Seven Women Portraits From The American Radical Tradition:

Seven Women Judith Nies, 1977 Sarah Moore Grimk Harriet Tubman Elizabeth Cady Stanton Mother Jones ps van Mary Harris Jones Charlotte Perkins Gilman Anna Louise Strong Dorothy Day What American Women Did, 1789-1920 Linda Miles Coppens, 2015-07-25 This reference book chronicles what American women did from the emergence of the republic through the end of World War I and the passage of the Nineteenth Amendment A broad spectrum of activities are depicted showing their many accomplishments and how their activities affected the world around them It was an era of great transition for all women A who s who of American women and some men those who showed great support or ironically great opposition to women s reform are described one year at a time beginning with 1789 and ending with 1920 Each year s activities are organized into seven possible categories domesticity work education religion the arts the law and politics and joining forces The book is thoroughly indexed **Feminist Phoenix** Jerry Rodnitzky, 1999-07-30 The rise and fall of feminist counterculture is traced through feminism s liberation of popular media such as music cinema and television and provides portraits of personalities as countercultural models In addition the decline of feminism after 1980 is explored The book begins by suggesting relevant countercultural problems and failures throughout American history to provide a broad historical perspective It also describes how the New Left countercultural stress influenced the women s liberation movement Individual chapters focus on how feminists used music as a counterculture and how they attempted to liberate media such as cinema television and advertising Cultural portraits of Janis Joplin Joan Baez and Gloria Steinem suggest how individual women can be effective countercultural models The book examines the decline of feminism since 1980 and links that decline to the fall of feminist counterculture Feminists of the 1960s seemed to be repeating the history of the 1920s when feminists gained the vote but then lost the next generation Contemporary feminists made many economic and political gains but again lost the next generation of women Despite this loss the book concentrates primarily on the positive and predicts that countercultural feminism will rise phoenix like into a new future feminist era **Sociological Theory** Bert N. Adams, R. A. Sydnie, 2001-01-30 This book connects theorists and their work to larger themes and ideas All too often in the opinion of the authors theory texts focus too much on individual theorists and insufficiently on the relationship between their theories and how these have contributed in turn to the evolution of ideas concerning social life Treatment of individual theories and theorists is balanced with the development of key themes ideas about social life introduced in Chapter 1 which then reappear in the discussion of individual theorists and their work A key organizing principle of this text is to trace major schools of thought over the past 150 years as they appear and reappear in different chapters Section 1 introductions help remind students of the big picture within which any given theory or theorist is only one part A consistent organization and presentation within chapters helps provide students with a context for learning and a means of much more easily comparing and contrasting theorists and their ideas Important new voices in a text for social theory In Chapter 2 Harriet Martineau is

introduced as one of sociology's founders. From then on, the views of women theorists and others are represented in far more than token fashion. Examples include W. E. B. DuBois, Marianne Weber, Charlotte Gilman, Rosa Luxemburg, Joseph Schumpeter, V. I. Lenin, Niklas Luhmann, Theda Skocpol, Erik Wright, Elman Service, Arlie Hochschild, Dorothy Smith, Patricia Hill Collins, and Immanuel Wallerstein. A timeline showing when social theorists lived and wrote and connecting their biographies to important social events over 300 years is at the back of the text. The organization of every chapter along similar lines provides a consistency in presentation that encourages comparisons among the theorists. The authors do a very good job presenting overlooked theorists and making their relevance to social theorizing doing sociology clear.

Joan Alway, formerly University of Miami. The strengths of this text are the breadth of theories covered, the integration of gender-related topics, family, work, religion, the use of substantial quotes from primary texts, the consistent inclusion of methodological issues, and the goals of the project to provide an expansive and readable theory text. I have no doubt that it will find a solid position in the field of popular theory texts for undergraduate course use.

