Seventy Years After 19141984:

Fifty Years After John Gardam,1990 The Canadian Experience of the Great War Brian Douglas Tennyson,2013-05
Although the United States did not enter the First World War until April 1917 Canada enlisted the moment Great Britain engaged in the conflict in August 1914 The Canadian contribution was great as more than 600 000 men and women served in the war effort 400 000 of them overseas out of a population of 8 million More than 150 000 were wounded and nearly 67 000 gave their lives The war was a pivotal turning point in the history of the modern world and its mindless slaughter shattered a generation and destroyed seemingly secure values The literature that the First World War generated and continues to generate so many years later is enormous and addresses a multitude of cultural and social matters in the history of Canada and the war itself Although many scholars have brilliantly analyzed the literature of the war little has been done to catalog the writings of ordinary participants men and women who served in the war and wrote about it but are not included among well known poets novelists and memoirists Indeed we don't even know how many titles these people published nor do we know how many more titles were added later by relatives who considered the recollections or collected letters worthy of publication Brian Douglas Tennyson's *The Canadian Experience of the Great War A Guide to Memoirs* is the first attempt to identify all of the published accounts of First World War experiences by Canadian veterans **Ordinary Heroes** John Gardam,1992 **Old Enough to Fight** Dan Black,John Boileau,2013-09-18 Between 15 000 and 20 000 underage youths some as young as ten signed up to fight in Canada's armed forces in the First World War They served in the trenches alongside their elders and fought in all the major battles Ypres the Somme Passchendaele Vimy Ridge and the rest Many were injured or suffered psychological wounds Many died This is the first book to tell their story Some boys joined up to escape unhappy homes and workplaces Others went with their parents blessing carrying letters from fathers and mothers asking the recruiters to take their eager sons The romantic notion of a short victorious campaign was wiped out the second these boys arrived on the Western Front The authors who narrate the fighting with both military professionalism and humanity portray many boys who in the heat of battle made a seamless transition from follower to leader to hero Authors Dan Black and John Boileau combed the archives and collections to bring these stories to life Passages from letters the boy soldiers wrote home reveal the range of emotions and experiences they underwent from the humorous to the unspeakably horrible Their parents letters touch us with their concern love uncertainty and often grief Meticulously researched and abundantly illustrated with photographs paintings and a collection of specially commissioned maps *Old Enough to Fight* is Canadian military and social history at its most fascinating *No Place to Run* Tim Cook,2011-11-01 Historians of the First World War have often dismissed the important role of poison gas in the battles of the Western Front In *No Place to Run* however Tim Cook shows that the serious threat of gas did not disappear with the introduction of gas masks By 1918 gas shells were used by all armies to deluge the battlefield and those not instructed with a sound anti gas doctrine left

