**Sex and Conquest** Richard C. Trexler, 1995 A historical account of the berdache biological men who performed the offices and work of women including sexual service in Europe and America at the time of the Conquest Trexler examines the sexual culture of both early modern Iberia and the native American world of that era Annotation copyright by Book News Inc Portland OR

**Indian Sex Life** Durba Mitra, 2020-01-07 During the colonial period Indian intellectuals philologists lawyers scientists and literary figures all sought to hold a mirror to their country Whether they wrote novels polemics or scientific treatises all sought a better understanding of society in general and their society in particular Curiously female sexuality and sexual behavior play an outside role in their writing The figure of the prostitute is ubiquitous in everything from medical texts and treatises on racial evolution to anti Muslim polemic and studies of ancient India In this book Durba Mitra argues that between the 1840s and the 1940s the new science of sexuality became foundational to the scientific study of Indian social progress The colonial state and an emerging set of Bengali male intellectuals extended the regulation of sexuality to far reaching projects that sought to define what society should look like and how modern citizens should behave An exploration of this history of social scientific thought offers new perspectives to understand the power of paternalistic and deeply violent claims about sexual norms in the postcolonial world today These histories reveal the enduring authority of scientific claims to a tradition that equates social good with the control of women s free will and desire Thus they managed to dramatically reorganize their society around upper caste Hindu ideals of strict monogamy

*Race and Sex in Latin America* Peter Wade, 2009-09-07 Interracial sexual relations are often a key mythic basis for Latin American national identities but the importance of this has been under explored Peter Wade provides a pioneering overview of the growing literature on race and sex in the region covering historical aspects and contemporary debates He includes both black and indigenous people in the frame as well as mixed and white people avoiding the implication that race means black white relations

**The East, the West, and Sex**

Richard Bernstein,2010-07-27 In this wide ranging history Richard Bernstein explores the connection between sex and power as it has played out between Eastern cultures and the Western explorers merchants and conquerors who have visited them This illuminating book describes the historical and ongoing encounter between these travelers and the morally ambiguous opportunities they found in foreign lands Bernstein s narrative teems with real figures from Marco Polo and his investigation into the harem of Kublai Khan the nineteenth century American missionary Isabella Thoburn and her efforts to stamp out the sinfulness of the Mughal culture of India Gustave Flaubert and his dalliances with Egyptian prostitutes to modern day sex tourists in Southeast Asia as well as the women that they both exploit and enrich Provocative and insightful The East The West and Sex is a lucid look at a pervasive and yet mostly ignored subject

**Choosing Unsafe Sex** E. J. Sobo,2010-08-03 Choosing Unsafe Sex focuses on the ways in which condom refusal and beliefs regarding HIV testing reflect women s hopes for their relationships and their desires to preserve status and self esteem Many of the inner city women who participated in Dr Sobo s research were seriously involved with one man and they had heavy emotional and social investments in believing or maintaining that their partners were faithful to them Uninvolved women had similarly heavy investments in their abilities to identify or choose potential partners who were HIV negative Women did not see themselves as being at risk for HIV infection and so they saw no need for condoms But they did recommend that other women whom they saw as quite likely to be involved with sexually unfaithful men use them

Sex and Citizenship in Antebellum America Nancy Isenberg,2000-11-09 With this book Nancy Isenberg illuminates the origins of the women s rights movement Rather than herald the singular achievements of the 1848 Seneca Falls convention she examines the confluence of events and ideas before and after 1848 that in her view marked the real birth of feminism Drawing on a wide range of sources she demonstrates that women s rights activists of the antebellum era crafted a coherent feminist critique of church state and family In addition Isenberg shows they developed a rich theoretical tradition that influenced not only subsequent strains of feminist thought but also ideas about the nature of citizenship and rights more generally By focusing on rights discourse and political theory Isenberg moves beyond a narrow focus on suffrage Democracy was in the process of being redefined in antebellum America by controversies over such volatile topics as fugitive slave laws temperance Sabbath laws capital punishment prostitution the Mexican War married women s property rights and labor reform all of which raised significant legal and constitutional questions These pressing concerns debated in women s rights conventions and the popular press were inseparable from the gendered meaning of nineteenth century citizenship