Kathleen Slobin, North Dakota State University. *The Power of Woman*. Pamela R. Durso, 2003. Sarah Moore Grimke (1792-1873) wanted to become a useful member of society, a goal she met through her impressive contributions to American social reform during the 1830s. The issue that loomed largest during that decade was slavery, and Sarah became a spokeswoman for and a leader in the abolition movement. As a Southern gentlewoman, her contributions were unique in that she critiqued the institution based on personal experience. But Sarah did more than fight for the rights of slaves. Perhaps her greatest contribution was as an advocate of women's rights. Her feminist beliefs are set forth in her *Letters on the Equality of the Sexes* (1838). In this collection of letters, she implemented a new hermeneutic to interpret biblical verses traditionally considered to subject women to the tyranny of men. She confronted the subjugation of women based on divine authority and rejected patriarchal interpretations of Scripture. Based on her interpretation of Scripture, Sarah advocated full equality for women in education, vocation, politics, and finances. She became a role model for many women who later became leaders in the suffrage movement and is still a role model for many today. Sarah Moore Grimke confronted racism and prejudice within church, society, and herself. Most books and articles dealing with the Grimke sisters focus on Angelina, and no biography has been written of Sarah. This is the first book-length treatment of Sarah's life and work and as such is indispensable reading for those interested in women's studies, racism, suffrage history, and religious history.

I Have Seen the Future. Peter Hartshorn, 2012-01-10. At the dawn of the twentieth century, Lincoln Steffens, an internationally known and respected political insider, went rogue to work for McClure's Magazine. Credited as the proverbial father of muckraking reporting, Steffens quickly rose to the top of McClure's team of investigative journalists, earning him the attention of many powerful politicians who utilized his knack for tireless probing to battle government corruption and greedy politicians. A mentor of Walter Lippmann, friend of Theodore Roosevelt, and advisor of Woodrow Wilson, Steffens is best known for bringing to light the Mexican Revolution, the 1910 bombing of the Los Angeles Times, and the

Versailles peace talks Now with print journalism and investigative reporters on the decline Lincoln Steffens biography serves as a necessary call to arms for the newspaper industry Hartshorn's extensive research captures each detail of Steffens' life from his private letters to friends to his long and colorful career and delves into the ongoing internal struggle between his personal life and his overpowering devotion to the cause *Defending Animal Rights* Tom Regan, 2001 He puts the issue of animal rights in historical context drawing parallels between animal rights activism and other social movements including the anti-slavery movement in the nineteenth century and the gay/lesbian struggle today He also outlines the challenges to animal rights posed by deep ecology and ecofeminism to using animals for human purposes and addresses the ethical dilemma of the animal rights advocate whose employer uses animals for research BOOK JACKET *Protest, Power, and Change* Roger S. Powers, William B. Voegelé, Douglas Bond, Christopher Kruegler, 1997-01-01 Covers tactics leaders and famous actions From Solidarity's passive aggressive faceoff with communism to the courageous sit-ins and marches of the Civil Rights Movement here is the first systematic survey of peaceful confrontations between the forces for the status quo and the forces for change All the important events tactics and leaders are covered Women's suffrage blockades IRA hunger strikes monkey wrenching Charter 77 the Clamshell Alliance Rosa Parks Leo Tolstoy Martin Luther King Lech Wałęsa and many more Focuses on critical issues Clear comprehensive and authoritative the Encyclopedia examines such critical contemporary issues as violence the nature of power conflict resolution the mechanisms of social movements the application of moral authority and defines and surveys the underlying assumptions and prevailing thinking of all activists for change A practical blueprint for peaceful protest the first and only work of its kind For this first systematic treatment of the subject expert contributors from around the world have written essays on key persons events ideas works institutions groups and methods The result is a primer and practical guide on all aspects of nonviolent action There is an introduction a listing of the entries by category and a comprehensive index Special features First and only encyclopedia on the subject Spotlights the most important peaceful struggles of the 20th century Examines 104 nonviolent movements campaigns and events Profiles 70 activists and scholars including a dozen Nobel Peace Prize laureates Surveys 42 organizations that have led nonviolent movements Details 40 methods of peaceful protest *Feminists Who Changed America, 1963-1975* Barbara J. Love, 2006-09-22 Documenting key feminists who ignited the second wave women's movement Barbara J. Love's *Feminists Who Changed America 1963-1975* will be the first comprehensive directory to document many of the founders and leaders including both well-known and grassroots organizers of the second wave women's movement It tells the stories of more than two thousand individual women and a few notable men who together reignited the women's movement and made permanent changes to entrenched customs and laws The biographical entries on these pioneering feminists represent their many factions all parts of the country all races and ethnic groups and all political ideologies Nancy Cott's foreword discusses the movement in relation to the earlier first wave and presents a brief overview of the second wave in the context of other