themselves exposed to this new chemical plague Cook uses fascinating primary sources diaries letters reminiscences published memoirs and the official archival record to illustrate the horror of gas warfare for the average trench soldier As the first chlorine clouds rolled across the fields during the 2nd Battle of Ypres soldiers were forced to stuff urine soaked handkerchiefs in their mouths in order to survive As the gas war evolved mustard gas plagued the soldiers at the front as it lay active in mud and snow for weeks on end There was no escape from the pervasive nature of poison gas Entering the dug outs it attacked men when they were least ready In response the Canadian Corps had to develop an anti gas doctrine a process that Cook describes in full No Place to Run provides a challenging re examination of the function of gas warfare in the First World War including its important role in delivering victory in the campaign of 1918 and its curious postwar legacy It will be of interest both to historians and military buffs Canadian Books in Print ,1986 **Sister Soldiers of the Great War** Cynthia Toman,2016-07-22 I am on night duty on what is supposed to be the hopeless ward so you can imagine or try to just what I am doing I know you cannot really have the faintest idea In *Sister Soldiers of the Great War* award winning author Cynthia Toman recovers the long lost history of Canada s first women soldiers nursing sisters who enlisted as officers with the Canadian Army Medical Corps These experienced professional nurses left their friends families and jobs to enlist in the army Granted relative rank and equal pay to men they had a mandate to salvage as many sick and wounded men as possible for return to the front lines Nothing prepared them for poor living conditions the scale of casualties or the type of wounds they encountered but their letters and diaries reveal that they were determined to soldier on under all circumstances while still living as well as possible **Canadian Book Review Annual** ,1984 *Canadians in War and Peacekeeping* John Gardam,2000 *VCs of the First World War: Cambrai 1917* Gerald Gliddon,2012-02-29 Featuring the careers of forty three men this volume tells the story of the Battle of Cambrai famous for being the first occasion when tanks were used en masse in battle Its first day was so successful that church bells in Britain were rung in anticipation of a great victory A tank crewman numbers among the recipients of the VC Containing biographies of a broad cross section of men from Britain and the Dominions including Canada Australia New Zealand and even the Ukraine It includes a sapper a former miner who chose to stay with his seriously wounded colleague underground and die with him rather than obey an order to leave him and save his own life a maverick lieutenant colonel who was relieved of his command and a padre who worked tirelessly over a period of three nights bringing at least twenty five men to safety from No Man s Land who otherwise would have been left to die **Peacekeeping & International Relations** ,1992 **For Valour** ,2015-08-15 Tells the stories of every Canadian winner of the Victoria Cross the Commonwealth s highest award for gallantry during the First World War With a scope that covers the entire global conflict For Valour follows soldiers from across Canada all united by valour above and beyond the call of duty Immigrants to the Pure Land Michihiro Ama,2011-01-31 Religious acculturation is typically seen as a one way process The dominant religious culture imposes certain behavioral patterns ethical standards social values and

organizational and legal requirements onto the immigrant religious tradition In this view American society is the active partner in the relationship while the newly introduced tradition is the passive recipient being changed Michihiro Ama s investigation of the early period of Jodo Shinshu in Hawai i and the United States sets a new standard for investigating the processes of religious acculturation and a radically new way of thinking about these processes Most studies of American religious history are conceptually grounded in a European perspectival position regarding the U S as a continuation of trends and historical events that begin in Europe Only recently have scholars begun to shift their perspectival locus to Asia Ama s use of materials spans the Pacific as he draws on never before studied archival works in Japan as well as the U S More important Ama locates immigrant Jodo Shinshu at the interface of two expansionist nations At the end of the nineteenth and beginning of the twentieth centuries both Japan and the U S were extending their realms of influence into the Pacific where they came into contact and eventually conflict with one another Jodo Shinshu in Hawai i and California was altered in relation to a changing Japan just as it was responding to changes in the U S Because Jodo Shinshu s institutional history in the U S and the Pacific occurs at a contested interface Ama defines its acculturation as a dual process of both Japanization and Americanization Immigrants to the Pure Land explores in detail the activities of individual Shin Buddhist ministers responsible for making specific decisions regarding the practice of Jodo Shinshu in local sanghas By focusing so closely Ama reveals the contestation of immigrant communities faced with discrimination and exploitation in their new homes and with changing messages from Japan The strategies employed whether accommodation to the dominant religious culture or assertion of identity uncover the history of an American church in the making **Korea Volunteer** John Gardam,1994

A. Cooke,Canada. Department of National Defence. Directorate of History and Heritage,1997 Canadian military history and military matters have not been well represented in general in retrospective bibliographies of Canadian or in international military bibliographies What has been attempted in this document is a bibliography of published primary sources and secondary works on Canadian military topics excluding poetry and fiction covering the period from Confederation to the present Entries in the bibliography represent printed monographs books and pamphlets and serial titles The prime criteria of inclusion were that the work be chiefly or uniquely both Canadian and military in its contents Many in house publications of the training pamphlet or regulations type have been included but only insofar as they tell us something of the armed forces themselves rather than details of tactical doctrine or of pieces of equipment Works by or about Canadians serving with the armed forces of other countries have been

included as well as materials relating to the military history of Newfoundland since 1867
