Seven Victorian Poets. An anthology. Edited with an introduction and commentary by D. Wright (Poetry Bookshelf.)

David John Murray Wright

Note: This is no the actual book cover

Seven Victorian Poets Poetryshelf

David Wright

Seven Victorian Poets Poetryshelf:

The Nineteenth Century Brian Martin, 1989-08-29 The 19th century volume demonstrates the variety of English literature in an age of social intellectual religious and scientific ferment The shift to Romanticism is portrayed with extracts from major figures such as Blake Wordsworth and Coleridge and the contribution of women writers is fully recognised with selections from Jane Austen the Bronte sisters and Elizabeth Gaskell The anthology concludes with selections of Victorian poetry and extracts from Wilde and Stevenson and altogether offers a comprehensive sample of the vast treasure house of **Victorian Women Poets** Tess Cosslett, 2017-07-05 Through her selection of fourteen essays Tess 19th century literature Cosslett charts the rediscovery by feminist critics of the Victorian Women Poets such as Emily Bront Elizabeth Barrett Browning and Christina Rossetti and the subsequent developments as critics use a range of modern theoretical approaches to understand and promote the work of these non canonical and marginalised poets While the essays chosen for this volume focus on these three major figures work is also included on less well known poets who have only recently been brought into critical prominence. The introduction clarifies for the reader the themes problems and preoccupations that inform the criticism and provides a useful guide to the debates surrounding poetry and feminism investigating such questions as how feminist are these poems and does a women's tradition really exist. The advantages and disadvantages of applying different critical approaches such as psychoanalytic and historicist to the understanding of this period and genre are also fully explored Asian Classics on the Victorian Bookshelf Alexander Bubb, 2023 The interest among Victorian readers in classical literature from Asia has been greatly underestimated and Asian Classics on the Victorian Bookshelf explains the process whereby popular translations were written published distributed to bookshops and libraries and ultimately consumed Seven Victorian Poets David Wright, 1964 The Open Shelf ,1919 **Publishers' Circular and** by readers Booksellers' Record of British and Foreign Literature ,1896 **Beowulf and Other Stories** Joe Allard, Richard North, 2014-04-23 Beowulf Other Stories was first conceived in the belief that the study of Old English and its close cousins Old Icelandic and Anglo Norman can be a genuine delight covering a period as replete with wonder creativity and magic as any other in literature Now in a fully revised second edition the collection of essays written by leading academics in the field is set to build upon its established reputation as the standard introduction to the literatures of the time Beowulf Other Stories captures the fire and bloodlust of the great epic Beowulf and the sophistication and eroticism of the Exeter Riddles Fresh interpretations give new life to the spiritual ecstasy of The Seafarer and to the imaginative dexterity of The Dream of the Rood and provide the student and general reader with all they might need to explore and enjoy this complex but rewarding field The book sheds light too on the shadowy contexts of the period with suggestive and highly readable essays on matters ranging from the dynamism of the Viking Age to Anglo Saxon input into The Lord of the Rings from the great religious prose works to the transition from Old to Middle English It also branches out into related traditions with expert introductions to the

Icelandic Sagas Viking Religion and Norse Mythology Peter S Baker provides an outstanding guide to taking your first steps in the Old English language while David Crystal provides a crisp linguistic overview of the entire period With a new chapter by Mike Bintley on Anglo Saxon archaeology and a revised chapter by Stewart Brookes on the prose writers of the English Benedictine Reform this updated second edition will be essential reading for students of the period *Paperbacks in Print*, 1980 **The Nation**, 1925 **The Nation and Athenæum**, 1925

Selected Poems of Alexander Pope Alexander Pope,1916 Catalogue of Books in the Roxbury Branch Library of the Boston Public Library. Including the Collection of the Fellowes Athenaeum. Together with Notes for Readers Under Subject-references Anonymous,2025-08-11 Reprint of the original first published in 1876 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage The Victoria reciter: Felicia Hemans to Eliz. B.

Browning, ed. by A.H. Miles Alfred Henry Miles,1887 The Junior College Library Collection Frank J. Bertalan,1968

The Broadview Anthology of Victorian Poetry and Poetic Theory Thomas J. Collins, Vivienne J. Rundle, 1999-08-17 The Broadview Anthology of Victorian Poetry and Poetic Theory is the most comprehensive collection of poetry from the period ever published Included are generous selections from the work of all major poets and a representation of the work of virtually every poet of significance from Thomas Ashe at the beginning of the era to Charlotte Mew at its end The work of Victorian women poets features very prominently with extensive selections not only from canonical poets such as Elizabeth Barrett Browning and Christina Rossetti but also from poets such as Augusta Webster for which high claims have recently been made by critics The anthology reflects and will contribute to the ongoing reassessment of the canon that is central to English Studies today in all sixty six poets are represented The editors have included complete works wherever feasible including the complete texts of Tennyson's In Memoriam and of a number of other long poems A headnote by the editors introduces the work of each poet and each selection has been newly annotated The inclusion of twenty five selections of the poetic theory from the period is an important feature rounding out the anthology This anthology is also available in a concise edition **British Books in Print** ,1979 The British Library General Catalogue of Printed Books to 1975 British Catalogue of Books Arranged by Subjects Library Board of Western Australia, 1966 Library, 1987 Whitaker's Cumulative Book List ,1967
