Seven Day Mystery:

Seven Days Dead John Farrow, 2016-05-24 In *Seven Days Dead* a woman races in a small boat through a torrential sea storm to Grand Manan island located off the coast of Maine. She is determined to reach her dying father's bedside. Meanwhile detective Cinq Mars is enjoying vacation with his wife on the island until he's caught up in the investigation of a murder. Long held secrets start to emerge and Cinq Mars begins to wonder if the two deaths are related. *The Storm Murders* the first book in the series received starred reviews from Library Journal, Publishers Weekly and Kirkus Reviews. Bookpage said "This terrific story with sympathetic characters and Farrow's crisp prose is some of the best fiction to come out of Canada." Louise Penny won't be bumped off the podium but she'll have to clear some space next to her. *Seven Days Dead* may very well get even better reviews.

The Book of Mysteries Jonathan Cahn, 2016 A traveler goes on a year-long journey with a man known only as The Teacher and absorbs a new teaching on spiritual truths for every day of the year. *Unveiling the Mysteries of the Last Days* David A. Hamblin, 2010-06 Since being written, the end-time prophecies of the Bible have been shrouded in mystery. Our world is now inundated with book after book on the subject of end-time interpretation. Often the most important aspects of the Bible's prophecies are twisted or changed to fit the needs of a Hollywood movie. Expertly sifting through the modern fog covering these important prophecies, David Hamblin takes an exhaustive yet thoroughly readable approach to the study of the end times. Using the proven techniques of the scientific method, David put together a system of prophecy analysis that would allow for extremely complex theories to be tested against the many and varying passages of end-times prophecy. Beginning with a solid faith in the Bible as the infallible Word of God, he now presents his findings in *God's Prophetic Timeline*. Never before has there been such a clear and concise presentation of God's timeline for the future along with many passages that David admits we cannot yet understand. Written for the minister and layperson alike, it begins by explaining the church age and progresses through each of Revelation's seven phases, ending with new heaven and new earth. His approach details even subtle prophetic material, including Israel's future wealth, the world war it triggers, and Jesus' coronation. Don't be puzzled any longer by confusion on the subject of prophecy. Leave behind the many contradictory theories propagated by the misinformed. Follow along as *God's Prophetic Timeline* shows you in detail the tested, validated, and unified understanding of the Bible's prophecies.

The Seventh-Day Sabbath and the Christian Doctrine of Redemption A. M. Simataa, 2015-06-30 The Seventh Day Sabbath and the Christian Doctrine of Redemption is a book every Christian must have in their home library The author tackles the biblical doctrine of redemption in a convincing manner and drives home the centrality of the Sabbath in redemption Over the past hundred years the witness of the sciences such as physics and biochemistry including mathematics as well as the testimony of archaeology and history has put the skeptics of the Bible on the defensive To this overwhelming testimony the author adds the witness of recent fulfilled Bible prophecy The author proceeds to show persuasively how recent fulfilled prophecies have proved once again that the Bible is truly the Word of God In the book the closing work of the gospel on the planet is shown to have a prophetic edge that no one person on the globe can afford to ignore

Asteroid Answers to Ancient Calendar Mysteries Herbert B. Stollorz,2008-07-03 Ancient calendars found around the world are designed to end one point in time They communicate an urgent warning to everyone alive today Complex bronze and gold clocks with multiple dials are found in museums around the world Why they have such advanced intricacy has stumped scientists for hundreds of years This book reveals why the

ancients built so many pyramids observatories as well as those complex gold and bronze clocks with more than one dial It surprised me greatly to discover that their various complex designs in one way or another converge on 21 December 2012 It amazes me that ancient cultures separated by thousands of miles of geography and thousands of years in chronology agree so precisely in the cyclical nature of time history and prophecy which is history written in advance The most famous example is the Mayan Aztec calendar which ends its 25 626 year cycle on that momentous date Some researchers have also found 21 December 2012 in what is called the Bible Code Using very different research methods I discovered it in the Bible s book of Revelation and Daniel s prophecies It is one of the most important dates in the plan of God for all humanity **Divine**