**Mainstreaming Sex** Feona Attwood,2014-01-30 From cyber porn to striptease culture this trailblazing book uncovers the shockingly fascinating new ways that western society is being sexualized We don t realise how far the pornogrification of culture has reached this book does and discusses it graphically but responsibly Media interest in this subject is huge Mainstreaming Sex uncovers the significant impact hitherto only half glimpsed that striptease culture is having on our media relationships educational and

working lives It is a welcome and much needed book Western culture is exhibiting its fascination with sex in new often surprising ways Pole dancing is a form of keep fit porn stars find work as agony aunts pornography itself is just a mouse click away and phone sex email affairs and cybersex are now part of our everyday lives This sexualization of modern culture is the subject widely discussed here In original chapters the contributors confront the reality that in all aspects of social and cultural life sex is being mainstreamed They explore film print and online pornographies representations of masturbation in film and television supersexualized advertising and problem page sex They also examine young people s views of sex in mainstream media women s use of sexual media in the home and pole dancing as exercise and performance and third wave feminism and the sexualization debate

**Desire** Anna Clark, 2019-03-28 A sweeping survey of sexuality in Europe from the Greeks to the present *Desire A History of European Sexuality* follows changing attitudes to two major concepts of sexual desire desire as dangerous polluting and disorderly and desire as creative transcendent even revolutionary through the major turning points of European history Chronological in structure and wide ranging in scope *Desire* addresses such topics as sex in ancient Judaism Christianity and Islam sexual contact and culture clash in Spain and colonial Mesoamerica new attitudes toward sexuality in the seventeenth and eighteenth centuries and sex in Bolshevik Russia and Nazi Germany The book introduces the concept of twilight moments to describe activities seen as shameful or dishonorable but which were tolerated when concealed by shadows and integrates the history of heterosexuality with same sex desire as well as exploring the emotions of love and lust as well as the politics of sex and personal experiences This new edition has been updated to include a new chapter on sex and imperialism and expanded discussions of Islam and trans issues Drawing on a rich array of sources including poetry novels pornography and film as well as court records autobiographies and personal letters and written in a lively engaging style *Desire* remains an essential resource for scholars and students of the history of European sexuality as well as women s and gender history social and cultural history and LGBTQ history

*How Sex Changed* Joanne Meyerowitz, 2004-04-01 *How Sex Changed* is a fascinating social cultural and medical history of transsexuality in the United States Joanne Meyerowitz tells a powerful human story about people who had a deep and unshakable desire to transform their bodily sex In the last century when many challenged the social categories and hierarchies of race class and gender transsexuals questioned biological sex itself the category that seemed most fundamental and fixed of all From early twentieth century sex experiments in Europe to the saga of Christine Jorgensen whose sex change surgery made headlines in 1952 to today s growing transgender movement Meyerowitz gives us the first serious history of transsexuality She focuses on the stories of transsexual men and women themselves as well as a large supporting cast of doctors scientists journalists lawyers judges feminists and gay liberationists as they debated the big questions of medical ethics nature versus nurture self and society and the scope of human rights In this story of transsexuality Meyerowitz shows how new definitions of sex circulated in popular culture science medicine and the law and she elucidates the tidal shifts in our social moral and medical beliefs

over the twentieth century away from sex as an evident biological certainty and toward an understanding of sex as something malleable and complex How Sex Changed is an intimate history that illuminates the very changes that shape our understanding of sex gender and sexuality today

**Culture, Society and Sexuality** Richard Parker, Peter Aggleton, 2007-01-24 This new and revised edition of Culture Society and Sexuality brings together and makes accessible a broad and international selection of readings to provide insights into the social cultural political and economic dimensions of sexuality and relationships and emerging discourses around sexual and reproductive rights Clearly structured and presented the book makes an extremely useful reference for

students and researchers Section one focuses on the social and cultural construction of sexuality as an emerging field of inquiry over the course of recent decades and examines some of the most important theoretical insights and areas of investigation that have emerged as this field has developed Section two links research on the construction of sexuality to a growing body of work on gender and sexuality in relation to a wide range of practical issues and contemporary social policy debates It is an essential reader not only for students and researchers in these areas but also for activists health workers and service providers who daily confront practical and policy issues related to sexuality sexual health and sexual rights

*Historicising Gender and Sexuality* Kevin P. Murphy, Jennifer M. Spear, 2011-09-07 *Historicising Gender and Sexuality* features a diverse collection of essays that shed new light on the historical intersections between gender and sexuality across time and space Demonstrates both the particularities of specific formulations of gender and sexuality and the nature of the relationship between the categories themselves Presents evidence that careful and contextualised analysis of the shifting relationship of gender and sexuality illuminates broader historical processes

