What a Song Can Do Jennifer Armstrong, 2007-12-18. This compelling collection of stories explores the powerful impact that music has in our lives, especially in the lives of teens. Each story strikes a new note. Ron Koertge introduces us to the boys in the band, the marching band. Joseph Bruchac contributes a Native American boy with no rhythm whatsoever. Jennifer Armstrong writes about what was perhaps the first battle of the bands during the American Civil War, and David Levithan offers up a love song that speaks powerfully to an unintended audience. But while each story is different, they combine into a harmonic song of praise for the depths music can reach in us and the power it has to bind us together.