contemporaneous social movements **Nine Women** Judith Nies,2002-10-15 Historian Judith Nies highlights the lives of nine women who worked effectively to give women equal rights and access to public life in the U S and she writes of women whose environmental activism has been crucial in the ongoing effort to preserve biological diversity on our earth On Effective Leadership G. Chandler,2013-02-04 Using case studies from a wide range of fields and historical settings On Effective Leadership seeks to explain why some leaders are effective why many are not and why only a very few are exceptional **Prophet Singer** Mark Allan Jackson,2009-09-18 Prophet Singer The Voice and Vision of Woody Guthrie examines the cultural and political significance of lyrics by beloved songwriter and activist Woodrow Wilson Woody Guthrie The text traces how Guthrie documented the history of America s poor and disadvantaged through lyrics about topics as diverse as the Dust Bowl and the poll tax Divided into chapters covering specific historical topics such as race relations and lynchings famous outlaws the Great Depression and unions the book takes an in depth look at how Guthrie manipulated his lyrics to explore pressing issues and to bring greater political and economic awareness to the common people Incorporating the best of both historical and literary perspectives Mark Allan Jackson references primary sources including interviews recordings drawings and writings He includes a variety of materials from the Smithsonian Institution the Library of Congress and the Woody Guthrie Archives Many of these have never before been widely available The result provides new insights into one of America s most intriguing icons Prophet Singer offers an analysis of the creative impulse behind and ideals expressed in Guthrie s song lyrics Details from the artist s personal life as well as his interactions with political and artistic movements from the first half of the twentieth century afford readers the opportunity to understand how Guthrie s deepest beliefs influenced and found voice in the lyrics that are now known and loved by millions Catalog of Copyright Entries. encyclopedia documents the visions struggles and lives of women who have changed the world This encyclopedia celebrates the lives and achievements of nearly 300 women from around the globe women who have bravely insisted that the way things are is not the way they have to be Nadeshda Krupskaya the wife of Lenin spearheaded the drive against illiteracy in post revolutionary Russia American Dorothy Day founded the Catholic worker movement Begum Rokeya Hossain organized a girls school in Calcutta in 1911 Rachel Carson launched the modern environmental movement with her book Silent Spring The stories of these women and the hundreds of others collected here will restore missing pages to our history and inspire a new generation of women to change the world

Pedagogies of Resistance Margaret Crocco, Petra Munro Hendry, 1999 The stories of six women for whom a career in education serves as leverage to live their lives as agents of change By profiling women as educational activists the book challenges historical interpretations that have cast women as passive in the face of educational change

Protest and Possibility in the Writing of Tillie Olsen Mara Faulkner, 1993 Tillie Olsen s fiction and nonfiction portray with all their harsh contours the lives of people who cannot speak for themselves or whose words have been forgotten or ignored Olsen s writing is neither serene nor despairing In this sensitive thematic reading Mara Faulkner shows that its most subversive function is the assertion that human life can be other than and more than it is Olsen s promise of full creative life aims to make her readers forever dissatisfied with physical emotional and intellectual starvation Faulkner finds in Olsen s writing a triple layered pattern combining protest against oppression blight celebration of courage and strength fruit and the heartening dream of a radically transformed future world possibility She focuses on four of Olsen s main themes motherhood the relationship between men and women community and language and shows how because of social and economic circumstances potentially creative tensions become destructive contradictions motherhood stifles women s lives patriarchy and poverty turn men into enemies of women and children communities force their members into betrayal and language distorts or erases human experience Olsen reveals according to Faulkner the overlapping oppressions of class race gender nationality education and age that both link people and set them apart Yet she refuses to exalt suffering and deprivation In this comprehensive examination of a literature of social consciousness Faulkner approaches Olsen s works within their historical social and political contexts without treating them as propaganda In fact she shows that it is Olsen s compressed poetic style that gives her writing its revolutionary power She illuminates both the author s individual talent and the traditions in which her works were created traditions of women writers of color writers of the working class and writers who were immigrants or children of immigrants

New Catholic Women Mary Jo Weaver, 1995-12-22 Weaver fills an important gap in women s studies through her investigation of the intersection of the women s movement with the lives of contemporary Roman Catholic women Iris Mary Jo Weaver has charted the course of this new consciousness among Roman Catholic women Rosemary Radford Ruether This is the first full scale study of how the U S women s movement has intersected with the lives and aspirations of American Roman Catholic women Elizabeth Johnson Religious Studies Review