**Recovering from Sexual Abuse, Addictions, and Compulsive Behaviors** Carlton Munson, Sandra L. Knauer, 2014-01-02 Explore the connection between sexual victimization addiction and compulsive behaviors This book demonstrates clearly what lengths survivors of sexual abuse will go to in attempting to avoid dealing with the pain resulting from their sexual abuse Anyone who has been sexually abused is likely to have one of the addictions or compulsive behaviors described herein The information in *Recovering from Sexual Abuse Addictions and Compulsive Behaviors* regarding codependency is especially useful to survivors of sexual abuse who now find themselves in abusive relationships Survivors of abuse who have gone without treatment sometimes become either sexual perpetrators or sexual addicts and may experience many different types of psychological dysfunction *Recovering from Sexual Abuse Addictions and Compulsive Behaviors* examines issues that survivors often have regarding trust and friendship sexuality and sexual addiction marriage and family religious addiction as opposed to spirituality alcohol and substance abuse workaholism weight issues and eating disorders violence as the result of shame fear and depression caused by abuse *Recovering from Sexual Abuse Addictions and Compulsive Behaviors* is more than a litany of the problems that survivors face This valuable work will show you HOW the survivor came to employ addictive or compulsive behaviors WHY the survivor continues to employ these self abusive behaviors despite the pain caused by the addiction WHAT the survivor needs to do to aid recovery WHERE the survivor can turn to obtain the help that is needed to recover from addictive or compulsive behaviors With its complete bibliography and up to date information on sexual abuse addictions and compulsive behaviors *Recovering from Sexual Abuse Addictions and Compulsive Behaviors* will show you the full course of sexual abuse and its aftermath bringing you from the beginnings of sexual abuse through the steps that lead to addiction and compulsion and ultimately recovery

*Malinche, Pocahontas, and Sacagawea* Rebecca Kay Jager, 2015-10-20 The first Europeans to arrive in North America's various regions relied on Native women to help them navigate unfamiliar customs

and places This study of three well known and legendary female cultural intermediaries Malinche Pocahontas and Sacagawea examines their initial contact with Euro Americans their negotiation of multinational frontiers and their symbolic representation over time Well before their first contact with Europeans or Anglo Americans the three women s societies of origin the Aztecs of Central Mexico Malinche the Powhatans of the mid Atlantic coast Pocahontas and the Shoshones of the northern Rocky Mountains Sacagawea were already dealing with complex ethnic tensions and social change Using wit and diplomacy learned in their Native cultures and often assigned to women all three individuals hoped to benefit their own communities by engaging with the new arrivals But as historian Rebecca Kay Jager points out Europeans and white Americans misunderstood female expertise in diplomacy and interpreted indigenous women s cooperation as proof of their attraction to Euro American men and culture This confusion has created a historical misrepresentation of Malinche Pocahontas and Sacagawea as gracious Indian princesses giving far too little credit to their skills as intermediaries Examining their initial contact with Europeans and their work on multinational frontiers Jager removes these three famous icons from the realm of mythology and cultural fantasy and situates each woman s behavior in her own cultural context Drawing on history anthropology ethnohistory and oral tradition Jager demonstrates their shrewd use of diplomacy and fulfillment of social roles and responsibilities in pursuit of their communities future advantage Jager then goes on to delineate the symbolic roles that Malinche Pocahontas and Sacagawea came to play in national creation stories Mexico and the United States have molded their legends to justify European colonization and condemn it to explain Indian defeat and celebrate indigenous prehistory After hundreds of years Malinche Pocahontas and Sacagawea are still relevant They are the symbolic mothers of the Americas but more than that they fulfilled crucial roles in times of pivotal and enduring historical change Understanding their stories brings us closer to understanding our own histories

*Campus Action against Sexual Assault*  
Michele A. Paludi, 2016-05-16 A practical guide to prevention of and response to sexual assault on college campuses this invaluable resource will help ensure Title IX compliance and can also help reduce the incidence of these all too prevalent events The frequency of sexual assault on college campuses is startlingly high Notwithstanding this fact most campus officials are not trained in the psychology of the victimization process while most students are not aware of their reporting options A practical guide to sexual assault at colleges and universities this book integrates theories and empirical research with information about legislation and techniques to help college administrators deal with and prevent these disturbing offenses The work brings together a team of experts who discuss various types of assault including rape stalking intimate partner violence and sexual harassment and detail the legal educational and federal responses to such events on college campuses They address federal and state laws including new bills being proposed in Congress and present research on the physical and psychological dimensions of sexual assault Perhaps most important the book shows how human resource techniques and principles can be used to establish preventative measures and to respond appropriately when sexual assault

does occur Students accounts of prevention training and education enhance the scholarly and legal contributions to this important and timely volume

### **Sex And Conquest Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Sex And Conquest has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Sex And Conquest has opened up a world of possibilities. Downloading Sex And Conquest provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Sex And Conquest has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Sex And Conquest. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Sex And Conquest. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Sex And Conquest, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Sex And Conquest has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it

is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
