

In ancient Hindu Cosmology, what we know as the Earth is only one of countless worlds located in Brahmanda, which is itself only one of the innumerable universes. The known world was located in the middle of the Brahma Loka, composed of many ring-shaped landmasses separated by oceans of various composition. From its center rose Mount Meru, reaching into the heavens. With the cycle of reincarnation, it was possible to reach other, upper or lower realms (or lokas). Below the Brahma Loka was a multitude of increasingly worse hellish realms, with the ocean Garbhodhaka located at the very bottom. Above the Earth and the sky were the heavenly realms, with the abode of the creator god Brahma located at the top of the world.

still in search of his destiny This is the story of his journeys Political personal and surreal landscapes are intricately woven together in this exquisite novel about djinns and fairies demonology and Sufism the partition of a country and above all the dreams that make men who they are The Early History of Heaven J. Edward Wright Associate Professor of Hebrew Bible and Early Judaism University of Arizona,1999-12-13 When we think of heaven we generally conjure up positive blissful images Heaven is after all where God is and where good people go after death to receive their reward But how and why did Western cultures come to imagine the heavenly realm in such terms Why is heaven usually thought to be up there far beyond the visible sky And what is the source of the idea that the post mortem abode of the righteous is in this heavenly realm with God Seeking to discover the roots of these familiar notions this volume traces the backgrounds origin and development of early Jewish and Christian speculation about the heavenly realm where it is what it looks like and who its inhabitants are Wright begins his study with an examination of the beliefs of ancient Israel s neighbors Egypt and Mesopotamia reconstructing the intellectual context in which the earliest biblical images of heaven arose A detailed analysis of the Hebrew biblical texts themselves then reveals that the Israelites were deeply influenced by images drawn from the surrounding cultures Wright goes on to examine Persian and Greco Roman beliefs thus setting the stage for his consideration of early Jewish and Christian images which he shows to have been formed in the struggle to integrate traditional biblical imagery with the newer Hellenistic ideas about the cosmos In a final chapter Wright offers a brief survey of how later Jewish Christian and Islamic traditions envisioned the heavenly realms Accessible to a wide range of readers this provocative book will interest anyone who is curious about the origins of this extraordinarily pervasive and influential idea The Greek Apocalypse of Baruch (3 Baruch) in Hellenistic Judaism and Early Christianity Daniel C. Harlow,2023-08-14 This volume represents the first comprehensive study of the Greek Apocalypse of Baruch 3 Baruch one of the most neglected of the Old Testament Pseudepigrapha Harlow discusses such introductory issues as text genre setting and function He carefully examines the chief critical issues in the study of this fascinating document including the literary integrity of the work and its original Jewish or Christian authorship He then proceeds to offer an interpretation of 3 Baruch as both a Jewish and Christian text His study succeeds in situating 3 Baruch within post 70 Hellenistic Judaism and in clarifying the early Christian interest in adapting editing and transmitting the work will find this study illuminating **The Fate of the Dead** R. B. Bauckham,1998 These pioneering studies of personal eschatology in the Jewish and Christian apocalypses including those neglected apocalypses which focus on life after death make an important contribution to understanding ideas and images of the hereafter in early Judaism and Christianity The Gospel of Jesus John Davidson,2005 An uplifting study of Jesus his times and his teaching **Naked Spirit** Jon Whale,2008 **Cosmology and Eschatology in Jewish and Christian Apocalypticism** Yarbro Collins,2021-12-06 This volume deals with Jewish and Christian apocalyptic texts and movements from the second century BCE through the fourth century CE It focuses on two major themes cosmology and eschatology that

is views of structure of the universe including its religious function and interpretations of history and the future The detailed historical and literary analysis of these themes are introduced by an essay on the cultural gap between the original contexts of these texts and those of readers today and how that gap may be bridged The book deals with the interrelations between post biblical Judaism and early Christianity The relevant Jewish texts and history are discussed thoroughly in their own right The Christian material is approached in a way which shows both its continuity with Jewish tradition and its distinctiveness

The Seven Heavens Mike Mazzalongo, 2017-03-31 This Mini Book compares the various ideas that exist about heaven with the Bible s description of this dimension Understanding the Universe in Seventh-century Ireland Marina Smyth, 1996 Works of early Irish authors include a strong biblical component but indicate that independent thought is accepted Scarcity of scientific data a real interest in the physical world and the need to validate the scriptures encouraged seventh century Irish scholars toward critical reflection on scientific matters Their world view was based on materials drawn from the Bible on earlier Christian works and on personal reflection and contemplation This volume looks at the Irish contribution to the development of western thought in the early middle ages MARINA SMYTH is librarian of the Medieval Institute at the University of Notre Dame and teaches early medieval cultural history **The Mysticism of Hebrews** Jody A. Barnard, 2012 Revised thesis Ph D Bangor University North Wales 2011 When Aseneth Met Joseph Ross Shepard Kraemer, 2015 This is the study of an anonymous ancient work usually called Joseph and Aseneth which narrates the transformation of the daughter of an Egyptian priest into an acceptable spouse for the biblical Joseph whose marriage to Aseneth is given brief notice in Genesis Kraemer takes issue with the scholarly consensus that the tale is a Jewish conversion story composed no later than the early second century C E Instead she dates it to the third or fourth century C E and argues that although no definitive answer is presently possible it may well be a Christian account This critique also raises larger issues about the dating and identification of many similar writings known as pseudepigrapha Kraemer reads its account of Aseneth s interactions with an angelic double of Joseph in the context of ancient accounts of encounters with powerful divine beings including the sun god Helios and of Neoplatonic ideas about the fate of souls When Aseneth Met Joseph demonstrates the centrality of ideas about gender in the representation of Aseneth and by extension offers implications for broader concerns about gender in Late Antiquity Flora Tells a Story Michael Kaler, 2008-11-05 In early Christianity many people were inspired to write gospels treatises letters and stories celebrating the new faith but not all of these writings are found in the New Testament One such story from an unknown author is the Coptic gnostic Apocalypse of Paul a tale of the apostle Paul s ascent to the heavens that was lost for millennia and rediscovered at Nag Hammadi in 1945 In Flora Tells a Story Michael Kaler discusses the Apocalypse of Paul and how it was shaped by its literary environment The book takes a behind the scenes look at early Christian literary production analyzing the ways in which various literary traditions such as apocalyptic writings gnostic thought and understandings of Paul influenced the author of the Apocalypse of Paul and helped to shape the text It

also includes a new annotated English translation of the Apocalypse of Paul and a fictional account of how it might have come to be written This work is the most in depth study of the Apocalypse of Paul to date and the only full length discussion of it in English It provides a detailed but accessible account of the literary environment in which its author worked and integrates this little known work into the broader stream of early Christian writings This book will be of interest to specialists in Nag Hammadi and gnostic studies and early Christian literature but will also appeal to the general reader interested in Christianity mysticism and gnosticism Ascent to Heaven in Jewish and Christian Apocalypses Martha Himmelfarb,1993
