges churches to pursue racial unity in Christ      **A Guide to Biblical Commentaries and Reference Works** John F. Evans, 2016-05-03 A Guide to Biblical Commentaries and Reference Works by John F Evans summarizes and briefly analyzes all recent and many older commentaries on each book of the Bible giving insightful comments on the approach of each commentary and its interpretive usefulness especially for evangelical interpreters of the Bible A Guide to Biblical Commentaries and Reference Works is

essentially an annotated bibliography of hundreds of commentators More scholarly books receive a longer more detailed treatment than do lay commentaries and highly recommended commentaries have their author s names in bold The author keeps up on the publication of commentaries and intends to update this book every three to four years     *Reading Revelation* Joseph L. Trafton, 2005 Trafton has produced a clear understandable insightful reading of the book of Revelation not an easy task for a book that has left many readers puzzled and confused One of the particular strengths of Trafton s commentary is his close attention to the structure of John s work and the internal connections between various passages of the book Readers will also benefit from Trafton s identification of John s extensive indebtedness to the Hebrew Bible for much of his imagery and ideas Mitchell G Reddish O L Walker Professor of Christian Studies and Chair Department of Religious Studies Stetson University     **Revelation** Jeff Ferguson, 2021-11-03 Social injustice social distancing and masks the coronavirus pandemic earthquakes wars and rumors of wars is this really the end times When thinking about the book of Revelation death and destruction lawlessness and chaos seem to be the focus of most people Humanity especially Hollywood seems to have an insatiable appetite for the sensational devastation and death that is predicted in this biblical prophecy The problem with this is most media sources miss the main point for which these catastrophes occur the call of God for His creation to reunite with Him The book of Revelation is probably the most controversial book of the Bible Which piece of literature throughout history has had more written about it with such widely divided opinions and differing beliefs Yet through all of the existing material there is still widespread confusion and improbable comprehension regarding this prophecy However controversial it may seem Revelation is also one of the most important writings we have available concerning the Christian life today It is a compulsory read for anyone serious about living their life for Jesus Christ *Revelation The Full Disclosure of Jesus Christ* takes the reader verse by verse through the entire twenty two chapters of Revelation giving accurate but easy to understand explanations It is designed as a study guide for the children of God at every level of understanding The book of Revelation is both a continuation and ending of the story that began in the book of Genesis So come let us explore together the final chapter of the greatest story ever told

Eventually, you will very discover a supplementary experience and completion by spending more cash. still when? do you consent that you require to get those all needs subsequently having significantly cash? Why dont you attempt to get something basic in the beginning? Thats something that will lead you to comprehend even more in relation to the globe, experience, some places, once history, amusement, and a lot more?

It is your unquestionably own epoch to conduct yourself reviewing habit. in the midst of guides you could enjoy now is **Seven Cities Of The Apocalypse And Greco Asian Culture** below.

## **Seven Cities Of The Apocalypse And Greco Asian Culture Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Seven Cities Of The Apocalypse And Greco Asian Culture has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Seven Cities Of The Apocalypse And Greco Asian Culture has opened up a world of possibilities. Downloading Seven Cities Of The Apocalypse And Greco Asian Culture provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Seven Cities Of The Apocalypse And Greco Asian Culture has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Seven Cities Of The Apocalypse And Greco Asian Culture. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Seven Cities Of The Apocalypse And Greco Asian Culture. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Seven Cities Of The Apocalypse And Greco Asian Culture, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves,

individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Seven Cities Of The Apocalypse And Greco Asian Culture has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### FAQs About Seven Cities Of The Apocalypse And Greco Asian Culture Books

**What is a Seven Cities Of The Apocalypse And Greco Asian Culture PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Seven Cities Of The Apocalypse And Greco Asian Culture PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Seven Cities Of The Apocalypse And Greco Asian Culture PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Seven Cities Of The Apocalypse And Greco Asian Culture PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Seven Cities Of The Apocalypse And Greco Asian Culture PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. **How do I compress a PDF file?** You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors

like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
